The Importance of a Principal Appreciation Poem

A principal appreciation poem is a powerful tool for recognizing the hard work and dedication of school principals. These leaders play a critical role in shaping the educational environment, fostering student success, and supporting teachers and staff. A poem dedicated to principals not only conveys gratitude but also highlights the personal and professional qualities that make them exceptional. Expressing appreciation through poetry creates a lasting emotional impact, enhancing morale and reinforcing the value of their leadership. This form of recognition can strengthen school community bonds and encourage continued excellence in school administration.

Recognizing Leadership and Dedication

Principals oversee complex operations, balancing administrative duties with the needs of students and staff. A principal appreciation poem acknowledges their commitment to creating a safe, inclusive, and motivating learning environment. It celebrates their leadership, decision-making skills, and ability to inspire others.

Enhancing School Culture

When principals receive recognition through poetry, it promotes a positive school culture. Celebrating their efforts helps reinforce respect and appreciation among teachers, students, and parents. This collective acknowledgment fosters a supportive atmosphere conducive to educational success.

How to Write a Principal Appreciation Poem

Writing a principal appreciation poem involves thoughtful reflection and creativity. The goal is to craft a message that resonates with the principal and the school community. Following a structured approach helps ensure the poem is meaningful and well-received.

Identify Key Attributes and Contributions

Start by listing the principal's notable qualities and achievements. Consider traits such as leadership, empathy, resilience, and vision. Reflect on specific examples where the principal made a difference in the school or individual lives.

Choose a Poetic Style

Select a poetic form that suits the tone of your message. Options include rhymed verses, free verse, acrostics, or haikus. A rhymed format often adds rhythm and memorability, while free verse allows for more expressive freedom.

Use Vivid and Positive Language

Incorporate descriptive words that evoke admiration and gratitude. Use metaphors or similes to illustrate the principal's impact. Maintain an optimistic tone that reflects respect and appreciation.

Organize Your Poem

Structure the poem with a clear beginning, middle, and end. Begin by introducing the principal's role, then highlight achievements and qualities, and conclude with a message of thanks or well-wishes.

Review and Edit

Revise the poem for clarity, flow, and emotional impact. Ensure the language is appropriate for the audience and purpose. Reading the poem aloud can help identify areas for improvement.

Examples of Principal Appreciation Poems

Providing examples can inspire and guide those writing their own principal appreciation poems. Here are a few sample verses that demonstrate different styles and approaches.

Example 1: Rhymed Verse

In halls where knowledge brightly gleams,
You lead us onward toward our dreams.
With steady heart and guiding hand,
You help us all to proudly stand.
For every challenge that you face,
You meet with courage, strength, and grace.
Dear Principal, we thank you true,
For all the wonderful things you do.

Example 2: Free Verse

You are the beacon in our school,
illuminating paths with patience and care.
Your vision shapes the future,
your kindness builds community.
Through every trial, you stand firm,
leading with unwavering strength.
For your dedication, we offer gratitude,
today and every day.

Example 3: Acrostic Poem

Passionate about every student's success,
Resilient leader through trials and stress.

Inspiring teachers and learners each day,

Nurturing growth in every way.

Committed to excellence and care,

Imagining futures bright and fair.

Principal, your guidance is pure gold,

All our thanks are yours to hold.

Lead on, with heart both brave and bold.

Themes to Include in Your Poem

Selecting relevant themes enriches a principal appreciation poem. Themes should reflect the principal's role, values, and contributions to the school community.

- **Leadership and Guidance:** Emphasize the principal's role as a leader who directs and supports the school.
- **Dedication and Hard Work:** Highlight the effort and commitment invested in daily responsibilities.
- **Inspiration and Motivation:** Focus on how the principal encourages students and staff to excel.
- **Community Building:** Address the principal's role in fostering a positive, inclusive school environment.
- **Vision and Innovation:** Celebrate the principal's forward-thinking approach to education.
- **Empathy and Support:** Recognize the compassion shown towards students and staff members.

Presenting Your Principal Appreciation Poem

The presentation of a principal appreciation poem can enhance its impact and show genuine respect. Thoughtful delivery demonstrates care and recognition beyond the written words.

Choosing the Right Occasion

Select a meaningful event such as Principal's Day, staff meetings, school assemblies, or retirement

celebrations to present the poem. These occasions provide a formal setting that honors the principal appropriately.

Methods of Presentation

Several methods can be used to share the poem effectively:

- **Reading Aloud:** Deliver the poem during an event to engage the audience and create a shared moment of appreciation.
- **Printed Cards or Booklets:** Present the poem in a beautifully designed card or booklet for a lasting keepsake.
- **Classroom or School Displays:** Display the poem on bulletin boards or in common areas to publicly acknowledge the principal's contributions.
- **Digital Presentations:** Incorporate the poem into a video or slideshow highlighting the principal's achievements.

Involving the School Community

Encourage students, teachers, and staff to contribute lines or messages to the poem or to participate in the presentation. Collective involvement enhances the poem's significance and strengthens community bonds.

Principal Appreciation Poem: A Guide to Crafting Meaningful Verse

Introduction: The Importance of Recognizing Principals & the Power of Poetry

Principals are the unsung heroes of our educational systems. They navigate complex challenges, advocate for their staff and students, and tirelessly work to foster a positive and productive learning environment. Often, their contributions go unnoticed or underappreciated. A heartfelt principal appreciation poem offers a unique and powerful way to express gratitude for their dedication and hard work. Poetry, unlike a simple thank-you note, allows for a deeper level of emotional connection. It provides a platform to express specific memories, highlight individual qualities, and convey the profound impact the principal has had on the school community. This guide will equip you with the skills and knowledge to craft a truly meaningful and memorable poem. It's not about perfect rhyming or flawless meter; it's about expressing genuine appreciation from the heart.

Chapter 1: Understanding Your Principal – Identifying Key Qualities and Achievements

Before putting pen to paper (or fingers to keyboard), take some time to reflect on your principal's strengths and accomplishments. What specific qualities do you admire? What instances stand out as examples of their leadership, dedication, or compassion? Consider these key areas:

Leadership Style: Is the principal a collaborative leader, a visionary, a decisive problem-solver? Note specific examples that illustrate their leadership style. Did they successfully navigate a crisis? Did they champion a particular initiative that benefited the school?

Relationship with Students and Staff: How does the principal interact with students and staff? Are they approachable, supportive, and fair? Do they foster a positive and inclusive school culture? Recall specific interactions that demonstrate their positive influence.

Academic Achievements: Have there been significant improvements in test scores, graduation rates, or other academic metrics under the principal's leadership? These achievements can be woven into the poem to highlight their success.

Community Involvement: Does the principal actively engage with the school's community? Do they build strong relationships with parents, local businesses, or other organizations? Highlight their commitment to fostering partnerships.

Personal Qualities: What are the principal's most endearing personal qualities? Are they kind, compassionate, humorous, determined, or insightful? These qualities can add a personal touch to your poem.

Chapter 2: Crafting Your Poem – Structure, Rhyme, Meter, and Tone

Choosing a poetic form depends on your comfort level and the desired effect. You don't need to be a master poet to write a meaningful poem. Simple forms like free verse (unrhymed lines with varied lengths) are accessible and allow for a natural flow of thought. Other options include:

Acrostic Poems: Where the first letter of each line spells out a word (like the principal's name or a key word like "Leader").

Haiku: A three-line poem with a 5-7-5 syllable structure.

Limerick: A five-line poem with a specific rhyming scheme (AABBA).

Sonnet: A 14-line poem with a specific rhyme scheme and meter (iambic pentameter).

Regardless of the form you choose, maintain a consistent tone. A heartfelt and sincere tone is most effective. Avoid overly formal or overly sentimental language. Strive for authenticity.

Chapter 3: Choosing the Right Words – Powerful Vocabulary and Imagery

Use evocative language and imagery to paint a vivid picture of your principal and their impact. Instead of simply saying "the principal is kind," describe a specific instance that illustrates their kindness. For example, "Her smile, a sunrise, chased away the gloom." Strong verbs and concrete nouns enhance the poem's impact. Avoid clichés and strive for originality. Use a thesaurus to find synonyms that better capture your intended meaning.

Chapter 4: Adding Personal Touches – Incorporating Anecdotes and Specific Memories

Personal anecdotes make the poem unique and memorable. Recall specific incidents that showcase the principal's character and actions. Did they offer support during a difficult time? Did they celebrate a student's achievement? These personal touches create a powerful emotional connection. Remember to focus on positive experiences.

Chapter 5: Reviewing and Refining Your Poem – Editing for Clarity and Impact

Once you've completed a draft, take time to review and revise. Read it aloud to identify awkward phrasing or unclear wording. Ask a trusted friend or colleague to read it and provide feedback. Ensure the poem flows smoothly and conveys your message effectively. Pay attention to punctuation and grammar. A well-edited poem demonstrates respect for the recipient and the occasion.

Chapter 6: Presentation and Delivery – Making Your Poem Memorable

Consider the presentation of your poem. A handwritten poem on quality paper adds a personal touch. You might also create a digital version with images or a personalized design. When delivering the poem, speak clearly and with sincerity. Maintain eye contact with the principal and speak with emotion. A well-delivered poem enhances the overall impact.

Chapter 7: Alternative Forms of Appreciation – Beyond the Poem

While a poem is a wonderful expression of appreciation, consider other ways to show your gratitude. This could include a collaborative card signed by students and staff, a small gift, or a public acknowledgment during a school event. Combining the poem with other expressions of appreciation creates a powerful and comprehensive tribute.

Conclusion: The Lasting Impact of a Well-Crafted Appreciation

A well-crafted principal appreciation poem can leave a lasting impact. It's a tangible expression of gratitude that the principal can cherish for years to come. Beyond the words themselves, the poem represents the collective appreciation of the school community and the recognition of the principal's significant contributions. It's a testament to their dedication, hard work, and positive influence on the lives of students and staff alike.

FAQs:

1. What if I'm not a good writer? Don't worry! Focus on expressing your genuine appreciation. Simplicity and sincerity are more important than perfect rhyme or meter.
2. How long should the poem be? There's no set length. Make it as long as necessary to convey your message effectively.
3. What if my principal is retiring? Adapt the poem to reflect their retirement and celebrate their years of service.
4. Can I use humor in my poem? Yes, if it's appropriate and reflects your principal's personality.
5. How do I present the poem? You can handwrite it, type it, or even create a digital presentation.
6. Should I read the poem aloud? Reading it aloud adds a personal touch and allows for emotional delivery.
7. What if I'm a student writing the poem? Focus on your personal experiences and the impact the principal has had on you.
8. Can I collaborate with others on the poem? Absolutely! A collaborative poem can represent the whole school community.
9. What if I'm unsure about what to write? Brainstorm ideas with colleagues or students. Start with specific memories and let your feelings guide you.

principal appreciation poem: Teaching with Heart Sam M. Intrator, Megan Scribner, 2014-05-19 Each and every day teachers show up in their classrooms with a relentless sense of optimism. Despite the complicated challenges of schools, they come to and remain in the profession inspired by a conviction that through education they can move individuals and society to a more promising future. In *Teaching with Heart: Poetry that Speaks to the Courage to Teach* a diverse group of ninety teachers describe the complex of emotions and experiences of the teaching life – joy, outrage, heartbreak, hope, commitment and dedication. Each heartfelt commentary is paired with a cherished poem selected by the teacher. The contributors represent a broad array of educators: K-12 teachers, principals, superintendents, college professors, as well as many non-traditional teachers. They range from first year teachers to mid-career veterans to those who have retired after decades in the classroom. They come from inner-city, suburban, charter and private schools. The teachers identified an eclectic collection of poems and poets from Emily Dickinson, to Richard Wright, to Mary Oliver to the rapper Tupac Shakur. It is a book by teachers and for all who teach. The book also includes a poignant Foreword by Parker J. Palmer (*The Courage to Teach*), a stirring Introduction by Taylor Mali (*What Teachers Make*), and a moving Afterword by Sarah Brown Wessling (*Teaching Channel*). Where *Teaching with Fire* honored and celebrated the work of teachers; *Teaching with Heart* salutes the tenacious and relentless optimism of teachers and their belief that despite the many challenges and obstacles of the teaching life, much is possible.

principal appreciation poem: Teaching with Fire Sam M. Intrator, Megan Scribner, 2003-10-10 Reclaim Your Fire *Teaching with Fire* is a glorious collection of the poetry that has restored the faith of teachers in the highest, most transcendent values of their work with children....Those who want us to believe that teaching is a technocratic and robotic skill devoid of art or joy or beauty need to read this powerful collection. So, for that matter, do we all. ?Jonathan Kozol, author of *Amazing Grace* and *Savage Inequalities* When reasoned argument fails, poetry helps us make sense of life. A few well-chosen images, the spinning together of words creates a way of seeing where we came from and lights up possibilities for where we might be going....Dip in, read, and ponder; share with others. It's inspiration in the very best sense. ?Deborah Meier, co-principal of The Mission Hill School, Boston and founder of a network of schools in East Harlem, New York In the Confucian tradition it is said that the mark of a golden era is that children are the most important members of the society and teaching is the most revered profession. Our journey to that ideal may be a long one, but it is books like this that will sustain us - for who are we all at our best save teachers, and who matters more to us than the children? ?Peter M. Senge, founding chair, SoL (Society for Organizational Learning) and author of *The Fifth Discipline* Those of us who care about the young and their education must find ways to remember what teaching and learning are really about. We must find ways to keep our hearts alive as we serve our students. Poetry has the power to keep us vital and focused on what really matters in life and in schooling. *Teaching with Fire* is a wonderful collection of eighty-eight poems from such well-loved poets as Walt Whitman, Langston Hughes, Billy Collins, Emily Dickinson, and Pablo Neruda. Each of these evocative poems is accompanied by a brief story from a teacher explaining the significance of the poem in his or her life's work. This beautiful book also includes an essay that describes how poetry can be used to grow both personally and professionally. *Teaching With Fire* was written in partnership with the Center for Teacher Formation and the Bill & Melinda Gates Foundation. Royalties from this book will be used to fund scholarship opportunities for teachers to grow and learn.

principal appreciation poem: *Oh, the Places You'll Go!* Dr. Seuss, 2013-09-24 Dr. Seuss's wonderfully wise *Oh, the Places You'll Go!* celebrates all of our special milestones—from graduations to birthdays and beyond! "[A] book that has proved to be popular for graduates of all ages since it was first published."—The New York Times From soaring to high heights and seeing great sights to being left in a lurch on a prickly perch, Dr. Seuss addresses life's ups and downs with his trademark humorous verse and whimsical illustrations. The inspiring and timeless message encourages readers to find the success that lies within, no matter what challenges they face. A perennial favorite for anyone starting a new phase in their life!

principal appreciation poem: *Poems of Gratitude* Emily Fragos, 2017-09-12 *Poems of Gratitude* is a unique anthology of poetry from around the world and through the ages celebrating thanksgiving in its many secular and spiritual forms. For centuries, poets in all cultures have offered eloquent thanks and praise for the people and things of this world. The voices collected here range from Sappho, Horace, and Rumi to Shakespeare and Milton, from Wordsworth, Rilke, Yeats, Rossetti, and Dickinson to Czesław Miłosz, Langston Hughes, Yehuda Amichai, Anne Sexton, W. S. Merwin, Maya Angelou, and many more. Such beloved favorites as Gerard Manley Hopkins's "Pied Beauty," Robert Frost's "Nothing Gold Can Stay," Constantine Cavafy's "Ithaka," and Adam Zagajewski's "Try to Praise the Mutilated World," mingle with classics from China and Japan, and with traditional Navajo, Aztec, Inuit, and Iroquois poems. Devotional lyrics drawn from the major religious traditions of the world find a place here alongside poetic tributes to autumn and the harvest season that draw attention to nature's bounty and poignant beauty as winter approaches. The result is a splendidly varied literary feast that honors and affirms the joy in our lives while acknowledging the sorrows and losses that give that joy its keenness.

principal appreciation poem: *Heart of a Teacher* Paula J. Fox, 2010-06-01 *The Heart of a Teacher* is a celebration of thanks to the teachers of the world. *The Heart of a Teacher* is filled with inspirational stories and poems that reflect the hearts of teachers and their commitment to making a difference in each life they touch. Mac Anderson explains why he chose to publish this book: Part of my intention in publishing our gift book for educators, *Heart of a Teacher*, was to honor the teachers who had made a difference in my life. Ms. Bridges, who taught me in the 4th grade, was amazing! She made learning so much fun and made all of us feel as though we could do anything we wanted to do. Years later, I still remember the impact she made on me as a young child.

principal appreciation poem: Trout Fishing in America Richard Brautigan, 2010-01-19 A book "that has very little to do with trout fishing and a lot to do with the lamenting of a passing pastoral America . . . an instant cult classic" (Financial Times). Richard Brautigan was a literary idol of the 1960s and '70s who came of age during the heyday of Haight-Ashbury and whose comic genius and iconoclastic vision of American life caught the imaginations of young people everywhere. Called "the last of the Beats," his early books became required reading for the hip generation, and on its publication *Trout Fishing in America* became an international bestseller. An indescribable romp, the novel is best summed up in one word: mayonnaise. This new edition features an introduction by poet Billy Collins, who first encountered Brautigan's work as a student in California. From the introduction: "'Trout Fishing in America' is a catchphrase that morphs throughout the book into a variety of conceptual and dramatic shapes. At one point it has a physical body that bears such a resemblance to that of Lord Byron that it is brought by ship from Missolonghi to England, in 1824, where it is autopsied. 'Trout Fishing in America' is also a slogan that sixth-graders enjoy writing on the backs of first-graders. . . . In one notable exhibition of the title's variability, 'Trout Fishing in America' turns into a gourmet with a taste for walnut catsup and has Maria Callas for a girlfriend. Through such ironic play, Brautigan destabilizes any conventional idea of a book as he begins to create a world where things seem unwilling to stay in their customary places."

principal appreciation poem: The Life and Death of Secondary Education for All Richard Pring, 2013-05-07 Is there life after death for secondary education? This book focuses upon the quality of learning. 'Reform', so called, too often begins with qualifications, examinations, institutional provision, paths of progression. All those are very important, but their value lies in the support they give to learners and their learning in its different forms. One needs to start with the aims of education and then with what it means to learn (practically, theoretically, morally) and with the very many different needs of the learners. That is what this book aims to do. In so doing, it will be both philosophical in analysis and empirical in example. So much is happening 'from down below' that goes unrecognised by policy makers. But innovations too often get hampered by government interventions, by a bureaucratic mentality and by failure to spread good practice. The general argument of the book, therefore, will be illustrated throughout with detailed references to practical developments in schools, colleges, the third sector, youth work, independent training providers and professional bodies – across several countries. The book builds on Education for All, which was based on 14-19 research into secondary education, this book transcends the particularities of England and Wales and digs more deeply into those issues which are at the heart of educational controversy, policy and practices and which survive the transience of political change and controversy. The issues (the aims of education, standards of performance, the consequent vision of learning, the role of teachers, progression from school to higher or further education and into employment, the provision of such education and training and the control of education) are by no means confined to the UK, or to this day and age. Pring identifies similar problems in other countries such as the USA, Germany and France – and indeed in the Greece of Plato and Aristotle and offers solutions with a comparative perspective. It is a critical time. Old patterns of education and its provision are less and less suitable for facing the twenty-first century. The patterns and modes of communication have changed radically in a few years and those changes are quickening in pace. The economic context has been transformed, affecting the skills and knowledge needed for employment. The social world of young people raises fresh demands, hopes and fears. A global recession has affected young people disproportionately making quality of life and self-fulfilment ever more difficult to attain. In addressing 'learning' and the 'learners' first and foremost, the book will argue for a wider vision of learning and a more varied pattern of provision. Old structures must give way to new.

principal appreciation poem: Self-Study Approaches and the Teacher-Inquirer Hanna Ezer, 2019-02-11 This book examines self-study methodologies and their relevance to professional growth among teachers. The book puts forward the following arguments: Self-study as a research approach involves basic research skills, therefore constituting an important step for non-professional inquirers aspiring to more complex research. Self-study is a powerful tool in support of professional growth among teachers. Self-study comprises a set of approaches, among them instructional situations case analysis, critical autobiography, and action research. The book offers some interesting perspectives

on the following issues: - The book focuses on the writer's experience as a teacher educator who has elicited and motivated self-studies among student teachers and teachers. - The book brings together three related self-study methodologies: instructional situations case analysis, critical autobiography, and action research. - The book offers a new perspective on implementing and analyzing instructional situation cases through the authentic case of teaching and the expected case of teaching, a perspective developed by the writer and implemented in her classes. - The book provides a fresh view of critical autobiography as a powerful tool teachers can use to examine their own practice and professional development. - The book introduces critical discourse analysis as a useful tool for researchers. This tool enables teacher-inquirers to reveal their 'sense of professional self' and their professional identity as it emerges in teaching cases they provide. - Teachers and researchers can easily apply the methodologies described in this book to their own teaching and research arenas.

principal appreciation poem: Encyclopedia of American Poetry: The Nineteenth Century Eric L. Haralson, 2014-01-21 With contributions from over 100 scholars, the Encyclopedia of American Poetry: The Nineteenth Century provides essays on the careers, works, and backgrounds of more than 100 nineteenth-century poets. It also provides entries on specialized categories of twentieth-century verse such as hymns, folk ballads, spirituals, Civil War songs, and Native American poetry. Besides presenting essential factual information, each entry amounts to an in-depth critical essay, and includes a bibliography that directs readers to other works by and about a particular poet.

principal appreciation poem: The Alvarez Generation William Wootten, 2020-11-30 This book is the biography of a taste in poetry and its consequences. During the 1950s and 1960s, a generation of poets appeared who would eschew the restrained manner of Movement poets such as Philip Larkin, a generation who would, in the words of the introduction to A. Alvarez's classic anthology *The New Poetry*, take poetry 'Beyond the Gentility Principle'. This was the generation of Thom Gunn, Geoffrey Hill, Ted Hughes, Sylvia Plath and Peter Porter. William Wootten explores what these five poets shared in common, their connections, critical reception, rivalries and differences, and locates what was new and valuable in their work. The Alvarez Generation is an important re-evaluation of a time when contemporary poetry and its criticism had a cultural weight it has now lost and when a 'new seriousness' was to become closely linked to questions of violence, psychic unbalance and, most controversially of all, suicide.

principal appreciation poem: The Patriot Poets Stephen J. Adams, 2018-11-30 Since before the Declaration of Independence, poets have shaped a collective imagination of nationhood at critical points in American history. In *The Patriot Poets* Stephen Adams considers major odes and progress poems that address America's destiny in the face of slavery, the Civil War, imperialist expansion, immigration, repeated financial boom and bust, gross social inequality, racial and gendered oppression, and the rise of the present-day corporate oligarchy. Adams elucidates how poets in the nineteenth and twentieth centuries addressed political crises from a position of patriotic idealism and how military interventions overseas in Cuba and in the Philippines increasingly caused poets to question the actions of those in power. He traces competing loyalties through major works of writers at both extremes of the political spectrum, from the radical Republican versus Confederate voices of the Civil War, through New Deal liberalism versus the lost-cause propaganda of the defeated South and the conservative isolationism of the 1930s, and after the Second World War, the renewed hope of Black leaders and the existential alienation of Allen Ginsberg's counter-culture. Blazing a new path of critical discourse, Adams questions why America, of all nations, has appeared to rule out politics as a subject fit for poetry. His answer draws connections between familiar touchstones of American poetry and significant yet neglected writing by Philip

Freneau, Sidney Lanier, Archibald MacLeish, William Vaughn Moody, Muriel Rukeyser, Genevieve Taggard, Allen Tate, Henry Timrod, Melvin B. Tolson, and others. An illuminating and pioneering work, *The Patriot Poets* provides a rich understanding of the ambivalent relationship American poets and poems have had with nation, genre, and the public.

principal appreciation poem: *These Fevered Days: Ten Pivotal Moments in the Making of Emily Dickinson* Martha Ackmann, 2020-02-25 A New York Times Book Review Editors' Choice, this engaging, insightful portrayal of Emily Dickinson sheds new light on one of American literature's most enigmatic figures. On August 3, 1845, young Emily Dickinson declared, "All things are ready" and with this resolute statement, her life as a poet began. Despite spending her days almost entirely "at home" (the occupation listed on her death certificate), Dickinson's interior world was extraordinary. She loved passionately, was hesitant about publication, embraced seclusion, and created 1,789 poems that she tucked into a dresser drawer. In *These Fevered Days*, Martha Ackmann unravels the mysteries of Dickinson's life through ten decisive episodes that distill her evolution as a poet. Ackmann follows Dickinson through her religious crisis while a student at Mount Holyoke, which prefigured her lifelong ambivalence toward organized religion and her deep, private spirituality. We see the poet through her exhilarating frenzy of composition, through which we come to understand her fiercely self-critical eye and her relationship with sister-in-law and first reader, Susan Dickinson. Contrary to her reputation as a recluse, Dickinson makes the startling decision to ask a famous editor for advice, writes anguished letters to an unidentified "Master," and keeps up a lifelong friendship with writer Helen Hunt Jackson. At the peak of her literary productivity, she is seized with despair in confronting possible blindness. Utilizing thousands of archival letters and poems as well as never-before-seen photos, *These Fevered Days* constructs a remarkable map of Emily Dickinson's inner life. Together, these ten days provide new insights into her wildly original poetry and render an "enjoyable and absorbing" (Scott Bradfield, *Washington Post*) portrait of American literature's most enigmatic figure.

principal appreciation poem: *The Virtuous Pagan in Middle English Literature* Cindy L. Vitto, 1989 For pious Christians of every age, the question of ultimate concern has been salvation: What is necessary to ensure the soul's eternal bliss? During the Middle Ages, within the Church itself, the guidelines were clear: baptism, reception of the sacraments, an attempt to put into practice the teachings of Christ. But a theological debate arose on the possibility of salvation for those outside the Church, who fell into two basic categories: those who had been offered the Christian faith but had refused it, & those who, for reasons of chronology or geography, lacked the opportunity to join the Church but lived as virtuously as possible. Two categories of these virtuous pagans who received special attention were the classical poets & philosophers of Greece & Rome, & the Old Testament patriarchs. From the standpoint of human reason, it seemed especially unfortunate that these two groups should be damned eternally. This study discusses the theological background of this issue; the Virtuous Pagan in legend & in Dante; St. Erkenwald's Harrowing of Hell; & *Piers Plowman*: Issues in Salvation & the Harrowing as Thematic Climax.
