Tara goes along for the ride, hoping that Kelly may have the answer to bridging the seemingly ever-growing gap in her marriage?-----Warnings: This title contains erotic situations, graphic language, sex, ménage à trois (MFF threesome), lesbian sex and some naughty daddy/daughter role play, too!-----EXCERPT: "Seeing you dancing out there with Kelly—you don't know how sexy you are, do you?" he asked, leaning over to me, his hand running up from my knee to my thigh. His breath was warm on my face, and I could smell the 7&7's he'd been drinking all night. My own head was still swimming with wine. "You two rubbing up against each other, seeing your red little dress riding up and up," he whispered, his hand pushing my dress up further as he sought higher ground on my leg. "You looked just like you do when you come, with your eyes half closed and your mouth open and your legs quivering." I moaned, tilting my face up to him, and then he was kissing me, his tongue forcing its way past my teeth, down my throat, as he pressed me into the door. "I wanted to fuck you right there on the dance floor," he growled against my neck, biting and sucking at my flesh. "I wanted to fuck you both." I gasped, his hands groping me in the dark, everywhere at once. My dress was pushed up to my waist now, his fingers rubbing fast and hard between my legs. We kissed, our mouths meshing together as he leaned over the gearshift to get to me. When he pulled my panties aside and plunged his fingers into me, I hissed, putting one foot up onto the dashboard to give him better access. He was trying to climb over onto me but there wasn't enough room—not in his little Roadster. When I whispered that fact to him, he grunted, pulling his hand away from me and moving to open his door. A moment later, he was opening mine, and I was still sitting there with my panties askew, my heels off, and my dress shoved up to my waist, struggling with the seatbelt. He leaned over me and popped the button, pulling me out of the car and crushing me to him, his tongue digging deep into my mouth. I clung to him, wrapping my arms around his neck, feeling his hands roaming over my ass, squeezing and lifting me, pressing my crotch to his. I could feel how hard he was through his trousers. Then he was turning me around, pressing me over the hood of the car, shoving my dress up higher on my waist. His hands moved over my ass, my thighs, and I heard his zipper and the felt his cock pressing against my panties. He shoved those aside, his fingers finding me again, moving in and out of my wetness—and I was wet, soaking wet, my panties moist with my heat. He didn't bother to take them off, he just replaced his fingers with his cock, shoving himself deep inside me with a growl. I moaned, pressing my cheek to the metal, the engine still ticking as he started to fuck me, my hands out in front of me, just letting him take me. I could see the Christmas lights of the neighbor's house across the street, a blurred red

and green glow as he rocked me against the Beemer's electric blue hood.

they're not really family... even if he's known Dawn since they were kids and his mum keeps on about them being "like brother and sister." But when Dawn discovers David's secret hidden in his parents' shed, things really begin to heat up. Using her new leverage, provocative Dawn makes it very clear what she wants—and David finds himself giving in to her appetite... and his own. He's just a guy, after all, and Dawn's teasing ways can't help but slowly break down the barrier between them until they both give in to their desires... But what are they going to do about the feelings that have developed between them in the meantime? NOTE: Previously titled Foreign Exchange, this is a slightly less naughty, but no less sexy re-telling--updated and redressed for your reading pleasure. EXCERPT: David? I woke up with a grunt, hearing my name being hissed from beside the bed. It was dark, but I could make out her outline in the moonlight coming through the window. She was on her hands and knees, crawling toward me. Dawn? I felt her find the bed with a thud. Ow. She whimpered. Christ! I reached for her, groping in the dark. My hand found her arm, helping her up into the bed. What are you doing? Ta, she said, thanking me. I could smell the alcohol on her now. It's a long way when you're legless. Shhhh! I looked toward my door. I was listening for my Mum or Dad but didn't hear them. C'mon, let's get you to bed. That's where I am. She crawled up against me in the dark and pressed me down, snuggling up against my bare chest. Hey, you sleep naked! When did you start that? Since I was fourteen, I whispered. Keep your voice down, Dawn. I am. She kissed my shoulder. You feel good. Okay. I tried to untangle her limbs from mine. You are pretty well lashed, and I think this is a bad idea. C'mon, let's go. Noooo! She slid her bare foot up the inside of my calf. She'd lost her heels somewhere, I noticed, but I could feel the skirt and blouse pressed against me, her body full and warm underneath, flushed from the alcohol. Don't make me go. I think you'd better. I tried to sit, but she was clinging to me too tightly. I'll scream, she whispered into my ear, her breath hot against my neck. You will not. I edged my way out from under her. I heard her intake of breath and knew she really meant to do it. What was wrong with her? Panicked, I rolled onto her, finding her mouth with my hand in the dark and pressing it there, hard. Button it! I hissed, feeling her wiggling and squirming underneath me. Her skirt was riding high up and I felt her bare thighs against mine, her skin like velvet. Unbutton it, she murmured when I moved my hand away from her mouth, her fingers working her blouse from top to bottom between us. Mother's eyes moved over the girl's body, the pink and white corset drawn tight, her blonde curls spilling over her shoulders, partially hiding Peep's rosy little nipples. "Sometimes I think you're just playing dumb." "No, Mother," Peep implored, shaking her head. "I penned them, I promise you." "Is that so?" Mother asked, standing again. Peep looked up Mother's long legs, encased in black fishnet stockings and garters, the dark triangle between her legs exposed, as it always was, for easy access. Mother had taken to wearing black since Father had crossed over, and her mood was ever changeable, but lately she seemed often cross and hard to please. Mother tapped her toe in front of Peep's knee, folding her arms over her ample breasts that were pushed up high in her black corset, but covered with the sheer, lace peignoir that she always

wore, unbuttoned to the floor. "Mother, please," Peep pleaded. "I will go tend them, if you let me." Mother walked over to the cabinet and the girl moaned, the sound caught halfway between regret and anticipation. "I think we need a little correction, don't you?" Mother's voice drifted over her shoulder as she chose a small cat o'nine tails from her collection. "Please," Peep pleaded again, her eyes downcast. "I'll be a good girl." "Yes," Mother murmured, coming to caress the her cheek with her soft hand. "You will." Mother reached behind the girl and began untying the pink satin ribbon that bound her. Peep sighed in relief, rolling her tired shoulders once her arms were free. She leaned forward onto her hands and knees as Mother began to untie her feet, but then the older woman stopped. "No... this is good," Mother said, tightening the sashes at the girl's ankles, chuckling. "Turn around, Little Bo Peep, who's lost her sheep, and doesn't know were to find them." Peep did as she was told, turning her face toward the wall on her hands and knees, using her hands to slowly work herself around. She felt Mother's hand caressing her ass, and she shivered, looking back over her shoulder at the older woman. Mother was squatting down behind her, beginning to drip the many straps of the cat o'nine tails over Peep's behind like a little leather waterfall. "Peep's little puss," Mother whispered, parting the dark blonde fuzz with her fingers to peer in at the pink treasure. "I love peeping at Peep's little puss." Mother giggled, wiggling her fingers through and finding the girl's clit. "Oh, Mother!" Peep moaned, lifting her bottom in the air as much as she could with her feet tied together at the ankles.

selenakitt pdf: Hussy Selena Kitt, 2013-08-31 The Eskimos may have over a hundred words for snow, but that doesn't even come close to how many words the English language has for "slut"—and Lindsey has been called them all. she's earned it—and she's proud of it. After all, you only live once, right? That is until Lindsey meets Lieutenant Zachary Davis, a man who refuses to treat her like the trash she believes she really is. But can Lindsey change her impulsive ways and learn to value herself the way the Zach does? Whatever the hell perfume she was wearing was intoxicating, and I dipped my nose into the swell of her cleavage where it was stronger. You smell great, I murmured against her neck.She giggled, and I winced. Note to self--don't make her giggle!Pheromones... The feel of her breath in my ear made my cock jump.What? I tilted my head to look at her.Never heard of pheromones? Just chemicals we give off...love scents. It's like an aphrodisiac. Careful, you could fall in love with me, she teased.You've got a love scent, all right, I agreed, kissing her, harder, digging for that tiny tongue again and finding it.She moaned against my mouth, responding to my thumbs rubbing over her hard nipples. They were pale pink and puffy. She had a true blonde's coloring, and I judged that Miss Clairol only gave her natural hues a shine, although I wouldn't know that for sure until I had her panties down. Her hand went for my crotch, but I grabbed her wrist, twisting her arm behind her and kissing her toward my room. Whether it was the beer or the cold, my dick wasn't responding quite fully yet, and

nothing killed things quicker than a girl who thought you couldn't get it up for her. No matter what you said, they made it all about them.

selenakitt pdf: The Sybian Club Selena Kitt, 2008-11 Tasha convinces her husband, Max, to buy her a Sybian, but he only agrees if she can come up with a business plan to pay for it. But Tasha has developed feelings for Ashley, and doesn't know how to tell her husband that she wants to add more to their sex life than just a new toy...-----Warnings: This title contains erotic situations, a menage a trois (MFF threesome), lesbian and anal sex and a marital aid that will put vibrators to shame!-----EXCERPT: "Our bodies are like fine tuned machines," Tasha said, picking up a remote and sitting next to her guest. "We need all sorts of revving up and tinkering with to get to our destination, you know what I mean?" Kim cleared her throat and couldn't help but smile. "Yeah, sure." "And it isn't always easy to be interested, when you're already tired, and you've spent all day picking up after the kids and cooking dinner..." Tasha went on, and Kim stared at her, nodding encouragement. "It isn't easy, especially when... well, you know most guys... I mean, some of them... the numbers on the clock don't even change by the time they're done, right?" Kim let out a sigh of relief. She knew Nicki must have told this woman everything. "I just need time, you know? Like... some build up..." Tasha nodded sympathetically. "Or... you need a ride on the Sybian." She started the video, and Kim sat, transfixed. They had tried all sorts of things, including watching porn together, to get her interested in sex again, and this was rather tame in comparison. But there was something about it... the look of sheer ecstasy on the woman's face! It made her feel weak and a little dizzy just watching. "Does it feel as good as it looks?" Kim asked, feeling a tingle between her legs. Tasha smiled. "Better. Ready to try it?" Kim was already toeing off her shoes and pulling her sweats and panties down over her hips, unmindful of stretch marks or her cesarean scar. Tasha didn't even raise an eyebrow when she stripped off her hoodie, too, unhooking her bra and letting her breasts, full and slightly pendulous from still nursing her six month old, swing free. She climbed up onto the machine completely nude, except for a pair of purple socks. "Can I have that one?" Kim asked, pointing to the life-like penis. Her eyes were bright, and whatever nervousness she'd been experiencing had been replaced by anticipation. Tasha fitted the insert onto the machine and squirted a little clear lubricant down the shaft. "These are the controls, like you saw in the video. This one is vibration, this one is rotation." Kim looked down at the box in her hand, suddenly doubtful that it could do any more than the hundred other sex toys they had tried over the years. Still, the look on the woman's face in the video kept coming back to her. What the hell? It's worth a shot. She positioned herself over the plastic cock, using the black box in front of the Sybian to steady herself as she slid down onto the slick length of it. "Once you get the hang of the controls, I can go, if you want me to," Tasha said. Kim flicked the switch marked "vibration," smiling at the sensation between her thighs. "Mmm... nice." Tasha sat down in the chair, smiling. "The good thing about the Sybian is that you don't really even need a lot of foreplay... it takes you right there."

selenakitt pdf: Heidi and the Kaiser Selena Kitt, 2009-12-22 Mousy little Heidi is a wanna-be designer who works as nothing more than a glorified go-fer for one of the largest and most well-known companies in the world of fashion. When she accidentally stains CEO Mr. Kaiser's pants, she gets two things she didn't expect—a spanking...and a job. Kaiser hires her as his assistant, and her "training" proves to be quite a test of surrender.-----Warning: This title contains erotic situations, graphic language, spanking, domination, submission, and an office romance hot enough to leave handprints!-----~*~*~2011 EPIC AWARD FINALIST~*~*~-----EXCERPT: Heidi took a deep breath, glancing around the office. I've never been anyone's secretary. He shook his head, smiling. Irrelevant. You have what I need. I... do? She met his eyes, her breath coming a little faster as she squirmed in her seat. His eyes were dark, moving over her, and she couldn't help remembering the incident in the bathroom. I need someone who can follow orders. He leaned back in his chair again and she could see the memory of yesterday in his eyes. Who would be willing to do whatever I asked.

You showed me yesterday that you are... quite willing. Heidi swallowed, pressing her damp palms to her shorts. I'm not sure I know what you mean? Yes, you do. His eyes were smiling. I compensate very well. You would be my assistant, answering my calls, handing my correspondence and taking care of my professional and personal needs during the day. Would you be interested in such an arrangement? It wasn't the promise of money or the poshness of his office, or even the fact that he was the head of one of the richest fashion companies in the world -- it was the way he looked at her, with nothing concealed or disguised. His eyes saw directly through her, and there was no smugness in the way it appeared as if he had her figured out, because he had. They both knew it, and there was only one answer she could give him. Yes. She squeezed her hands together, her legs, too. Sir. He gave her a nod. Good. I think we'll both be satisfied with the arrangement. Opening the top drawer of his desk, he withdrew a large white envelope and slid it across the blotter. Heidi didn't know if she should take it or not, so she kept her hands clasped, just looking from him to the envelope. This contains general information about Kaiser, which you have already, of course, since you are essentially already in my employ, he explained. There is also a contract and information about duties as well as your salary and benefits. She nodded, looking at his hand, the buffed, square nails, resting on the stark envelope. Her bottom tingled, remembering how red his palm had been after he spanked her. Shifting in her seat, she crossed one knee over the other, trying to make herself more comfortable with the yearning ache between her legs. If, for some reason, you read those over and change your mind... He nodded toward the envelope. You simply need to tell me, and you will consequently stay in your current position. I can't imagine why I would object. No. He smiled. I don't imagine you will. In spite of the apparent haste of my offer, I actually choose my assistants quite carefully. Standing, he leaned his palms on the desk blotter, his eyes moving down the front of her t-shirt, looking at her hands in her lap. Now, there is just the matter of your tardiness. Her heart leapt and she met his eyes, feeling faint. My... tardiness? Mr. Kaiser reached underneath the desk and Heidi heard the door behind her lock. The sound made her mouth go dry. One of the things that I cannot abide is lateness. He reached down and unbuckled his belt. She felt faint as she watched it slipping through the loops of his pants.

selenakitt pdf: *Unfolding* Selena Kitt, 2009-03-09 Charlie lives an average life in an ordinary home, and she isn't complaining. Jack is a good husband and they have beautiful children—but when she discovers her penchant for a secret taboo, she finds that it suddenly turns her sex life from a mundane distraction into a mind-blowing, transcendent experience. This is the story of a woman's exquisite unfolding, as her sexual discovery and yearning for something more pushes she and her man to the edge, testing boundaries and forcing her to surrender to something much deeper than herself.-----Warnings: This title contains erotic situations, a plethora of anal sex, elements of BDSM and a menage a trois (MFM threesome) with a very lucky bellboy.-----EXCERPT: When I came out of the bedroom, he was naked on the bed, a few pillows tucked behind his head. His eyes lit up when he saw me and he let out a low whistle. "Where's the KY?" he asked. I smiled, bringing the bag out from behind my back. I was more than ready. I tossed it toward him and he caught it, opening the Ziploc bags and fishing out the tubes. He threw one back at me. "For the bathroom. Leave it on the counter." I walked back to the bathroom, still just a little unsteady in the heels, peeking around the corner to put the KY next to the sink. When I turned back, Jack was pacing, tossing pillows around the room. He threw a bottle of KY next to the two pillows on the floor, one on each side of the bed. He put one on each night table. "What are you doing?" I put my hands on my hips and cocked my head at him. "Tactical maneuvers." He looked over at me with a grin. "Reinforcing my supply lines." I laughed, shaking my head. He sat on the bed, crooking his finger at me again, and with a sense of deja-vu, I came to stand between his thighs. His hands moved over my hips in the white cotton panties and then slid up to my breasts in the black lace bra, pushing my flesh up until it threatened to spill over the top. "Angel and slut." His breath was hot against my belly as he kissed me there, and I finally understood his choice in garments. His thumbs rolled over my nipples through the lace and I sighed, arching my back toward him. He licked them through the fabric, making fat circles around and around. Slipping my hand through his hair, I pulled him closer, moving forward and sitting on his

leg, rubbing my pussy over his thigh. I'd been wearing the panties less than five minutes and they were already damp. His cock was hard, brushing against the lace top of my thigh high as I ground my hips against him—the heat of it was incredible. I reached down and tugged on his shaft, rubbing my thumb over the tip, making him groan against my breasts with his face buried there. Slowly, I slid down his thigh, kneeling between his legs and looking up at him. His cock was pointing straight at my mouth, as if it knew just what it wanted, and I reached my tongue out for it, licking all around the tip, making it wet. Jack made a happy noise in his throat, looking down to see himself disappearing into my mouth. I loved sucking his cock, and I knew just what he liked, teasing and licking and even nibbling at first, just at the tip, until he started leaking pre-cum. Then I opened my mouth wide, taking him in as far as I could go, usually about halfway at first, working him deeper and deeper with every pass. I put my hands behind my back as I sucked him, crossing my arms at the wrists. It was my version of “see, no hands!” and he loved it, grabbing my hair, growling and thrusting, using my mouth and throat for his pleasure. There were times when I could, and did, do this for hours, in various positions, bringing him to a near-boiling point again and again, only to back off for a while, licking his thighs, his balls, his belly, and then starting all over.

Adjusting to life at university sure isn't as easy or fun as he thought it was going to be—his roommate likes the same girl he does, and it looks like she likes him, too; he's failing English for sure and the dragon-lady who teaches the class seems to have a personal vendetta against him; and his hockey coach has even gone so far as to bench him! When his parents hire him a tutor, he turns to this angel of mercy for help, but little does he realize that Mrs. Toni Franklin is going to complicate his life in ways he never could have foreseen...-----Warning: This title contains erotic situations, graphic language, sex, and a sex toy and masturbation scene that you have to read to believe!-----IF YOU LIKED BAUMGARTNER GENERATIONS: HENRY, you may want to have more fun with this family! A Baumgartner Christmas by Selena Kitt The Baumgartners Plus One by Selena Kitt Babysitting the Baumgartners by Selena Kitt A Baumgartner Reunion by Selena Kitt Baumgartner Generations: Janie by Selena Kitt Letters to the Baumgartners Meet the Baumgartners by Selena Kitt-----EXCERPT: “Toni,” he whispered, nudging her with his knee. “Shhh.” Her hand pressed against his thigh, squeezing. “Watch the movie.” He tried. He really did. But she didn't move her hand away. Instead she began inching it slowly upward and he held his breath, his eyes half-closed and glazed over. He didn't know how long it took for her to reach his crotch. Half an hour? An hour? It was an agonizingly slow progression, but he didn't dare move. On the screen, Brando and the girl had found a myriad of ways to have sex, only making things worse off-screen. Henry was so turned on he thought he just might come in his pants when he felt her long, red fingernails graze over his erection through his jeans. When he pressed his hips up toward her hand, he heard her swallow, her palm resting now against his zipper. Her face was turned toward the screen, as if the movie and whatever Brando was doing with a stick of butter was the most interesting thing she'd ever seen, but she was exploring the outline of his cock with her fingers in the dark. He wanted to touch her, too, but he didn't want to break the spell they were under, was too afraid she would stop, say no. He let out a soft cry when she rubbed her thumb over the head of his dick through the denim. She shifted in her seat, crossing and uncrossing her legs, and he could hear her breath coming faster, almost as fast as his. He let his knees fall further open, feeling her thigh brush his. Her sweet, bare leg. He glanced down and saw that her skirt was up, far up over her knees, up the long, slim expanse of her thigh. She was too sexy for words. His eyes searched for her hemline, but it just kept going up and up, the folds of her skirt finally tucked into the V of her crotch. It was then that he realized where her other hand was. The thought of her touching herself, right there next to him in the dark, made his cock swell in response. He slowly covered her hand, the one

cupping his erection, with his own. She whimpered when he did that and he saw her close her eyes as he rocked up against her, with her. Then she searched for and found his zipper. She inched it down, not even unsnapping his jeans, just sliding her hand into the opening to feel him through his boxers.

"Gaspingly funny and wonderfully inappropriate."—O, The Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent *Let's Pretend This Never Happened*, Lawson's long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives. selena kitt pdf: Someone Else's Ocean Kate Stewart, 2018-07-23 The first time I met Ian Kemp in the sparkling blue waters of St. Thomas, I was six years old and we shared a summer beneath the stars. The second time I met Ian Kemp, he was a shell of the boy I once knew. Turbulent and infuriating, he refused my friendship at every turn. Like me, he was a casualty of life's cruelty, but we were planets apart. We'd both sought refuge on the island, hoping to find our anchor. Instead, we found each other and managed to reclaim our stars...until we both got swept away.

A Baumgartner Christmas The Baumgartners Plus One Babysitting the Baumgartners A Baumgartner Reunion Meet the Baumgartners Baumgartner Generations: Henry Letters to the Baumgartners-----EXCERPT: Would it be wrong to tell you how much I want to kiss you? His eyes were silver in the moonlight, his breath full of sake. No, I whispered, putting my arms around his neck. It would be really wrong not to do it, though. You think? His lips met mine before I could think of a response, before I could think at all. He tasted like sake, too, but so did I. I wasn't sure it was the sake, though, that was sending the fire flowing through my veins as we kissed. I slipped a hand through his hair, all those dark curls, as his mouth slanted across mine

and our tongues began to explore. I forgot where we were, I forgot everything but the feel of his body against mine, my breasts pressed against his chest as he pulled me in closer. Janie, I want you, he whispered, kissing my neck, enveloping me in his arms. I could feel that—his cock hard through his trousers, pressed against my belly. Would it be wrong to take you home with me tonight? I shivered as he lavished kisses over my neck and shoulders, his breath hot, coming almost as fast as mine. I wanted to answer him, to tell him yes, but I was too afraid. What would happen then, I wondered? What would it be like, waking up with Josh but having to face Catherine in the morning? How was this going to work? Josh, I murmured as his hands moved down my back, cupping my ass, squeezing gently as his tongue made little circles over my collarbone. God, if he kept that up, I was going to be inviting him back to my place, and I didn't even want to think about the consequences of that, what Ronnie and TJ would say. You feel so good, he groaned, and before I knew it, we were kissing on a park bench, Josh pulling me into his lap. My dress was too tight to allow me to straddle him properly, so he pushed it up and grabbed my hips, crushing the red silk of my panties directly against the heat of his erection. I could feel it through his trousers, riding up and down as we rocked together. Oh god, I moaned softly when he broke off to stroke my breasts through my dress, kissing the swell of my cleavage. I could see the hunger in his eyes when he looked up at me in the glow of a street light. Please, Josh... He slipped a hand behind my neck, pulling my mouth down to his, kissing me breathless. When I slid my hand between us to feel the length of his cock through the thin material, he groaned...

selena kitt pdf: Letters to the Baumgartners Selena Kitt, 2011-12-05 Danielle Stuart is spending a year abroad studying in Venice, but while she loves the romance of the language and the beauty of country, she finds herself more and more confused by her growing feelings for a gondolier named Nico and her now ex-husband, Mason, who has shown up on her doorstep looking to reconcile. Finding herself torn between the two men, she reveals her dizzying dilemma, only to discover, thanks to the Baumgartner's insight and her own sense of sexual discovery, that she may not have to choose after all.-----WARNING: This title contains graphic language and mmf sex, including m/m and some anal sex.-----EXCERPT:"Not here," I whispered as Nico kissed me into a narrow alleyway, the cool brick biting my back, pressed hard against the wall. "Yes here," he insisted, and I cursed myself for wearing a skirt to school. March was flirting with April and the weather had been sunny and bordering on warm all day, prompting my choice of outfit. "No, no," I protested, but telling him no was impossible. He took when he wanted, when he wanted. I couldn't deny him, and even as my mind forbid him, my body responded, my hips thrusting to meet the hard press of his cock through his trousers, my mouth opening under his. "I can't wait," he murmured, his hand cupping my mound through my skirt. "I've been thinking about you all day. My cock has been hard for hours." "We could get caught," I whispered, eyes closed with pleasure as he rocked the heel of his palm against my pussy. It was still daylight and anyone passing by the alleyway could see us. "Arrested. What would your mother say?" "I don't care," he growled, yanking my skirt up to my waist, exposing the black flash of my panties underneath. "Nico!" I gasped when he went to his knees, unmindful of the suit he was wearing, burying his face between my legs. The truth was, I was already soaking wet—I'd been thinking about him all day too, about our date and where we would go to ease this ache. I had to sneak him into my flat past Caro Lucia. His mother guarded his place like Fort Knox. We had found places of course, the darkness our accomplice. We had christened the restroom at the Mood Café twice, once in the men's room, the second time in the women's. We'd made love in the gondola in the dark several times, tied to a post, nearly tipping it over once in a narrow canal with our fervor. We'd even done it like this, in dark alleys, cul-de-sacs, entryways to empty buildings. But we'd never dared to do it like this, in the daylight, in plain sight. I usually felt like a naughty teenager, sneaking around and hiding our lust, but this was beyond daring—it was dangerous. I loved it. "Lick it," I begged, sliding my leg up over his shoulder to give him better access. He nudged my panties aside and did just as he was told, his mouth working sweet, hot magic between my legs. My clit throbbed against his tongue, my nipples hardening under my blouse. I rubbed my own breasts, grazing them with my nails through the material, sending hot tingles down between my thighs.
