There are four, six-week studies in this series: MasterLife 1: The Disciple's Cross; MasterLife 2: The Disciple's Personality; MasterLife 3: The Disciple's Victory; and MasterLife 4: The Disciple's Mission. It is recommended that participants complete all four studies in sequence. However, any of the four can be studied independently as a stand-alone study as well. The Leader Guide provides step-by-step guidance for facilitating a small-group study using all four MasterLife studies. Also includes instructions for leading brief workshops or retreats after

each six-week study. Within the MasterLife process, participants will be encouraged to practice spending time with the Master; live in the Word; pray in faith; witness to the world; live victoriously; nurture new Christians; mature as a disciple; and learn other key disciplines of faith.

More than a Bible study on identity, The Call is a disciple-making resource that emphasizes practice and mentoring for group settings of multiple sizes to take disciples on a journey into what it means to be a disciple of Jesus. Like all the releases in the Disciples Path series, The Call uses teaching, questions, conversation, exercises, and individual study to facilitate transformational discipleship. masterlife discipleship pdf: Follow the Master Paul Barreca, 2017-02-26 Discipleship is fundamental to the Christian experience. Jesus called and trained his disciples and commissioned them to go and make disciples of others (Matthew 28:19-20). That command compels Christians today and is the primary task of the Church. This course is designed to help you fulfill Christ's call to -come and follow me- (Matthew 16:24). These 34 lessons provide the foundational beliefs and behaviors of a mature disciple. You can use this as a foundation for your own personal Bible study or better yet, study with another Christian or in a group of fellow believers to grow in your knowledge of the Bible and live as mature disciples of

Jesus.

masterlife discipleship pdf: *The Importance of a Perfect Living Master* Narinder Ravi Goyal, 2009-08 Everybody wants happiness, and hardly anyone wishes against peace. However, our approach in seeking this is usually wrong. People search for happiness in worldly things such as politics, economics, and society. Though these things may help us achieve happiness, it is only temporary. True peace can only be found within our body, and unless we seek it inside, we will always be unsuccessful in attaining permanent happiness. In order to find this peace, we must learn the secrets of spirituality. The secrets of spirituality can only be dispensed by a Perfect Master. The Master gives us spiritual knowledge not by mere words, but in an unspoken language. Since a Perfect Master is one who has been to the Real Home and has the ability to merge with the Nam (Divine Melody) at any time, he is the only one who can help us reunite with the Lord.
