spiritual man watchman nee pdf: The Ministry of God's Word Watchman Nee, 1994-09-01
The most important work of God on earth is the speaking out of His word through man. Even though God is pleased to allow us to speak His word, the greatest measure of our usefulness as a minister of the Word is not the amount of our Bible knowledge or even the ability to eloquently present the truth; rather, it is the degree to which our inward parts have been molded and shaped by the Holy Spirit. The Ministry of God's Word contains a series of messages given by Watchman Nee in 1948 and 1949 after nearly thirty years of ministry. These messages are deep, profound, subjective, and full of light, revealing both the depth of his experience and extent of our need to open to the Holy Spirit's inward operation.

spiritual man watchman nee pdf: The Latent Power of the Soul Watchman Nee, 1972-06
For the word of God is living, and active, and sharper than any two-edged sword, and piercing even to the dividing of soul and spirit, of both joints and marrow, and quick to discover the thoughts and intents of the heart (Heb. 4:12). The peril of the believer is to confuse the spirit for the soul and the soul for the spirit, and so be deceived into accepting the counterfeit of evil spirits to the unsettling of God's work. The greatest advantage in knowing the difference between spirit and soul is perceiving the latent power of the soul and in understanding its falsification of the power of the Holy Spirit. Such knowledge is not theoretical but practical in helping people to walk in God's way. In this book, Watchman Nee shares his insight on The Latent Power of The Soul, The Christian and Psychic Force, and Spirit Force vs Psychic Force. Nowadays the atmosphere is so charged with the commotion of all kinds of counterfeit that the Lord seems to be calling the Church to come to a higher ground. Today's situation is perilous. May we prove all things; hold fast that which is good (1Thes. 5:21)

spiritual man watchman nee pdf: Spiritual Discernment Watchman Nee, 2010-03-24
Listen to the prayer of the apostle Paul for his beloved church in Philippi: "this I pray, that your love may abound yet more and more in knowledge and all discernment; so that ye may approve the things that are excellent; that ye may be sincere and void of offence unto the day of Christ" (Phil. 1.9-10). What was it that inspired him to offer such a prayer for the dear saints in Philippi? Do we today desperately need the same prayer? We talk about love and fellowship, and yet we encounter many problems and failures. What is the missing link to a glorious church? Can it be the lack of "full knowledge and all perception that ye may prove [or, distinguish] the things that differ" (literal translation)? Certainly spiritual discernment is the pressing need of today. How can we obtain this full knowledge of God? Where do we get spiritual discernment that we may know the things which differ or are more excellent? These are the matters which brother Watchman Nee tried to address

during his latter years of ministry. This present volume, entitled Spiritual Discernment is composed of three parts: Abound in Knowledge, Abound in Discernment, and Approve the Excellent. The Publishers were able to acquire these Notes in Chinese recently, and they have now been translated into English for sharing with the English-speaking saints. May these Notes help many in meeting the pressing need of today.

spiritual man watchman nee pdf: A Balanced Christian Life Watchman Nee, 1981-12-01 Ephraim is a cake not turned (Hosea 7.8). This is a figurative way of saying 'not balanced'. The cake is burned on the one side, uncooked on the other; on one side it is overdone, on the other, totally undone. The cake is unfit to be eaten and is thus destined to be cast out. Our God is most balanced. He is love and He is light. Our Lord Jesus is full of grace and full of truth. The Holy Spirit is the Spirit of wisdom as well as of revelation. In creation, God hath measured the waters in the hollow of his hand, and meted out heaven with a span, and comprehended the dust of the earth in a measure, and the hills in a balance (Is. 40.12). Concerning redemption, it is said that mercy and truth are met together, righteousness and peace have kissed each other. Truth springeth out of the earth; and righteousness hath looked down from heaven (Ps. 85.10,11). The new creation, therefore, must be well balanced. In this present volume, Watchman Nee attempts to show from God's word the perfect equilibrium of divine truth. Human nature, however, is prone to emphasize one side to the exclusion of the other side of truth. This has caused much confusion and many problems among God's people. It is essential that we know the balance of truth and hold on to both sides so that our Christian life may be well rounded as God has ordained. The contents of the book opens with a treatment of the balance between the gate and the way; continues with a presentation of the balance between the objective and the subjective; includes a discussion on the work inward and the work outward in the Christian life, as well as on the rest given and the rest found as promised by Christ; contemplates the other side of prayer frequently neglected, namely, to watch; and concentrates on the other less emphasized aspect of the trespass-offering, that of restoration. The book then provides a commentary on the contrast between the truly meek and the spiritually poor, and finally concludes with a consideration of the equilibrium that is so necessary between the believer's faith and the believer's walk. May all who read this volume be brought into a balanced Christian life.

spiritual man watchman nee pdf: The Messenger of the Cross Watchman Nee, 1998-02 Watchman Nee's thesis in this book is that Christ came to mankind by way of the cross, and only by this same way can we know Him. At the source of all spiritual things, he says, stands the cross.

spiritual man watchman nee pdf: God's Need and God's Goal Witness Lee, 2024-01-17 It is easy to understand that man has needs, but do we have a sense of God's need? Indeed, we may even wonder, "Who has a greater need, man or God?" In this book, Witness Lee presents his burden that we would "turn our eyes from the earth to heaven to see a need that is immensely greater than man's need—God's need. Without seeing God's need, it is difficult for people who do not have a sense of need to be saved. Furthermore, without seeing God's need, it is difficult for those who are saved to have a heavenly living or to obtain power and faith. May these words lead us to see the need on God's side so that our attention can be shifted from man to God."

spiritual man watchman nee pdf: *The Glorious Church* Watchman Nee, 1996-08

spiritual man watchman nee pdf: *How to Study the Bible* Watchman Nee, 1999 The Bible is the inspired word of God, and every believer should study it in order to know the rich and vast content of God's divine provisions. When God speaks, He does so through His established word. Therefore, we must study the Bible in a proper way in order to let the word of God dwell richly in our hearts. In order to study the Bible, we first must be proper persons, having passed through the necessary spiritual training under the Lord's leading and guiding. We must also use the right methods. Many good books have been printed on how to study the Bible, but most pay attention only to methods of studying the Bible; They do not pay enough attention to the person who studies the Bible. Even with the right methods, we can receive very little in our study of the Bible if our person is not proper before the Lord.

spiritual man watchman nee pdf: *Journeying Towards the Spiritual* Watchman Nee, 2006-01-01 God's desire is to commune with man. God being spirit, the man who worships Him must worship in spirit and truth. It is therefore essential for man to be spiritual. This is what the gospel of

Jesus Christ is all about. Salvation is the way to spirituality. The original three volume set of The Spiritual Man by Watchman Nee serves as a guide, not as a manual, to walk in spiritual life as well as to fight the spiritual warfare. It was written under tremendous spiritual conflict. Only through the grace of God and the victory of Christ was Watchman Nee able to finish the writing. Now having become a Christian classic, it may be considered as Watchman Nee's legacy to the Church. Condensed in this new volume, there are 42 lessons to be learned in journeying towards the spiritual. May we be guided by the Spirit of God to heartily learn these necessary lessons all to the glory of God.
