In the Bible we are told that the disciples once asked Jesus if there would be a warning sign prior to this destructive event. He said that there would indeed a sign. Jesus said that whatever was happening in the Days of Noah will happen again before the end of this age. The Bible has only a few verses about Noah's Flood. So we are forced to turn to the ancient flood legends of over 350 other cultures to learn more about this prophecy. But Noah's days did not end with the flood, he lived for many years afterward. He saw the creation of a tower in Babylon. This is interesting because the

Freemasons claim that their Order originated here. Here is the most thorough examination of Freemasonry ever undertaken, using their own texts, to solve the Days of Noah prophecy.

Near the end we will see a hero and a villain arise, the son of God will battle the son of Satan. The prophecies in the Bible have a great deal to say about this, but one prophecy has been overlooked... until now. I will explain to you the mystery of the beast who once was, now is not, and yet will come. This calls for a mind with wisdom (Revelation 17: 7- 9). Here we are told that the Beast, the son of Satan, once lived, but at one time he was not alive, and that he would live again. The Beast will seem to recover from a fatal wound (Revelation 13: 3). Not a nearly fatal wound. He will seem to recover from death! In the end times he will be seen to rise from the grave in imitation of Jesus Christ. Who was the Beast? But more importantly, why is that mysterious fraternity of Freemasons preparing to come to his aid? We will examine their own writings and rituals to confirm that they are devoted to the Beast who once was.

shaw freemason: Murder, Rape, and Torture in a Catholic Nunnery Edward Hendrie, 2015-05
There has probably not been a person more maligned by the powerful forces of the Roman Catholic Church than Maria Monk. In 1836 she published the famous book, Awful Disclosures of the Hotel Dieu Nunnery of Montreal. In that book, she told of murder, rape, and torture behind the walls of the cloistered nunnery. Because the evidence was verifiably true, the Catholic hierarchy found it necessary to fabricate evidence and suborn perjury in an attempt to destroy the credibility of Maria Monk. The Catholic Church has kept up the character assassination of Maria Monk now for over 175 years. Edward Hendrie has examined the evidence and set it forth for the readers to decide for themselves whether Maria Monk was an impostor or a brave victim. An objective view of the evidence leads to the ineluctable conclusion that Maria Monk told the truth about what happened behind the walls of the Hotel Dieu Nunnery of Montreal. The Roman Catholic Church, which is the most powerful religious and political organization in the world, has engaged in an unceasing campaign of vilification against Maria Monk. Its crusade against Maria Monk, however, can only affect the opinion of the uninformed. It cannot change the evidence. The evidence speaks clearly to those who will look at the case objectively. The evidence reveals that the much maligned Maria Monk was a reliable witness who made awful but accurate disclosures about life in a cloistered nunnery.
