The Significance of a Kappa Alpha Psi Recommendation Letter

A Kappa Alpha Psi recommendation letter serves as a powerful endorsement, offering a third-party perspective on an applicant's character, achievements, and potential contributions to the fraternity. It is not merely a formality but a vital component that allows the fraternity brothers to assess the candidate beyond their direct interactions. A well-crafted recommendation letter can illuminate qualities that may not be evident in an application form alone, providing insights into the applicant's integrity, leadership capabilities, community involvement, and commitment to the fraternity's founding principles. For Kappa Alpha Psi, a fraternity built on the pillars of "Manhood, Scholarship, Perseverance, and Uplift," the recommendation letter is a critical tool for identifying individuals who embody these core values. It helps to ensure that new members will uphold the esteemed reputation and legacy of the organization. Therefore, the quality and content of this letter carry substantial weight in the selection process.

Who Should Write Your Kappa Alpha Psi Recommendation Letter?

Selecting the right recommender is paramount to securing a strong Kappa Alpha Psi recommendation letter. Ideally, your recommender should have a deep and personal understanding of your character and abilities. This often includes individuals who have observed your development in various capacities.

Members of Kappa Alpha Psi Fraternity, Inc.

The most impactful recommendation letters typically come from active, esteemed members of Kappa Alpha Psi Fraternity, Inc. A brother who knows you well, ideally for an extended period, can speak directly to your alignment with the fraternity's ideals and traditions. They can attest to your respect for the organization and your potential to contribute positively to its brotherhood. This type of recommendation carries significant weight as it comes from within the organization itself.

Professors and Academic Advisors

Individuals in academic settings can provide valuable insights into your scholastic aptitude, work ethic, and intellectual curiosity. A professor who has witnessed your dedication in the classroom, your performance on assignments, and your engagement with the subject matter can attest to your commitment to scholarship, a cornerstone of Kappa Alpha Psi. They can speak to your ability to manage academic responsibilities, a key indicator of perseverance.

Employers and Supervisors

Professional references can highlight your responsibility, work ethic, leadership potential, and ability to collaborate effectively. An employer or supervisor who has seen you in a professional environment can vouch for your reliability, your problem-solving skills, and your capacity to excel under pressure. This demonstrates your maturity and readiness for the commitments of fraternity life.

Community Leaders and Mentors

Individuals who have guided you in community service, extracurricular activities, or personal development can offer a unique perspective on your commitment to uplift and service. A respected community leader can attest to your character, your philanthropic spirit, and your dedication to making a positive impact on society. This speaks directly to the "Uplift" aspect of Kappa Alpha Psi's core values.

Key Components of a Compelling Kappa Alpha Psi

Recommendation Letter

A truly effective Kappa Alpha Psi recommendation letter goes beyond generic praise. It is specific, insightful, and directly addresses the qualities valued by the fraternity. A strong letter will paint a vivid picture of the applicant's suitability for brotherhood.

Personal Anecdotes and Specific Examples

The most persuasive recommendations are bolstered by concrete examples and personal anecdotes. Instead of simply stating that an applicant is a leader, the recommender should provide a specific instance where the applicant demonstrated exceptional leadership skills, detailing the situation, the applicant's actions, and the positive outcome. This makes the endorsement tangible and believable.

Alignment with Fraternity Values

A strong recommendation letter will explicitly connect the applicant's qualities and actions to the core values of Kappa Alpha Psi: Manhood, Scholarship, Perseverance, and Uplift. The recommender should explain how the applicant embodies these principles in their daily life, academic pursuits, and community engagement. For instance, discussing an applicant's resilience in overcoming academic challenges would highlight their perseverance.

Demonstration of Character and Integrity

The letter must provide a clear picture of the applicant's moral compass and ethical behavior. This includes showcasing their honesty, reliability, and respect for others. Testimonials about the applicant's integrity in difficult situations or their commitment to doing the right thing are highly valued. A recommender can speak to the applicant's ethical decision-making and trustworthiness.

Potential for Future Contribution

Beyond current attributes, a good recommendation letter should also address the applicant's potential to contribute to the fraternity in the future. This could involve their willingness to serve, their leadership aspirations within the organization, and their commitment to upholding its standards. The recommender's belief in the applicant's capacity to grow and add value to the fraternity's mission is crucial.

How to Strategically Request a Kappa Alpha Psi Recommendation Letter

Requesting a Kappa Alpha Psi recommendation letter requires thoughtfulness and respect for the recommender's time and commitment. A strategic approach can help ensure you receive a high-quality, supportive letter.

Choose Recommenders Wisely

As discussed earlier, select individuals who know you well and can genuinely speak to your strengths and alignment with Kappa Alpha Psi's values. Avoid asking someone who barely knows you or who might be hesitant to provide a strong endorsement. Consider their relationship with the fraternity and their standing within their respective circles.

Provide Ample Notice

Recommenders are often busy professionals, academics, or community figures. Always provide them with a generous amount of advance notice, ideally several weeks, to allow them sufficient time to write a thoughtful and well-crafted letter. Last-minute requests can lead to rushed and less impactful recommendations.

Offer Comprehensive Information

To assist your recommender, provide them with all the necessary information. This includes your resume or CV, a personal statement or essay outlining your motivations and aspirations for joining Kappa Alpha Psi, a clear description of the fraternity's objectives, and any specific deadlines or submission instructions. Sharing your application materials can help them tailor their letter effectively.

Follow Up Politely

After submitting your request, it is appropriate to follow up politely a week or so before the deadline, especially if you haven't heard back. A gentle reminder can be helpful. Express your gratitude for their willingness to support your endeavor, regardless of the outcome.

What to Avoid When Seeking a Kappa Alpha Psi Recommendation

Certain actions can inadvertently hinder your efforts to obtain a strong Kappa Alpha Psi recommendation letter. Being aware of these potential pitfalls can help you navigate the process smoothly and effectively.

Asking Inadequately Informed Individuals

As mentioned, asking someone who has limited knowledge of your character, achievements, or aspirations is counterproductive. A vague or unenthusiastic letter can do more harm than good. Ensure your recommender has a solid basis for their endorsement.

Demanding or Entitled Behavior

Approach your request with humility and respect. Recommenders are doing you a favor. Avoid any form of demanding or entitled behavior. Remember that they are dedicating their valuable time and credibility to support your application.

Providing Incomplete or Vague Instructions

Failing to provide clear instructions, deadlines, and necessary information can lead to confusion and a subpar letter. Ensure all details are meticulously communicated to avoid any misinterpretations or missed requirements.

Failing to Express Gratitude

Always thank your recommenders, both at the time of the request and after the letter has been submitted. A sincere expression of gratitude is essential for maintaining good relationships and showing your appreciation for their support in your Kappa Alpha Psi journey.

The Role of the Recommendation in the Kappa Alpha Psi Intake Process

The recommendation letter plays a pivotal role within the broader Kappa Alpha Psi intake process. It serves as a critical piece of the puzzle that the membership committee evaluates.

Supplementing Application Materials

While application forms and interviews provide direct information from the candidate, recommendation letters offer an external validation of the applicant's character and suitability. They provide a different perspective that can corroborate or even highlight aspects not fully captured elsewhere. This third-party perspective is invaluable in forming a holistic view of the candidate.

Assessing Character and Fit

Fraternities, especially one with a strong history like Kappa Alpha Psi, are deeply concerned with the character of their prospective members. Recommendation letters are instrumental in assessing an applicant's integrity, maturity, and whether they possess the qualities that align with the brotherhood's values and long-standing traditions. This assessment helps ensure that new members will contribute positively to the fraternity's reputation and camaraderie.

Identifying Potential Leaders and Contributors

A strong recommendation can highlight an applicant's leadership potential, commitment to service,

and ability to contribute meaningfully to the fraternity's activities and objectives. It helps the committee identify individuals who are not just seeking membership but are eager to actively participate and uphold the fraternity's mission of uplift.

Frequently Asked Questions About Kappa Alpha Psi Recommendations

Navigating the process of obtaining a Kappa Alpha Psi recommendation letter can bring about several questions. Addressing these common inquiries can provide further clarity for aspiring members.

How many recommendation letters are typically required?

The number of recommendation letters required can vary by chapter and the specific intake process at the time. It is essential to consult the official guidelines provided by the specific chapter or the national organization for the most accurate information regarding the quantity of letters needed.

Can someone who is not a member of Kappa Alpha Psi write a recommendation?

While a recommendation from an active member of Kappa Alpha Psi often carries significant weight, letters from other respected individuals such as professors, employers, or community leaders who know you well and can attest to your character and achievements are also valuable. These letters should still focus on qualities that align with the fraternity's core values.

What if my recommender cannot write a strong letter?

If you suspect that a recommender may not be able to provide a strong endorsement, it is often better to politely withdraw your request and seek a recommender who can genuinely advocate for you. A lukewarm or negative recommendation can be detrimental to your application.

Frequently Asked Questions

What are the key qualities Kappa Alpha Psi looks for in recommendation letters?

Kappa Alpha Psi typically seeks recommendation letters that highlight a candidate's leadership potential, academic excellence, commitment to community service, strong moral character, and demonstrated loyalty and commitment to the fraternity's values and principles.

Who is the best person to ask for a Kappa Alpha Psi recommendation letter?

The ideal recommender is someone who knows the candidate well and can speak specifically to their qualifications and character, such as a faculty member, a community leader, a professional supervisor, or a Kappa Alpha Psi member in good standing who has mentored or observed the candidate.

How far in advance should I request a recommendation letter for Kappa Alpha Psi?

It's generally recommended to request a recommendation letter at least 3-4 weeks before the deadline. This allows the recommender ample time to write a thoughtful and comprehensive letter and avoids putting them under undue pressure.

What information should I provide to my recommender?

Provide your recommender with your resume or CV, a draft of your personal statement or essay (if applicable), information about the specific chapter or intake process, and any deadlines or submission instructions. Remind them of your accomplishments and why you are a good fit for Kappa Alpha Psi.

Can a current Kappa Alpha Psi member write a recommendation letter?

Yes, a current and active member of Kappa Alpha Psi can absolutely write a recommendation letter, especially if they have a strong understanding of the candidate's character, aspirations, and suitability for fraternity membership. They can often speak to the candidate's alignment with the fraternity's objectives.

What if I don't know any Kappa Alpha Psi members personally?

If you don't personally know any members, focus on securing strong recommendations from individuals who can attest to your leadership, academic, and character qualities. These individuals may include mentors, professors, or community figures who can vouch for your potential to embody the fraternity's ideals.

What is the tone of a strong Kappa Alpha Psi recommendation letter?

A strong recommendation letter for Kappa Alpha Psi should be enthusiastic, specific, and persuasive. It should convey genuine endorsement and clearly articulate the candidate's strengths and why they would be a valuable asset to the fraternity.

Are there specific requirements for the format of a recommendation letter?

While not always rigidly defined, recommendation letters should typically be on official letterhead (if applicable), signed, and include the recommender's contact information. It's crucial to follow any specific submission guidelines provided by the chapter or national organization.

Can a recommendation letter be submitted electronically?

Yes, electronic submissions are increasingly common. Many chapters or national organizations will provide a portal or an email address for recommendation letter submission. Always confirm the preferred method with the chapter's membership intake chairman or appropriate contact.

Additional Resources

Here are 9 book titles related to Kappa Alpha Psi recommendation letters, with short descriptions:

1. *The Power of Recommendation Letters: Crafting Compelling Endorsements*

This book delves into the art of writing impactful recommendation letters. It explores strategies for understanding the recipient's needs, highlighting key strengths, and tailoring language to maximize positive impressions. Readers will learn how to move beyond generic praise and create a powerful narrative that advocates effectively.

2. *Navigating the Brotherhood: Understanding Fraternity Expectations*

This guide offers insights into the intricacies of fraternity life and the expectations associated with joining esteemed organizations like Kappa Alpha Psi. It discusses the importance of character, leadership, and commitment, and how these qualities are assessed during the membership intake process. Understanding these core values is crucial when seeking and writing a recommendation.

3. *Building Bridges: The Art of Networking and Mentorship*

This book focuses on the vital role of networking and mentorship in professional and personal development. It provides practical advice on cultivating meaningful relationships and leveraging connections for opportunities, including securing strong recommendations. Learning to build and maintain these relationships is key to finding mentors who can advocate for you.

4. *Foundations of Leadership: Principles for Lasting Impact*

This title explores the fundamental principles of effective leadership, a cornerstone of Kappa Alpha Psi's mission. It examines traits such as integrity, vision, and service, and how these are demonstrated and recognized by members of the fraternity. Understanding leadership in this context helps both the recommender and the applicant articulate relevant qualities.

5. *The Legacy of Achievement: Stories of Kappa Alpha Psi Members*

This collection of narratives highlights the accomplishments and contributions of notable Kappa Alpha Psi brothers across various fields. By showcasing the caliber of individuals within the fraternity, it implicitly underscores the high standards expected for membership and the kind of endorsements that carry weight. It serves as a source of inspiration and understanding for the fraternity's impact.

6. *Crafting Your Narrative: Personal Branding for Success*

This book guides individuals in developing a compelling personal brand and narrative. It emphasizes how to identify and articulate one's unique strengths, experiences, and aspirations. A well-defined personal narrative is essential for both the applicant seeking a recommendation and the recommender in framing their endorsement effectively.

7. Ethical Endorsements: Integrity in Recommendation Writing

This work tackles the ethical considerations involved in writing recommendation letters. It stresses the importance of honesty, accuracy, and genuine advocacy, outlining the responsibilities of a recommender. Understanding these ethical guidelines ensures that recommendations are both credible and uphold the integrity of the process.

8. The Kappa Keys: Unlocking the Secrets of the Fraternity's Values

Kappa Alpha Psi Recommendation Letter: A Comprehensive Guide

Introduction: Understanding the Importance of a Strong Recommendation

A strong recommendation letter can be the deciding factor in a candidate's success in securing scholarships, internships, jobs, or graduate school admission. For a Kappa Alpha Psi brother seeking such opportunities, a well-written recommendation letter from a fellow member carries significant weight, especially when the recommender can speak to the candidate's character and achievements within the fraternity context. This letter isn't just about listing accomplishments; it's about painting a vivid picture of the individual's potential and suitability for the opportunity at hand. A weak or poorly written letter can significantly harm chances, while a strong one can be a game-changer. This guide equips you to write a recommendation that makes a real difference.

Chapter 1: Knowing Your Brother: Assessing Strengths and Accomplishments

Before putting pen to paper (or fingers to keyboard), thoroughly understand the individual you're recommending. This isn't about simply listing their Kappa Alpha Psi involvement; it's about uncovering the underlying qualities and achievements that demonstrate their suitability for the opportunity.

Gather Information: Request an updated resume or CV, transcripts, personal statement (if applicable), and any other relevant materials. Conduct an informal interview to discuss their goals, accomplishments (both academic and extracurricular), and challenges they've overcome. Focus on specific examples rather than general statements.

Identify Key Strengths: What are their most remarkable qualities? Are they exceptionally organized, creative, innovative, collaborative, resilient, or possess strong leadership skills? Think beyond generic adjectives. Quantify their achievements whenever possible (e.g., "increased chapter membership by 20%," "secured a \$5,000 grant," "maintained a 3.8 GPA").

Connect Strengths to the Opportunity: Identify how these strengths align with the requirements or desired qualities specified in the application or position description. For instance, if applying for a leadership role, highlight instances of leadership within the fraternity and elsewhere.

SEO Keywords: Kappa Alpha Psi recommendation letter, write a strong recommendation, assessing strengths, gathering information, quantifiable achievements

Chapter 2: Crafting a Compelling Narrative: Show, Don't Just Tell

Avoid simply stating facts; instead, weave a compelling narrative that illustrates your brother's qualities. Use specific anecdotes and examples to demonstrate his capabilities and character.

Use the STAR Method: Structure your examples using the STAR method: Situation, Task, Action, Result. This provides a clear and concise way to showcase specific instances where your brother demonstrated his skills and abilities.

Focus on Impact: Highlight the impact of your brother's actions. Instead of saying "He's a good leader," say "As chapter president, he successfully implemented a new fundraising strategy that increased chapter funds by 30%, enabling us to support our community service initiatives."

Use Vivid Language: Engage the reader with descriptive language that paints a clear picture of your brother's actions and accomplishments. Avoid clichés and generic phrases.

SEO Keywords: compelling narrative, STAR method, show don't tell, impactful storytelling, vivid language

Chapter 3: Structuring Your Letter: Format, Tone, and Key Elements

A well-structured letter is essential for clarity and impact. Maintain a professional tone, while still reflecting your genuine enthusiasm for your brother's success.

Formal Format: Use a professional business letter format, including your contact information, the date, the recipient's information, and a formal salutation and closing.

Clear and Concise Language: Use precise language and avoid jargon or overly complex sentences. Get straight to the point and avoid rambling.

Key Elements: Include a strong opening paragraph that introduces your relationship with the candidate and clearly states your recommendation. The body paragraphs should focus on specific examples showcasing their abilities and qualities. The closing paragraph should reaffirm your recommendation and offer your contact information.

SEO Keywords: recommendation letter format, professional tone, clear and concise writing, letter structure, key elements

Chapter 4: Highlighting Kappa Alpha Psi Values: Integrating Fraternity Experiences Meaningfully

While fraternity involvement is valuable, avoid merely listing activities. Instead, connect his experiences to specific qualities and skills relevant to the application.

Connect Activities to Skills: Show how participation in fraternity events, leadership roles, and community service initiatives developed skills like teamwork, leadership, communication, and responsibility.

Illustrate Values: Highlight how your brother embodies the core values of Kappa Alpha Psi, such as scholarship, uplift, achievement, and manhood. Provide specific examples to support these claims.

Avoid Generic Statements: Instead of saying "He's a valuable member," say "His commitment to community service, as evidenced by his leadership in our annual food drive, demonstrates his dedication to uplifting our community."

SEO Keywords: Kappa Alpha Psi values, fraternity involvement, highlighting skills, showcasing leadership, community service

Chapter 5: Addressing Specific Application Requirements: Tailoring Your Letter

Each application has unique requirements. Carefully review the instructions and tailor your letter accordingly.

Address Specific Criteria: If the application mentions specific skills or qualities, make sure your letter directly addresses those criteria with relevant examples.

Adapt to the Context: Tailor your letter to the specific opportunity. A letter for a graduate program will differ from a letter for a job application.

Personalize Your Approach: While using templates can be helpful, always personalize your letter to reflect the individual's unique strengths and experiences.

SEO Keywords: tailoring recommendation letters, addressing specific criteria, adapting to context, personalized recommendations

Chapter 6: Proofreading and Polishing: Ensuring Professionalism and Impact

A polished letter reflects your professionalism and respect for the recipient.

Proofread Carefully: Check for any grammatical errors, spelling mistakes, or typos. Have someone else proofread your letter for a fresh perspective.

Review Tone and Style: Ensure the tone is professional, enthusiastic, and positive. The letter should be easy to read and understand.

Check Formatting: Confirm the formatting is consistent and professional.

SEO Keywords: proofreading, editing, polishing, professional letter, grammatical errors

Conclusion: Submitting Your Letter and Next Steps

Submit your letter promptly, following all instructions provided by the applicant or organization. Consider sending a follow-up email to confirm receipt.

SEO Keywords: submitting recommendation letter, follow up, next steps

FAQs

1. How long should a Kappa Alpha Psi recommendation letter be? Aim for one page (approximately 500-750 words), ensuring conciseness and impact.
2. What if I haven't known my brother for a long time? Focus on the time you have known him and provide detailed examples from that period.
3. Should I mention his fraternity brothers? Only if it meaningfully supports the recommendation, focusing on collaborative achievements or demonstrated qualities.
4. Can I use a template? Templates can be helpful for structure, but always personalize the content to reflect the individual's unique qualities.
5. What if I'm not sure I can strongly recommend him? It's better to decline the request than to write a lukewarm letter.
6. How do I address the recipient? Use a formal salutation (e.g., "Dear Dr. Smith," "Dear Mr./Ms. Jones").
7. Where should I send the letter? Follow the instructions provided by the recipient or organization.
8. When should I submit the letter? Submit the letter well in advance of the deadline.

9. Should I include personal anecdotes? Yes, but ensure they support the overall assessment and showcase positive qualities.

kappa alpha psi recommendation letter: Black Haze, Second Edition Ricky L. Jones, 2015-06-27 Expanded and revised edition of the first book devoted solely to black fraternity hazing. Are black men naturally violent? Do they define manhood in the same way as their counterparts across lines of race? Are black Greek-letter fraternities among the most dangerous student organizations on American college and university campuses? Can their often-dangerous initiation processes be stopped or even modified and, if not, what should be done about them? In this second edition of *Black Haze*, Ricky L. Jones takes on these questions and more. The first edition was an enlightening and sometimes disturbing examination of American men's quest for acceptance, comfort, reaffirmation, and manhood in a world where their footing is often unstable. In this new edition Jones not only provides masterful philosophical and ethical analyses but he also forces the engagement of a terrifying real world process that damages and kills students with all too frequent regularity. With a revealing new preface and stunning afterword, Jones immerses the reader in an intriguing and dark world marked by hypermasculinity, unapologetic brutality, and sometimes death. He offers a compelling book that ranges well beyond the subject of hazing—one that yields perplexing questions and demands difficult choices as we move forward in addressing issues surrounding fraternities, violent hazing, black men, and American society. *Black Haze* is a landmark study on hazing culture within black Greek-letter organizations. With an insider's eye and scholar's touch, Jones masterfully captures the emic contours, complexities, and contradictions of black fraternity hazing as ritual act and cultural practice. This text is at once rigorous and accessible, theoretical and practical, classic and urgent. Anyone interested in understanding hazing, masculinity, BGLOs, or black cultural practice must read this book! — Marc Lamont Hill, coauthor of *The Classroom and the Cell: Conversations on Black Life in America* *Black Haze* is a compelling

survey of black Greek-letter organizations, their history, purpose, and their most damning traditions. This is an examination of how the virtues of brotherhood and civic service coexist with brutal violence and cruelty within some of the oldest organizations in black America. Professor Jones has produced a vital contribution about a crucial and enduring problem. □ □ William Jelani Cobb, author of *The Substance of Hope: Barack Obama and the Paradox of Progress* □ Ricky Jones's *Black Haze* is an important study of black male identity development. By examining black men's relationship with fraternities, he uncovers larger and brilliantly penetrating insights into issues of masculinity and political identity among African American males in the post-civil rights era. □ □ Peniel E. Joseph, author of *Waiting 'Til the Midnight Hour: A Narrative History of Black Power in America* □ *Black Haze* is a riveting coup de grâce against ritualized violence in black fraternities. The second edition of *Black Haze* is the most penetrating, illuminating, and articulate sociopolitical and cultural analysis of the chilling legacy of violence in black Greek-letter fraternities. As one of the world's leading authorities on black masculinity and organizations, Ricky Jones intelligently confronts traditional verities, social norms, and myths that seek to justify and continue ritualized violence in black fraternities through the courageous prism of a reformed insider dedicated to the preservation of black dignity and life. □ □ Jeremy I. Levitt, author of *Black Women and International Law: Deliberate Interactions, Movements and Actions Praise for the First Edition* □ provides valuable insights into the reasoning behind hazing, a practice that extends into the realms of sports and even high school, and is relevant for not only fraternity members and officials, but the general public as well. □ □ *The Griot* □ an important contribution because of the skillful manner in which Jones incorporates and critically analyzes relevant literature and other related scholarly writings Jones, himself a member of Kappa Alpha Psi, offers personal observations as well as first-hand views and perceptions of hazing. □ □ *Journal of College Student Development*

kappa alpha psi recommendation letter: With Faith in God and Heart and Mind Maurice J. Hobson, Eddie R. Cole, Jim C. Harper, Derrick P. Alridge, 2025-05-01 When Edgar A. Love, Oscar J. Cooper, Frank Coleman, and Ernest Everett Just founded the historically Black fraternity Omega Psi Phi on November 17, 1911, at Howard University, they could not have known how great of an impact their organization would have on American life. Over the 110 years that followed, its members led colleges and universities; served in prominent military roles; made innumerable contributions to education, civic society, science, and medicine; and at least one campaigned for the US presidency. This book offers a comprehensive, authoritative history of the fraternity, emphasizing its vital role through multiple eras of the Black freedom struggle. The authors address both the individual work of its membership, which has included such figures as Carter G. Woodson, Bayard Rustin, Roy Wilkins, James L. Farmer Jr., Benjamin Elijah Mays, James Clyburn, Jesse Jackson, and Benjamin Crump, and the collective efforts of the fraternity's leadership to encourage its general membership to contribute to the struggle in concrete ways over the years. The result is a book that uniquely connects the 1910s with the present, showing the ongoing power of a Black fraternal organization to channel its members toward social reform.

kappa alpha psi recommendation letter: Binge Barrett Seaman, 2010-12-10 In *Binge*, Barrett Seaman reveals what every parent, student, and educator needs to know about the college experience. Seaman spent time with students at twelve highly regarded and diverse colleges and universities across North America. During his two years of research, he immersed himself in the lives of the students, often living in their dorms, dining with them, speaking with them on their own

terms, and listening to them express their thoughts and feelings. Portraying a campus culture in which today's best and brightest students grapple with far more than academic challenges, *Binge* conveys the unprecedented stresses on campus today. While sharing revealing interviews and the often dramatic stories, Seaman explores the complexities of romantic relationships and sexual relations, alcohol and drug use, anxiety and depression, class and racial boundaries, and more. Despite the disturbing trends, Seaman finds reasons for optimism and offers provocative and well-informed suggestions for improving the undergraduate experience. Sometimes alarming, always fascinating, and ultimately hopeful, *Binge* is an extraordinary investigative work that reveals the realities of higher education today.

kappa alpha psi recommendation letter: *Black Greek-letter Organizations in the Twenty-First Century* Gregory S. Parks, 2008-06-13 During the twentieth century, black Greek-Letter organizations (BGLOs) united college students dedicated to excellence, fostered kinship, and uplifted African Americans. Members of these organizations include remarkable and influential individuals such as Martin Luther King Jr., Congresswoman Barbara Jordan, novelist Toni Morrison, and Wall Street pioneer Reginald F. Lewis. Despite the profound influence of these groups, many now question the continuing relevance of BGLOs, arguing that their golden age has passed. Partly because of their perceived link to hip-hop culture, black fraternities and sororities have been unfairly reduced to a media stereotype—a world of hazing without any real substance. The general public knows very little about BGLOs, and surprisingly the members themselves often do not have a thorough understanding of their history and culture or of the issues currently facing their organizations. To foster a greater engagement with the history and contributions of BGLOs, *Black Greek-Letter Organizations in the Twenty-first Century: Our Fight Has Just Begun* brings together an impressive group of authors to explore the contributions and continuing possibilities of BGLOs and their members. Editor Gregory S. Parks and the contributing authors provide historical context for the development of BGLOs, exploring their service activities as well as their relationships with other prominent African American institutions. The book examines BGLOs' responses to a number of contemporary issues, including non-black membership, homosexuality within BGLOs, and the perception of BGLOs as educated gangs. As illustrated by the organized response of BGLO members to the racial injustice they observed in Jena, Louisiana, these organizations still have a vital mission. Both internally and externally, BGLOs struggle to forge a relevant identity for the new century. Internally, these groups wrestle with many issues, including hazing, homophobia, petty intergroup competition, and the difficulty of bridging the divide between college and alumni members. Externally, BGLOs face the challenge of rededicating themselves to their communities and leading an aggressive campaign against modern forms of racism, sexism, and other types of fear-driven behavior. By embracing the history of these organizations and exploring their continuing viability and relevance, *Black Greek-Letter Organizations in the Twenty-first Century* demonstrates that BGLOs can create a positive and enduring future and that their most important work lies ahead.

kappa alpha psi recommendation letter: In Search of Sisterhood Paula J. Giddings, 2009-10-06 In Search of Sisterhood is the definitive history of the largest Black women's organization in the United States, and is filled with compelling, fascinating anecdotes told by the Delta Sigma Theta members themselves, illustrated with rare early photographs of the Delta women. This book contains the story of Delta Sigma Theta Sorority (DST), and details the increasing involvement of Black women in the political, social, and economic affairs of America. Founded at a time when liberal arts education was widely seen as either futile, dangerous, or impractical for Blacks—and especially Black women—DST is, in Giddings's words, a compelling reflection of Black women's aspirations for themselves and for society. Giddings notes that unlike other organizations with racial goals, Delta Sigma Theta was created to change and benefit individuals rather than society. As a sorority, it was formed to bring women together as sisters, but at the same time to address the divisive, often class-related issues confronting Black women in our society. There is, in Giddings's eyes, a tension between these goals that makes Delta Sigma Theta a fascinating microcosm of the struggles of Black women and their organizations. DST members have included Mary McLeod Bethune, Mary Church Terrell, Margaret Murray Washington, Shirley Chisholm, Barbara Jordan, and, on the cultural side, Leontyne Price, Lena Horne, Ruby Dee, Judith Jamison, and Roberta Flack.

kappa alpha psi recommendation letter: *Cases on Strategic Partnerships for Resilient Communities and Schools* Thomas, Ursula, 2020-04-24 As the importance of public education increases both globally and nationally, partnerships between schools and their community become key to each other's success. Examining the intersection of schools with their communities reveals the most effective strategies for supporting school populations that are traditionally marginalized or underserved in both rural and urban areas. Cases on Strategic Partnerships for Resilient Communities and Schools is an essential publication that uncovers the problems and pitfalls of creating strategic partnerships between schools and other members of the community in which the schools are situated that include for-profit businesses, not-for-profit entities, and private organizations. The book reveals that schools that are thriving effectively do not do so in isolation but

as vibrant members and centers of the communities in which they serve students and families. Moreover, it examines the difficulty in advocating for the schools and the leadership of the schools within these communities so that they can be better served. Highlighting a wide range of topics including leadership, community-based outreach, and school advocacy, this book is ideally designed for teachers, school administrators, principals, school boards and committees, non-profit administrators, educational advocates, leadership faculty, community engagement directors, community outreach personnel, entrepreneurs, researchers, academicians, and students.

kappa alpha psi recommendation letter: Contemporary Black Biography Pamela M. Kalte, 2005-08 Three times a year, this extraordinary reference series provides biographical profiles of important persons of African heritage. Whether they are personalities from the news, selected 20th-century notables, or individuals who are not yet household names, these are the men and women who are changing today's world and shaping the world of tomorrow. Each volume of Contemporary Black Biography contains at least 65 full-length biographies written in an easy-to-follow prose style, ranging from 2 to 4 pages each. Arranged alphabetically, entries are divided by subheads for quick scanning. Sections cover: Portrait (as available) Date and place of birth Educational background Address Career data Memberships Awards received Detailed prose essay Complete source citations Contemporary Black Biography is not limited to coverage of only notable black Americans, nor is it restricted by a manufactured definition of contemporary. Its multinational coverage spans this century and includes rising personalities as well as groundbreakers and newsmakers in a variety of fields. Contemporary Black Biography includes four cumulative indexes: Nationality: While concentrating on U.S. figures, this title also covers important personalities from other countries. Find them listed by nationality here. Occupation: Editors focus on biographies not typically found in other sources -- an eclectic blend of well-known and well-respected educators, physicians, politicians, activists, writers, clergy, military leaders, attorneys, as well as members of the more glamorous occupations such as athletes, fashion models and actors Subjects: Events, places and organizations are cross-referenced to each entry. Use this index to identify key black individuals associated with such topics as the NAACP, the Montgomery Bus Boycott, Motown Records, Medicine, the Olympics and hundreds of others Name: As the only series devoted exclusively to black biography, Contemporary Black Biography's name index is the first place to look when you need information on contemporary black figures Entries in the Contemporary Black Biography series can be accessed online through Gale Biographies on NEXIS. Each of the more than 100,000 profiles in Gale Biographies provides an intimate glimpse into the personal and professional life and times of the listee, including: birth/death date and place, family, education, career highlights and achievements, awards and honors, major works, sources of additional information and much more.
