kite runner pdf: *The Reluctant Fundamentalist* Mohsin Hamid, 2009-06-05 From the author of the award-winning *Moth Smoke* comes a perspective on love, prejudice, and the war on terror that has never been seen in North American literature. At a café table in Lahore, a bearded Pakistani man converses with a suspicious, and possibly armed, American stranger. As dusk deepens to night, he begins the tale that has brought them to this fateful meeting. . . Changez is living an immigrant's dream of America. At the top of his class at Princeton, he is snapped up by Underwood Samson, an elite firm that specializes in the "valuation" of companies ripe for acquisition. He thrives on the energy of New York and the intensity of his work, and his infatuation with regal Erica promises entrée into Manhattan society at the same exalted level once occupied by his own family back in Lahore. For a time, it seems as though nothing will stand in the way of Changez's meteoric rise to personal and professional success. But in the wake of September 11, he finds his position in his adopted city suddenly overturned, and his budding relationship with Erica eclipsed by the reawakened ghosts of her past. And Changez's own identity is in seismic shift as well, unearthing allegiances more fundamental than money, power, and perhaps even love. Elegant and compelling, Mohsin Hamid's second novel is a devastating exploration of our divided and yet ultimately indivisible world. "Excuse me, sir, but may I be of assistance? Ah, I see I have alarmed you. Do not be frightened by my beard: I am a lover of America. I noticed that you were looking for something; more than looking, in fact you seemed to be on a mission, and since I am both a native of this city and a speaker of your language, I thought I might offer you my services as a bridge." —from *The Reluctant Fundamentalist*

kite runner pdf: Things We Didn't See Coming Steven Amsterdam, 2010-02-02 Michael Williams, in Melbourne's *The Age*, wrote of this award-winning, dazzling debut collection, "By turns horrific and beautiful . . . Humanity at its most fractured and desolate . . . Often moving, frequently surprising, even blackly funny . . . *Things We Didn't See Coming* is terrific." This is just one of the many rave reviews that appeared on the Australian publication of these nine connected stories set in a not-too-distant dystopian future in a landscape at once utterly fantastic and disturbingly familiar. Richly imagined, dark, and darkly comic, the stories follow the narrator over three decades as he tries to survive in a world that is becoming increasingly savage as cataclysmic events unfold one after another. In the first story, "What We Know Now"—set in the eve of the millennium, when the world as we know it is still recognizable—we meet the then-nine-year-old narrator fleeing the city with his parents, just ahead of a Y2K breakdown. The remaining stories capture the

strange—sometimes heartbreaking, sometimes funny—circumstances he encounters in the no-longer-simple act of survival; trying to protect squatters against floods in a place where the rain never stops, being harassed (and possibly infected) by a man sick with a virulent flu, enduring a job interview with an unstable assessor who has access to all his thoughts, taking the gravely ill on adventure tours. But we see in each story that, despite the violence and brutality of his days, the narrator retains a hold on his essential humanity—and humor. *Things We Didn't See Coming* is haunting, restrained, and beautifully crafted—a stunning debut.

kite runner pdf: *The Kite Fighters* Linda Sue Park, 2010-06-07 A tale of two brothers in fifteenth-century Korea from the Newbery Medal winner and #1 New York Times–bestselling author of *A Long Walk to Water*. In this riveting novel, two brothers discover a shared passion for kites. Kee-sup can craft a kite unequalled in strength and beauty, but his younger brother, Young-sup, can fly a kite as if he controlled the wind itself. It's like the kite is part of him—the part that wants to fly. Their combined skills attract the notice of Korea's young king, who chooses Young-sup to fly the royal kite in the New Year kite-flying competition—an honor that is also an awesome responsibility. Although tradition decrees, and the boys' father insists, that the older brother represent the family, both brothers know that this time the family's honor is best left in Young-sup's hands. But how do you stand up to the way things have always been? This touching and suspenseful historical novel from the author of *A Single Shard*, filled with the authentic detail and flavor of traditional Korean kite fighting, brings a remarkable setting vividly to life. “The final contest . . . is riveting. Though the story is set in medieval times, the brothers have many of the same issues facing siblings today.” —School Library Journal (starred review) “Readers will enjoy watching these engaging characters find ways of overcoming webs of social and cultural constraints to achieve a common goal, and the author expresses the pleasures of creating and flying kites—‘A few sticks, a little paper, some string. And the wind. Kite magic’—with contagious enthusiasm.” —Kirkus Reviews

kite runner pdf: *Soldiers of God* Robert D. Kaplan, 2008-12-24 First time in paperback, with a new Introduction and final chapter World affairs expert and intrepid travel journalist Robert D. Kaplan braved the dangers of war-ravaged Afghanistan in the 1980s, living among the mujahidin—the “soldiers of god”—whose unwavering devotion to Islam fueled their mission to oust

the formidable Soviet invaders. In *Soldiers of God* we follow Kaplan's extraordinary journey and learn how the thwarted Soviet invasion gave rise to the ruthless Taliban and the defining international conflagration of the twenty-first century. Kaplan returns a decade later and brings to life a lawless frontier. What he reveals is astonishing: teeming refugee camps on the deeply contentious Pakistan-Afghanistan border; a war front that combines primitive fighters with the most technologically advanced weapons known to man; rigorous Islamic indoctrination academies; a land of minefields plagued by drought, fierce tribalism, insurmountable ethnic and religious divisions, an abysmal literacy rate, and legions of war orphans who seek stability in military brotherhood. Traveling alongside Islamic guerrilla fighters, sharing their food, observing their piety in the face of deprivation, and witnessing their determination, Kaplan offers a unique opportunity to increase our understanding of a people and a country that are at the center of world events.
