

pearl harbor dbq

pearl harbor dbq is a critical topic for understanding one of the most significant events in American history. The attack on Pearl Harbor on December 7, 1941, was a pivotal moment that led the United States into World War II. This article provides a comprehensive overview of the Pearl Harbor DBQ, examining the causes, events, and consequences of the attack through detailed historical analysis and primary source evaluation. Students and researchers often rely on DBQ (Document-Based Question) essays to explore the complexities of historical events using multiple perspectives and evidence. This article will guide readers through the essential elements of the Pearl Harbor DBQ, including the geopolitical context, the surprise attack itself, and its aftermath. By analyzing the key documents and historical facts, the discussion will enhance understanding of how Pearl Harbor shaped U.S. foreign policy and military strategy. The following sections will offer an in-depth exploration of these aspects, providing a structured framework for academic inquiry and critical thinking.

- Background and Causes of Pearl Harbor
- The Attack on Pearl Harbor
- Immediate Impact and American Response
- Historical Interpretations and Controversies
- Using the Pearl Harbor DBQ for Academic Purposes

Background and Causes of Pearl Harbor

The background and causes of Pearl Harbor are essential for understanding the DBQ prompt and the broader historical context. Tensions between the United States and Japan had been escalating for years before the 1941 attack. Key factors contributing to this conflict included Japan's imperial ambitions in Asia, particularly in China and Southeast Asia, and the U.S.'s economic sanctions and embargoes aimed at curtailing Japanese expansion. These measures heightened diplomatic strains and set the stage for conflict.

Geopolitical Tensions in the Pacific

In the early 20th century, Japan sought to expand its influence throughout the Pacific, driven by resource needs and nationalist ideology. The U.S. viewed these moves as threats to its interests in the region, especially in the Philippines and Hawaii. Diplomatic negotiations between the two nations failed to resolve their differences, leading to an atmosphere of mistrust and hostility.

Economic Sanctions and Embargoes

One of the most significant causes of the Pearl Harbor attack was the series of economic sanctions imposed by the United States. These included restrictions on oil exports and other critical materials that Japan needed for its military operations. The embargoes aimed to pressure Japan into withdrawing from its conquests but instead contributed to Japan's decision to launch a preemptive strike.

Key Factors Leading to Conflict

- Japanese expansionism and militarism
- U.S. efforts to limit Japanese aggression
- Failed diplomatic negotiations
- Economic embargoes impacting Japan's war capability

The Attack on Pearl Harbor

The attack on Pearl Harbor was a surprise military strike by the Imperial Japanese Navy against the United States naval base in Hawaii. This event is central to the Pearl Harbor DBQ, as it represents the culmination of rising tensions and directly influenced the U.S. decision to enter World War II.

Details of the Attack

On the morning of December 7, 1941, Japanese forces launched a coordinated aerial assault on the naval base at Pearl Harbor. The attack targeted battleships, airfields, and other military installations. The operation involved over 350 aircraft and caused significant damage to the Pacific Fleet.

Casualties and Damage

The attack resulted in substantial losses for the United States, including the sinking or damaging of eight battleships, destruction of nearly 200 aircraft, and the deaths of more than 2,400 military personnel and civilians. The scale and surprise of the attack shocked the nation and underscored the vulnerability of American defenses.

Strategic Objectives of Japan

Japan aimed to neutralize the U.S. Pacific Fleet to secure its dominance in the region and prevent American interference in its expansionist plans. The attack was designed to be a swift, decisive blow that would buy time for Japan to consolidate its gains in Asia.

Immediate Impact and American Response

The immediate impact of Pearl Harbor was profound, galvanizing American public opinion and prompting a swift government response. This section of the Pearl Harbor DBQ explores how the United States mobilized for war and the political and military consequences of the attack.

Declaration of War and National Unity

Following the attack, President Franklin D. Roosevelt delivered his famous "Day of Infamy" speech to Congress, resulting in a formal declaration of war against Japan. This marked the official entry of the United States into World War II. The attack fostered unprecedented national unity and support for the war effort.

Military Mobilization and Strategy

The U.S. rapidly expanded its military forces, increased production of war materials, and launched campaigns in both the Pacific and European theaters. The attack on Pearl Harbor shifted American military strategy towards a focus on defeating Japan while maintaining commitments in Europe.

Effects on American Society

The attack also had significant social implications, including increased patriotism, changes in workforce demographics, and heightened suspicion of certain ethnic groups, particularly Japanese Americans. These societal shifts influenced domestic policy during the war years.

Historical Interpretations and Controversies

Scholars have debated various aspects of Pearl Harbor and its portrayal in DBQs. Understanding these interpretations is crucial for a nuanced analysis of the event and for constructing well-informed DBQ essays.

Debates Over Intelligence and Warning Signs

One major controversy centers on whether U.S. intelligence had prior knowledge of the attack and if more could have been done to prevent it. Some historians argue that warnings were ignored or underestimated, while others emphasize the difficulty of anticipating a surprise attack of this magnitude.

Assessment of Japanese Motives

Interpretations vary regarding Japan's rationale for the attack. While some view it as an act of unprovoked aggression, others consider it a strategic move forced by U.S. policies and embargoes. These differing viewpoints are reflected in primary documents and secondary analyses used in DBQs.

Impact on U.S. Foreign Policy

Pearl Harbor marked a turning point in American foreign policy, from isolationism to active global engagement. This shift is a key theme in DBQ discussions, highlighting how the event reshaped U.S. international relations and military doctrine.

Using the Pearl Harbor DBQ for Academic Purposes

The Pearl Harbor DBQ is a valuable tool for students to develop critical thinking and historical analysis skills. This section outlines effective strategies for approaching the DBQ and maximizing its educational benefits.

Analyzing Primary Sources

Success in the Pearl Harbor DBQ depends on careful examination of primary documents such as government reports, eyewitness accounts, and diplomatic correspondence. Understanding the context and perspective of these sources is essential for constructing coherent arguments.

Developing a Thesis and Supporting Arguments

Students should formulate clear, focused theses that address the prompt directly. Supporting arguments must be evidence-based, drawing on document analysis and relevant historical knowledge to provide a balanced perspective.

Organizing the Essay

A well-structured essay enhances clarity and effectiveness. Typical organization includes an introduction, body paragraphs aligned with key themes or documents, and a concise conclusion. Incorporating lists or bullet points can aid in summarizing complex information.

1. Review all provided documents carefully
2. Identify common themes and differing viewpoints
3. Create an outline based on the thesis and supporting evidence
4. Write clearly and concisely, citing documents appropriately
5. Revise to ensure coherence and adherence to the prompt

Frequently Asked Questions

What does DBQ stand for in the context of Pearl Harbor?

DBQ stands for Document-Based Question, a type of essay or exam question that requires analyzing and synthesizing information from provided historical documents about Pearl Harbor.

What was the main cause of the attack on Pearl Harbor according to DBQ documents?

According to DBQ documents, the main cause of the attack on Pearl Harbor was Japan's desire to neutralize the U.S. Pacific Fleet to secure its expansion in Southeast Asia and the Pacific.

How did the Pearl Harbor attack impact the United States' involvement in World War II?

The attack on Pearl Harbor led to the United States formally entering World War II by declaring war on Japan the following day, marking a turning point in the war.

What types of primary sources are commonly used in a Pearl Harbor DBQ?

Common primary sources include government documents, speeches by leaders, newspaper articles from 1941, military reports, and eyewitness accounts from the Pearl Harbor attack.

Why is analyzing multiple perspectives important in a Pearl Harbor DBQ?

Analyzing multiple perspectives helps understand the complexity of the event, including viewpoints from American, Japanese, and other international sources, providing a comprehensive understanding of the causes and consequences.

What role did U.S. intelligence play in the Pearl Harbor DBQ analysis?

U.S. intelligence failures and overlooked warnings are often discussed in DBQ analyses to explore why the attack was a surprise and what lessons were learned.

How does a Pearl Harbor DBQ help students understand historical causation?

A Pearl Harbor DBQ encourages students to evaluate different causes, such as political, economic, and military factors, to understand how multiple elements contributed to the attack.

What is a common thesis statement for a Pearl Harbor DBQ essay?

A common thesis might assert that the attack on Pearl Harbor was the result of escalating tensions between the U.S. and Japan, driven by conflicting interests in the Pacific, and that it directly led to America's entry into World War II.

Additional Resources

1. "At Dawn We Slept: The Untold Story of Pearl Harbor"

This classic work by Gordon W. Prange offers a comprehensive account of the events leading up to the attack on Pearl Harbor. Drawing from extensive interviews and archival research, the book provides insights into the political and military decisions that shaped the day. It is widely regarded as one of the most detailed and authoritative histories on the subject.

2. "Pearl Harbor: The Verdict of History"

Written by Gordon W. Prange, this book examines the controversial questions surrounding the attack, including intelligence failures and accountability. It presents a balanced view, analyzing evidence to determine who was responsible for the disaster. This work is essential for understanding the complex factors that contributed to Pearl Harbor.

3. "Day of Infamy"

Walter Lord's "Day of Infamy" is a gripping narrative that captures the horror and heroism of the attack on Pearl Harbor. Using firsthand accounts from survivors, the book brings the events to life with vivid detail. It focuses on the human experience during the attack and its immediate aftermath.

4. "Pearl Harbor: Warning and Decision"

Roberta Wohlstetter's influential book explores the intelligence warnings prior to Pearl Harbor and why they failed to prevent the attack. It delves into the complexities of military intelligence and decision-making processes. This analysis remains a key reference for studies on intelligence failures in history.

5. *"Infamy: Pearl Harbor and Its Aftermath"*

John Toland's work provides an in-depth look at both the attack itself and the consequences that followed for the United States and Japan. It combines detailed research with compelling storytelling, examining political, military, and social impacts. The book offers a broad perspective on the significance of Pearl Harbor.

6. *"The Attack on Pearl Harbor: Strategy, Combat, Myths, Deceptions"*

Craig L. Symonds investigates the strategic elements of the Pearl Harbor attack, addressing common myths and misconceptions. The book analyzes both Japanese and American perspectives, providing a nuanced understanding of the battle. It is valuable for readers interested in military strategy and historical accuracy.

7. *"Day of Deceit: The Truth About FDR and Pearl Harbor"*

Robert Stinnett presents a controversial thesis suggesting that President Franklin D. Roosevelt had prior knowledge of the attack and allowed it to happen. The book examines declassified documents and challenges mainstream accounts. It is often cited in debates about government transparency and historical interpretation.

8. *"Pearl Harbor: The Day of Infamy - An Illustrated History"*

This illustrated volume combines photographs, maps, and eyewitness accounts to provide a visual and narrative history of the Pearl Harbor attack. It is designed for readers seeking an accessible yet informative overview. The book is a useful resource for educators and students alike.

9. *"Day of Infamy: The Bombing of Pearl Harbor"*

Author Craig Nelson offers a detailed exploration of the events on December 7, 1941, focusing on the experiences of those who lived through the attack. The narrative emphasizes both the tactical aspects and the personal stories behind the historical moment. It is a compelling read for anyone interested in World War II history.

Chapter 7: Sample DBQ Essays and Analysis: Illustrative Examples and Commentary

Conclusion: Mastering DBQ Analysis and Applying the Skills to Other Historical Events

Pearl Harbor DBQ: A Comprehensive Guide to Historical Analysis

Introduction: Understanding the Pearl Harbor DBQ and its Significance

The attack on Pearl Harbor on December 7, 1941, remains one of the most pivotal events in 20th-century history. A Document-Based Question (DBQ) on this topic requires a nuanced understanding of the event's causes, consequences, and interpretations. This introduction sets the stage by defining the parameters of a typical Pearl Harbor DBQ and highlighting the skills it assesses. A successful response goes beyond simple summarization; it demonstrates critical thinking, source analysis, and persuasive writing. This involves carefully examining provided primary source documents – including government reports, eyewitness accounts, photographs, and maps – to build a coherent and well-supported argument. The challenge lies in navigating diverse perspectives and extracting meaningful insights from often contradictory evidence.

Chapter 1: Analyzing Primary Sources: Deciphering Documents, Images, and Artifacts

Analyzing primary sources forms the bedrock of any successful DBQ. This chapter delves into

effective strategies for deciphering diverse document types, including official government reports (like the Roberts Commission Report), personal diaries and letters, newspaper articles, and photographs. We will explore techniques for:

Identifying authorship and intended audience: Understanding the author's perspective and purpose is crucial for interpreting the message. Was the document intended for public consumption, or was it a private communication? Who was the intended audience, and how might that influence the content?

Uncovering implicit biases: Recognizing inherent biases in primary sources is essential. Consider the author's background, motivations, and potential political or ideological leanings.

Extracting relevant information: Focus on extracting information directly pertinent to the DBQ prompt. Avoid getting bogged down in unnecessary details.

Corroborating and contrasting sources: Compare and contrast different sources to identify inconsistencies and build a comprehensive understanding of the event.

Chapter 2: Identifying Bias and Perspective: Uncovering Underlying Motives and Interpretations

This chapter emphasizes the critical skill of identifying bias and perspective in historical sources. Pearl Harbor's interpretation is highly contested, with varying perspectives on responsibility, motivations, and consequences. This section examines different perspectives, including:

The Japanese perspective: Exploring Japanese justifications for the attack, considering their strategic goals and perceived threats.

The American perspective: Analyzing the American reaction to the attack, including initial shock, anger, and the subsequent declaration of war.

The Hawaiian perspective: Examining the experiences of the people of Hawaii during and after the attack.

Contemporary vs. retrospective interpretations: Contrasting immediate reactions and accounts with later analyses and historical scholarship. How have interpretations of the event shifted over time?

Chapter 3: Constructing a Thesis Statement: Crafting a Focused and Arguable Claim

A strong thesis statement is the cornerstone of a successful DBQ. This chapter guides you in crafting a clear, concise, and arguable thesis statement directly responding to the DBQ prompt. We'll explore how to:

Identify the key question: Understanding the specific question the DBQ asks is the first step.

Formulate an arguable claim: Your thesis should present a specific and defensible argument, not a simple statement of fact.

Develop a roadmap: The thesis should briefly outline the main points supporting your argument.

Chapter 4: Developing Supporting Arguments: Using Evidence Effectively

This chapter focuses on effectively integrating primary source evidence to support the thesis. We'll examine techniques for:

Selecting relevant evidence: Choosing evidence directly supporting your arguments, avoiding irrelevant details.

Quoting and paraphrasing effectively: Properly quoting and citing primary sources, integrating them seamlessly into your writing.

Analyzing the evidence: Explain how the evidence supports your arguments, going beyond simply stating the facts.

Chapter 5: Structuring Your Essay: Organizing Information for Clarity and Impact

A well-structured essay is crucial for conveying your arguments effectively. This chapter provides a framework for organizing your DBQ essay, including:

Introduction: Presenting the thesis statement and outlining the main points.

Body paragraphs: Developing each supporting argument with evidence and analysis.

Conclusion: Summarizing arguments and reiterating the thesis in a new and insightful way.

Chapter 6: Writing a Persuasive Conclusion: Summarizing Arguments and Addressing Counterarguments

The conclusion provides the opportunity to leave a lasting impression. This chapter guides you in crafting a strong conclusion that effectively summarizes your arguments, addresses potential counterarguments, and offers a broader historical perspective.

Chapter 7: Sample DBQ Essays and Analysis: Illustrative Examples and Commentary

This chapter provides several sample DBQ essays on Pearl Harbor, accompanied by detailed commentary explaining their strengths and weaknesses. This allows for practical application of the strategies discussed throughout the book.

Conclusion: Mastering DBQ Analysis and Applying the Skills to Other Historical Events

This concluding section reinforces the skills learned, emphasizing the transferable nature of DBQ analysis to other historical contexts. It emphasizes the value of critical thinking, source analysis, and persuasive writing in academic settings and beyond.

FAQs

1. What is a DBQ? A DBQ (Document-Based Question) is an essay question that requires you to analyze a set of primary source documents to develop a historical argument.
2. Why is analyzing primary sources important? Primary sources provide firsthand accounts and evidence, allowing for a deeper understanding of historical events and interpretations.
3. How do I identify bias in a source? Consider the author's background, intended audience, and the purpose of the document.
4. How do I write a strong thesis statement? A strong thesis statement should be clear, concise, arguable, and directly address the DBQ prompt.
5. How do I effectively integrate evidence into my essay? Use quotes and paraphrases strategically, explaining how the evidence supports your arguments.
6. What is the best way to structure a DBQ essay? A DBQ essay typically includes an introduction, body paragraphs, and a conclusion, each serving a specific purpose.
7. How can I address counterarguments in my essay? Acknowledging and refuting counterarguments strengthens your overall argument.

8. What makes a good DBQ conclusion? A good conclusion summarizes key arguments, reiterates the thesis in a new way, and may offer broader historical implications.
9. How can I improve my DBQ writing skills? Practice writing DBQ essays, seek feedback from teachers or peers, and review sample essays and commentary.

pearl harbor dbq: I Survived the Bombing of Pearl Harbor, 1941 Lauren Tarshis, 2011 Visiting his favorite Hawaiian beach when Japanese forces suddenly attack Pearl Harbor, 11-year-old Danny Crane struggles through the smoke, destruction and chaos to make his way back home. By the author of Emma-Jean Lazarus Fell Out of a Tree. Simultaneous.

pearl harbor dbq: Pearl Harbor H. P. Willmott, Tohmatsu Haruo, W. Spencer Johnson, 2003 This eye-popping, large-size, and image-packed book about the infamous sneak attack that changed the course of history will keep readers fascinated. Through bold images previously unseen outside of Japan, and an authoritative, up-to-date text, the shocking event that was Pearl Harbor unfolds.

pearl harbor dbq: Pearl Harbor Homer N. Wallin, 2001-09 Pearl Harbor will long stand out in mens minds as an example of the results of basic unpreparedness of a peace loving nation, of highly efficient treacherous surprise attack and of the resulting unification of America into a single tidal wave of purpose to victory. Therefore, all will be interested in this unique narrative by Admiral Wallin. The Navy has long needed a succinct account of the salvage operations at Pearl Harbor that miraculously resurrected what appeared to be a forever shattered fleet. Admiral Wallin agreed to undertake the job. He was exactly the right man for it _ in talent, in perception, and in experience. He had served intimately with Admiral Nimitz and with Admiral Halsey in the South Pacific, has commanded three different Navy Yards, and was a highly successful Chief of the Bureau of Ships. On 7 December 1941 the then Captain Wallin was serving at Pearl Harbor. He witnessed the events of that shattering and unifying Day of Infamy. His mind began to race at high speeds at once on the problems and means of getting the broken fleet back into service for its giant task. Unless the United States regained control of the sea, even greater disaster loomed. Without victory at sea, tyranny soon would surely rule all Asia and Europe. In a matter of time it would surely rule the Americas. Captain Wallin salvaged most of the broken Pearl Harbor fleet that went on to figure prominently in the United States Navys victory. So the account he masterfully tells covers what he masterfully accomplished. The United States owes him an unpayable debt for this high service among many others in his long career.

pearl harbor dbq: A Discourse by Three Drunkards on Government Nakae Chomin, 1992-10-01 A Discourse by Three Drunkards on Government takes the form of a debate between a spokesman for Western ideals of democracy and progress, and an advocate for adherence to traditional samurai values. Their discussion is moderated by the imperturbable Master Nankai, who loves nothing more than to drink and argue politics. The fiction of the drinking bout allowed Chomin to debate freely topical political issues, in a discussion that offers an astute analysis of contemporary European politics and a prophetic vision of Japan's direction. This lucid and precise translation of a delightful work has been designated one of the UNESCO series of classics of world literature.

pearl harbor dbq: December 7, 1941 Gordon W. Prange, Donald M. Goldstein, Katherine V. Dillon, 2014-05-06 A minute-by-minute account of the morning that brought America into World War II, by the New York Times-bestselling authors of *At Dawn We Slept*. When dawn broke over Hawaii on December 7, 1941, no one suspected that America was only minutes from war. By nightfall, the naval base at Pearl Harbor was a smoldering ruin, and over 2,000 Americans lay dead. December 7, 1941 gives a detailed and immersive real-time account of that fateful morning. In or out of uniform, every witness responded differently when the first Japanese bombs began to fall. A chaplain fled his post and spent a week in hiding, while mess hall workers seized a machine gun and began returning fire. Some officers were taken unawares, while others responded valiantly, rallying their men to fight back and in some cases sacrificing their lives. Built around eyewitness accounts, this book provides an unprecedented glimpse of how it felt to be at Pearl Harbor on the day that would live in infamy.

pearl harbor dbq: At Dawn We Slept Gordon William Prange, Donald M. Goldstein, Katherine

V. Dillon, 1982 At 7:53 a.m., December 7, 1941, America's national consciousness and confidence were rocked as the first wave of Japanese warplanes took aim at the U.S. Naval fleet stationed at Pearl Harbor. As intense and absorbing as a suspense novel, *At Dawn We Slept* is the unparalleled and exhaustive account of the Japanese bombing of Pearl Harbor. It is widely regarded as the definitive assessment of the events surrounding one of the most daring and brilliant naval operations of all time. Through extensive research and interviews with American and Japanese leaders, Gordon W. Prange has written a remarkable historical account of the assault that-sixty years later-America cannot forget.

pearl harbor dbq: *I Survived the Japanese Tsunami, 2011 (I Survived #8)* Lauren Tarshis, 2013-08-27 The disaster felt around the world . . . Visiting his dad's hometown in Japan four months after his father's death would be hard enough for Ben. But one morning the pain turns to fear: first, a massive earthquake rocks the quiet coastal village, nearly toppling his uncle's house. Then the ocean waters rise and Ben and his family are swept away-and pulled apart-by a terrible tsunami. Now Ben is alone, stranded in a strange country a million miles from home. Can he fight hard enough to survive one of the most epic disasters of all time?

pearl harbor dbq: *Target* Michael Slackman, 1991-07-01 *Target: Pearl Harbor* takes a fresh look at the air raid that plunged America into World War II by scrutinizing the decisions and attitudes that prompted the attack and left the United States unprepared to mount a successful defense. The core of the book concerns the events of December 7, 1941, as seen through the eyes of participants, both American and Japanese, military and civilian. The author's use of contemporary documents and interviews with survivors has enabled him to present a vivid and evocative picture of that day.

pearl harbor dbq: *The Incas* Terence N. D'Altroy, 2014-05-27 *The Incas* is a captivating exploration of one of the greatest civilizations ever seen. Seamlessly drawing on history, archaeology, and ethnography, this thoroughly updated new edition integrates advances made in hundreds of new studies conducted over the last decade. • Written by one of the world's leading experts on Inca civilization • Covers Inca history, politics, economy, ideology, society, and military organization • Explores advances in research that include pre-imperial Inca society; the royal capital of Cuzco; the sacred landscape; royal estates; Machu Picchu; provincial relations; the khipu information-recording technology; languages, time frames, gender relations, effects on human biology, and daily life • Explicitly examines how the Inca world view and philosophy affected the character of the empire • Illustrated with over 90 maps, figures, and photographs

pearl harbor dbq: *Musui's Story* Katsu Kokichi, 2023-02-21 A series of picaresque adventures set against the backdrop of a Japan still closed off from the rest of the world, *Musui's Story* recounts the escapades of samurai Katsu Kokichi. As it depicts Katsu stealing, brawling, indulging in the pleasure quarters, and getting the better of authorities, it also provides a refreshing perspective on Japanese society, customs, economy, and human relationships. From childhood, Katsu was given to mischief. He ran away from home, once at thirteen, making his way as a beggar on the great trunk road between Edo and Kyoto, and again at twenty, posing as the emissary of a feudal lord. He eventually married and had children but never obtained official preferment and was forced to supplement a meager stipend by dealing in swords, selling protection to shopkeepers, and generally using his muscle and wits. Katsu's descriptions of loyalty and kindness, greed and deception, vanity and superstition offer an intimate view of daily life in nineteenth-century Japan unavailable in standard history books. *Musui's Story* will delight not only students of Japan's past but also general readers who will be entranced by Katsu's candor and boundless zest for life.

pearl harbor dbq: The League of Nations Ruth Henig, 2010-04-01 Ninety years ago, the League of Nations convened for the first time hoping to create a safeguard against destructive, world-wide war by settling disputes through diplomacy. This book looks at how the League was conceptualized and explores the multifaceted body that emerged. This new form for diplomacy was used in ensuing years to counter territorial ambitions and restrict armaments, as well as to discuss human rights and refugee issues. The League's failure to prevent World War II, however, would lead to its dissolution and the subsequent creation of the United Nations. As we face new forms of global crisis, this timely book asks if the UN's fate could be ascertained by reading the history of its predecessor.

pearl harbor dbq: Pearl Harbor Gordon W. Prange, Donald M. Goldstein, Katherine V. Dillon, 2014-05-06 The New York Times–bestselling authors of *Miracle at Midway* delve into the surprise attack on Pearl Harbor during WWII in “a superb work of history” (*Albuquerque Journal Magazine*). In the predawn hours of December 7, 1941, a Japanese carrier group sailed toward Hawaii. A few minutes before 8:00 a.m., they received the order to rain death on the American base at Pearl Harbor, sinking dozens of ships, destroying hundreds of airplanes, and taking the lives of over two thousand servicemen. The carnage lasted only two hours, but more than seventy years later, terrible questions remain unanswered. How did the Japanese slip past the American radar? Why were the Hawaiian defense forces so woefully underprepared? What, if anything, did American intelligence know before the first Japanese pilot shouted “Tora! Tora! Tora!”? In this incomparable volume, Pearl Harbor experts Gordon W. Prange, Donald M. Goldstein, and Katherine V. Dillon tackle dozens of thorny issues in an attempt to determine who was at fault for one of the most shocking military disasters in history.

pearl harbor dbq: *National Standards for History* National Center for History in the Schools (U.S.), Charlotte Antoinette Crabtree, Gary B. Nash, 1996 This sourcebook contains more than twelve hundred easy-to-follow and implement classroom activities created and tested by veteran

teachers from all over the country. The activities are arranged by grade level and are keyed to the revised National History Standards, so they can easily be matched to comparable state history standards. This volume offers teachers a treasury of ideas for bringing history alive in grades 5-12, carrying students far beyond their textbooks on active-learning voyages into the past while still meeting required learning content. It also incorporates the History Thinking Skills from the revised National History Standards as well as annotated lists of general and era-specific resources that will help teachers enrich their classes with CD-ROMs, audio-visual material, primary sources, art and music, and various print materials. Grades 5-12

pearl harbor dbq: Pearl Harbor Harry Albright, 1988

pearl harbor dbq: The Attack on Pearl Harbor John C. Davenport, 2009 Traces events leading up to and resulting from the December 7, 1941, Japanese attack on American battleships at Pearl Harbor, which brought the United States into World War II.

pearl harbor dbq: Patriots from the Barrio Dave Gutierrez, 2019 Named One of the 24 Best History Books of All Time by Book Riot The Inspiring True Story of a Segregated Unit Whose Exploits Underscore the Forgotten Latino Contribution to the Allied Victory in World War II As a child, Dave Gutierrez hung on every word his father recalled about his cousin Ramon, El Sancudo (the mosquito), and his service in World War II, where he earned a Silver Star, three Purple Hearts, and escaped from the Germans twice. Later, Dave decided to find out more about his father's cousin, and in the course of his research he discovered that Ramon Gutierrez was a member of Company E, 141st Infantry, a part of the 36th Texas Division that was comprised entirely of Mexican Americans--the only such unit in the entire U.S. Army. The division landed at Salerno, Italy, in 1943, among first American soldiers to set foot in Europe. In the ensuing months, Company E and the rest of the 36th would battle their way up the mountainous Italian peninsula against some of Nazi Germany's best troops. In addition to the merciless rain, mud, and jagged peaks, swift cold rivers crisscrossed the region, including the Rapido, where Company E would face its greatest challenge. In an infamous episode, the 36th Division was ordered to cross the Rapido despite reports that the opposite bank was heavily defended. In the ensuing debacle, the division was ripped apart, and Company E sustained appalling casualties. The company rebounded and made the storied landings at Anzio and ultimately invaded southern France for a final push into Germany. The men of Company E distinguished themselves as rugged fighters capable of warring amid the rubble of destroyed villages and in the devastated countryside. Based on extensive archival research and veteran and family accounts, *Patriots from the Barrio: The Story of Company E, 141st Infantry: The Only All Mexican American Army Unit in World War II* brings to life the soldiers whose service should never have gone unrecognized for so long. With its memorable personalities, stories of hope and immigration, and riveting battle scenes, this beautifully written book is a testament to the shared beliefs of all who have fought for the ideals of the American flag.

pearl harbor dbq: Japan - Change and Continuity Jeff Graham, Javed Maswood, Hideaki Miyajima, 2003-09-02 Japan is currently undergoing many interesting changes, which the Japanese government trumpets as fundamental reform, but which some observers suspect will turn out to be superficial, part of a long sequence of changes which have been much less far-reaching than at first anticipated. This book provides a survey of the many changes currently in progress in Japan, including political reform, economic deregulation and liberalisation, and reforms to environmental policy, science and technology, education, and immigration policy. The essays in this volume explore the reform process in Japan overall, and provides a thorough overview of major current developments in Japan.

pearl harbor dbq: A Boy at War Harry Mazer, 2012-06-26 They rowed hard, away from the battleships and the bombs. Water sprayed over them. The rowboat pitched one way and then the other. Then, before his eyes, the Arizona lifted up out of the water. That enormous battleship bounced up in the air like a rubber ball and split apart. Fire burst out of the ship. A geyser of water shot into the air and came crashing down. Adam was almost thrown out of the rowboat. He clung to the seat as it swung around. He saw blue skies and the glittering city. The boat swung back again,

and he saw black clouds, and the Arizona, his father's ship, sinking beneath the water. -- from *A Boy at War* He kept looking up, afraid the planes would come back. The sky was obscured by black smoke....It was all unreal: the battleships half sunk, the bullet holes in the boat, Davi and Martin in the water. December 7, 1941: On a quiet Sunday morning, while Adam and his friends are fishing near Honolulu, a surprise attack by Japanese bombers destroys the fleet at Pearl Harbor. Even as Adam struggles to survive the sudden chaos all around him, and as his friends endure the brunt of the attack, a greater concern hangs over his head: Adam's father, a navy lieutenant, was stationed on the USS Arizona when the bombs fell. During the subsequent days Adam -- not yet a man, but no longer a boy -- is caught up in the war as he desperately tries to make sense of what happened to his friends and to find news of his father. Harry Mazer, whose autobiographical novel, *The Last Mission*, brought the European side of World War II to vivid life, now turns to the Pacific theater and how the impact of war can alter young lives forever.

pearl harbor dbq: *Looking Like the Enemy* Mary Matsuda Gruenewald, 2005 In 1941, Mary Matsuda Gruenewald was a teenage girl who, like other Americans, reacted with horror to the bombing of Pearl Harbor. Yet soon she and her family were among 110,000 innocent people imprisoned by the U.S. government because of their Japanese ancestry. In this eloquent memoir, she describes both the day-to-day and the dramatic turning points of this profound injustice: what is like to face an indefinite sentence in crowded, primitive camps; the struggle for survival and dignity; and the strength gained from learning what she was capable of and could do to sustain her family. It is at once a coming-of-age story with interest for young readers, an engaging narrative on a topic still not widely known, and a timely warning for the present era of terrorism. Complete with period photos, the book also brings readers up to the present, including the author's celebration of the National Japanese American Memorial dedication in 2000.

pearl harbor dbq: *Thank God for the Atom Bomb, and Other Essays* Paul Fussell, 1990 This is not a book to promote tranquility, and readers in quest of peace of mind should look elsewhere, writes Paul Fussell in the foreword to this original, sharp, tart, and thoroughly engaging work. The celebrated author focuses his lethal wit on habitual euphemizers, artistically pretentious third-rate novelists, sexual puritans, and the Disneyfiers of life. He moves from the inflammatory title piece on the morality of dropping the bomb on Hiroshima to a hilarious disquisition on the naturist movement, to essays on the meaning of the Indy 500 race, on George Orwell, and on the shift in men's chivalric impulses toward their mothers. Fussell's frighteningly acute eye for the manners, mores, and cultural tastes of Americans (*The New York Times Book Review*) is abundantly evident in this entertaining dissection of the enemies of truth, beauty, and justice

pearl harbor dbq: *April Morning* Howard Fast, 2011-12-13 Howard Fast's bestselling coming-of-age novel about one boy's introduction to the horrors of war amid the brutal first battle of the American Revolution On April 19, 1775, musket shots ring out over Lexington, Massachusetts. As the sun rises over the battlefield, fifteen-year-old Adam Cooper stands among the outmatched patriots, facing a line of British troops. Determined to defend his home and prove his worth to his disapproving father, Cooper is about to embark on the most significant day of his life. The Battle of Lexington and Concord will be the starting point of the American Revolution—and when Cooper becomes a man. Sweeping in scope and masterful in execution, *April Morning* is a classic of American literature and an unforgettable story of one community's fateful struggle for freedom. This ebook features an illustrated biography of Howard Fast including rare photos from the author's estate.

pearl harbor dbq: *The GI Bill* Glenn Altschuler, Stuart Blumin, 2009-06-02 On rare occasions in American history, Congress enacts a measure so astute, so far-reaching, so revolutionary, it enters the language as a metaphor. The Marshall Plan comes to mind, as does the Civil Rights Act. But perhaps none resonates in the American imagination like the G.I. Bill. In a brilliant addition to Oxford's acclaimed *Pivotal Moments in American History* series, historians Glenn C. Altschuler and Stuart M. Blumin offer a compelling and often surprising account of the G.I. Bill and its sweeping and decisive impact on American life. Formally known as the Serviceman's Readjustment Act of

1944, it was far from an obvious, straightforward piece of legislation, but resulted from tense political maneuvering and complex negotiations. As Altschuler and Blumin show, an unlikely coalition emerged to shape and pass the bill, bringing together both New Deal Democrats and conservatives who had vehemently opposed Roosevelt's social-welfare agenda. For the first time in American history returning soldiers were not only supported, but enabled to pursue success--a revolution in America's policy towards its veterans. Once enacted, the G.I. Bill had far-reaching consequences. By providing job training, unemployment compensation, housing loans, and tuition assistance, it allowed millions of Americans to fulfill long-held dreams of social mobility, reshaping the national landscape. The huge influx of veterans and federal money transformed the modern university and the surge in single home ownership vastly expanded America's suburbs. Perhaps most important, as Peter Drucker noted, the G.I. Bill signaled the shift to the knowledge society. The authors highlight unusual or unexpected features of the law--its color blindness, the frankly sexist thinking behind it, and its consequent influence on race and gender relations. Not least important, Altschuler and Blumin illuminate its role in individual lives whose stories they weave into this thoughtful account. Written with insight and narrative verve by two leading historians, *The G.I. Bill* makes a major contribution to the scholarship of postwar America.

pearl harbor dbq: *The New Era of the 1920s* James S. Olson, Mariah Gumpert, 2017-10-12 This invaluable resource covers all aspects of 1920s political, artistic, popular, and economic culture in America, supporting the AP U.S. history curriculum through topical and biographical entries, primary documents, sample documents-based essay questions, and period-specific learning objectives. The 1920s, despite President Harding's return to normalcy, were a time of both great cultural and social advancement as well as various forms of oppression in the United States. Bookended in history by two world wars, this period saw the rise of tabloid journalism and mass media; the banning and reinstatement of alcohol; the advent of voting rights for women and Native Americans; movements such as the Red Scare, labor strikes, the Harlem Renaissance, and racial protests; and the global reorganization that occurred as the major powers fumbled their way through postwar foreign policy and the League of Nations. Almost no element of U.S. society was untouched. *The New Era of the 1920s: Key Themes and Documents* provides high school students taking the Advanced Placement (AP) U.S. history course and undergraduates taking a lower level American history survey course with an invaluable study guide and targeted test preparation material. Much more than just an AP test-taking study guide, this new title in ABC-CLIO's *Unlocking American History* series is a true reference source for the societal, political, and economic history of a specific period covered in the AP U.S. history course. Readers will also benefit from features designed for student exam preparation, such as a sample documents-based essay question and period-specific learning objectives that are in alignment with the 2014 AP U.S. History Curriculum Framework.

pearl harbor dbq: *Peterson's AP European History* Nathan Barber, 2006-01

pearl harbor dbq: *The Attack on Pearl Harbor* Michael Burgan, 2012-01-15 This volume provides comprehensive information on the bombing of Pearl Harbor in 1941 and the differing perspectives accompanying it.

pearl harbor dbq: *Political Debates Between Abraham Lincoln and Stephen A. Douglas in the Celebrated Campaign of 1858 in Illinois* Abraham Lincoln, 1895

pearl harbor dbq: *Desert Exile* Yoshiko Uchida, 2015-04-01 After the attack on Pearl Harbor, everything changed for Yoshiko Uchida. *Desert Exile* is her autobiographical account of life before and during World War II. The book does more than relate the day-to-day experience of living in stalls at the Tanforan Racetrack, the assembly center just south of San Francisco, and in the Topaz, Utah, internment camp. It tells the story of the courage and strength displayed by those who were interned. Replaces ISBN 9780295961903

pearl harbor dbq: *This Mighty Scourge* James M. McPherson, 2009-10-12 The author of the Pulitzer Prize-winning *Battle Cry of Freedom* and the New York Times bestsellers *Crossroads of Freedom* and *Tried by War*, among many other award-winning books, James M. McPherson is

America's preeminent Civil War historian. In this collection of provocative and illuminating essays, McPherson offers fresh insight into many of the enduring questions about one of the defining moments in our nation's history. McPherson sheds light on topics large and small, from the average soldier's avid love of newspapers to the postwar creation of the mystique of a Lost Cause in the South. Readers will find insightful pieces on such intriguing figures as Harriet Tubman, John Brown, Jesse James, and William Tecumseh Sherman, and on such vital issues as Confederate military strategy, the failure of peace negotiations to end the war, and the realities and myths of the Confederacy. This *Mighty Scourge* includes several never-before-published essays--pieces on General Robert E. Lee's goals in the Gettysburg campaign, on Lincoln and Grant in the Vicksburg campaign, and on Lincoln as Commander-in-Chief. All of the essays have been updated and revised to give the volume greater thematic coherence and continuity, so that it can be read in sequence as an interpretive history of the war and its meaning for America and the world. Combining the finest scholarship with luminous prose, and packed with new information and fresh ideas, this book brings together the most recent thinking by the nation's leading authority on the Civil War.

pearl harbor dbq: Long Day's Journey Into War Stanley Weintraub, 2001 An examination of world wide events on the day of December 7, 1941.

pearl harbor dbq: The New Pearl Harbor David Ray Griffin, 2007 Gathering stories from the American press, from the work of other researchers and the words of members of the Bush administration, David Ray Griffin brings together an account of the 9/11 tragedy and presents a case with so many unanswered questions over what happened on September 11 2001.

pearl harbor dbq: Pearl Harbor Susan Wels, 2001 Presents the real-life stories and tragedy of the Japanese attack on the United States' premier naval base.

pearl harbor dbq: All the Laws but One William H. Rehnquist, 2007-12-18 William H. Rehnquist, Chief Justice of the United States, provides an insightful and fascinating account of the history of civil liberties during wartime and illuminates the cases where presidents have suspended the law in the name of national security. A highly original account of the proper role of the Supreme Court, a role that makes most sense in times of war, but that has its attractions whenever the Court is embroiled in great social controversies. --The New Republic Abraham Lincoln, champion of freedom and the rights of man, suspended the writ of habeas corpus early in the Civil War--later in the war he also imposed limits upon freedom of speech and the press and demanded that political criminals be tried in military courts. During World War II, the government forced 100,000 U.S. residents of Japanese descent, including many citizens, into detainment camps. Through these and other incidents Chief Justice Rehnquist brilliantly probes the issues at stake in the balance between the national interest and personal freedoms. With *All the Laws but One* he significantly enlarges our understanding of how the Supreme Court has interpreted the Constitution during past periods of national crisis--and draws guidelines for how it should do so in the future.

pearl harbor dbq: The War On Our Freedoms Richard C Leone, Gregory Anrig, 2008-08-06 In each generation, for different reasons, America witnesses a tug of war between the instinct to suppress and the instinct for openness. Today, with the perception of a mortal threat from terrorists, the instinct to suppress is in the ascendancy. Part of the reason for this is the trauma that our country experienced on September 11, 2001, and part of the reason is that the people who are in charge of our government are inclined to use the suppression of information as a management strategy. Rather than waiting ten or fifteen years to point out what's wrong with the current rush to limit civil liberties in the name of national security, these essays by top thinkers, scholars, journalists, and historians lift the veil on what is happening and why the implications are dangerous and disturbing and ultimately destructive of American values and ideals. Without our even being aware, the judiciary is being undermined, the press is being intimidated, racial profiling is rampant, and our privacy is being invaded. The war on our freedoms is just as real as the war on terror -- and, in the end, just as dangerous.
