swami samarth pdf: In Quest of God Swami Ramdas, 1994 COMPARABLE IN LASTING significance to the famous classics The Way of a Pilgrim and Brother Lawrence's The Practice of the Presence of God, this book is an extraordinary spiritual autobiography. It recounts the story of a homeless monk's journey as he travels the dusty roads and paths of the Indian subcontinent, from the ancient temples of the south to the awe-inspiring, snow-covered Himalayas of the north. This is the tale of a pilgrimage, vividly and compellingly told, taken with the hallmarks of complete faith in the Creator and constant remembrance of God. Swami Ramdas did not accept money and treated all people he encountered as manifestations of his Beloved. The narrative contains many inspiring accounts of how his pure love transformed people who at first treated him very harshly. Whatever situation he was placed in, he didn't fail to notice the lighter side, which appealed to his keen sense of the comic and ludicrous in life. He never lost this quality, even after he became God-intoxicated and lived on the road in total, blissful surrender to the divine will. Many readers find themselves in a lifelong love affair with this story. This book is the first in a trilogy chronicling Swami Ramdas' pilgrimage to God-realization. The next two volumes, In the Vision of God, volumes I and II, are also available from Blue Dove Press.

swami samarth pdf: Sahaj Marg Philosophy Ram Chandra, Sahaj Marg Philosophy is a compilation of Ram Chandra's writings on philosophy as an intuitive science which underlies the practices of Sahaj Marg. He explains the nature of real peace, the heart as the field of the mind, prayer as our link with the Source, and the importance of having a teacher of calibre. He expands on both the roles of the student and teacher throughout the spiritual journey and especially the role of the teacher in transmitting Pranahuti - Yogic Transmission. Sahaj Marg Philosophy has come from the source of his personal experience and superconscious awareness in the realm of Reality and beyond. Having himself journeyed to the Source, he presents philosophy from direct perception and, in this respect, it is akin to the great sacred texts of the past.

swami samarth pdf: Shunya Sri M, 2022-07-18 He appears out of nowhere in a sleepy little neighbourhood in suburban Kerala. He calls himself Shunya, the zero. Who is he? A lunatic? A dark magician? A fraud? Or an avadhuta, an enlightened soul? Saami-as they call him-settles into a small cottage in the backyard of the local toddy shop. Here he spins parables, blesses, curses, drinks endless glasses of black tea and lives in total freedom. On rare occasions, he plays soul-stirring melodies on his old, bamboo-reed flute. Then, just as mysteriously as he arrived, Shunya vanishes, setting the path for a new avadhuta, a new era. This first novel by Sri M is a meditation on the void which collapses the wall between reality and make-believe, the limited and the infinite. With its spare storytelling and profound wisdom, it leads us into the realm of 'shunya', the nothingness of profound and lasting peace, the beginning and end of all things.

swami samarth pdf: When was Modernism Geeta Kapur, 2000 A commitment to modernity is the underlying theme of this volume. Through essays that are interpretive and theoretical, the author seeks to situate the modern in contemporary cultural practice. She sets up an ideological vantage point to view modernism along its multiple tracks in India and the third world. The essays divide into three sections. The first two sections, Artists and ArtWork and Film/Narratives, raise questions of authorship, genre, and contemporary features of national culture that materialize into an aesthetic in the Indian context. The last section, Frames of Reference, formalizes the polemical options developed across the book. The essays here propose resistance to the depoliticization of narratives, and affirm an open-ended engagement with the avant-garde. They explore the possibility of art practice finding its own signifying space that is still a space for radical transformation. Geeta Kapur is an independent art critic and curator living in New Delhi. Her extensive publications on modern Indian art include the book *Contemporary Indian Artists* (Delhi, 1978), exhibition catalogues and monographs on artists. She is currently writing a monograph on Tyeb Mehta. Her essays on cultural criticism have been widely presented in forums of art history and cultural studies. Her curatorial work includes the show Bombay/Mumbai 1992 2001 in the multi-part exhibition titled *Century City: Art and Culture in the Modern Metropolis*, at Tate Modern, London, in 2001. Geeta Kapur is a founder-editor of the *Journal of Arts & Ideas* and advisory editor to *Third Text*. She has held research fellowships at Indian Institute of Advanced Study, Shimla, Nehru Memorial Museum and Library, New Delhi, and Clare Hall, Cambridge University. For the past three decades, [Geeta Kapur s] has been the singular dominant presence in the field to a point that her writings alone seem to have constituted the whole field of modern Indian art theory and criticism. Tapati Guha-Thakurta, *Biblio* (Delhi), May June 2001. Geeta Kapur is a magisterial presence in the sphere of modern Indian art. [The] insistence on the primacy of bearing witness to creative practice has been the leitmotif of Kapur s work. . . . Kapur s contribution . . . is best understood by reflection on the radical change that her activity has brought about in Indian art criticism. Ranjit Hoskote, *Art India* (Mumbai), Vol. VI, 1, 2001. *When Was Modernism* is a book of essays: imaginative, interpretive, argumentative, polemical, political and, in the combined sense of all these, historical. . . . [It] provides an instance of passionate engagement that, at its best moments, verges on the poetic. Chaitanya Sambrani, *ART AsiaPacific* (Australia), Issue 30, 2001.

It narrates many a phenomenon of Yoga with actual experiences and their explanation, including those of the mysterious Kundalini. It is a must read for all interested in the mysteries of Yoga and Kundalini which the Siddha Yogis rarely reveal to all. The author Vibhakar Lele is from the tradition of Siddha Yogis from the Natha sect from Saint Dnyaneshwar who has revealed many secrets of Yoga with experiences on the Path. His book is deemed to be useful also to the Shaktipata and other Kriya-yoga followers and also those who lack adequate guidance from their Gurus/peers. It also gives an understanding of the riddle of the Universe and Life which stands alternatively explained in most cogent terms by the Yogis and Indian philosophers, in their own way. Just please have a look inside the book and decide for yourself. It is deemed to be a book worth keeping and preserving for a lifetime to be passed down the generations for real wisdom of Who We Are and How We achieve the Kingdom that belongs to us, the Nirvana, the Moksha, or whatever one prefers to call it, the Heavens, the Godhood et al. The reader, too, like so many others before him, is expected to find this book vastly entertaining and opening the vista upon a secret dimension that is life of a human being upon this planet. Those who are curious about Yogic experiences will most likely have their curiosity satisfied. Others who are having such experiences themselves may, no doubt, be happy to find clues and explanation to their mysterious experiences. the author would be happy if it be so. If the book adds to your knowledge of Yoga and Gita-Dnyaneshwari, at least a modicum, the author will say that this book has achieved what it was brought forth for.
