The resulting saga of the Divers' troubled marriage, and their circle of friends, includes a cast of aristocratic and beautiful people, unhappy love affairs, a duel, incest, and the problems inherent in the possession of great wealth. Despite cataloging a maelstrom of interpersonal conflict, *Tender is the Night* has a poignancy and warmth that springs from the quality of Fitzgerald's writing and the tragic personal experiences on which the novel is based.

**the strange case of dr jekyll and mr hyde pdf:** *The Strange Case Of Dr. Jekyll And Mr. Hyde* Robert Louis Stevenson, 2014-01-21 The book which put Stevenson's name in the mouth of the 'man in the street,' lifted him at a single bound to a place among men of the time and, by the still greater sensation which it created in America, led to the large income which soon afterwards he drew from the United States. The ear of a great public to whom his earlier writings were unknown was captured by this intense picture of the elements of good and evil in man's nature. It was hailed from pulpits and in the religious press as a great moral parable; though its moral quality, on close analysis, is seen to be more an illusion, due to the art of its writing, than the essence of the fable. Reduced to its simplest formula Jekyll and Hyde is a cry of terror at the potency for evil latent in the human soul. Such moral force as it has depends upon its assault on the nerves, not on its appeal to the heart. If not thus interpreted by the preachers of the time, it yet served the purpose of moving their hearers by the spectacle of the evil partner in the human ego, indulged in a moment 'when virtue slumbered,' coming in the end to destroy the good.

She has borne the unthinkable and not gone mad, yet she is still held captive by memories of Sweet Home, the beautiful farm where so many hideous things happened. Meanwhile Sethe's house has long been troubled by the angry, destructive ghost of her baby, who died nameless and whose tombstone is engraved with a single word: *Beloved*. Sethe works at beating back the past, but it makes itself heard and felt incessantly in her memory and in the lives of those around her. When a mysterious teenage girl arrives, calling herself *Beloved*, Sethe's terrible secret explodes into the present. Michael Brendel, 2010-05-19 Seminar paper from the year 2010 in the subject English Language and Literature Studies - Literature, grade: 1,0, University of Regensburg (Institut für Anglistik und Amerikanistik), course: Hauptseminar Victorian Gothic, language: English, abstract: On the following pages we will have a closer look at the process of film adaptation by analyzing Rouben Mamoulian's *Dr. Jekyll and Mr. Hyde* (1932) – probably the most accomplished film version of Stevenson's novella – and by comparing it with its literary model. At first, we will recapitulate the complexity of the source text, especially with regard to the question of genre. We will also examine T.R. Sullivan's theatrical adaptation, which can in some respects be seen as a blueprint for Mamoulian's film. Then, we will have a look at the literary macrostructure of the film at hand, discuss Mamoulian's interpretation of Stevenson's *Strange Case* and compare the source text with its screen adaptation from a narratological point of view. To finish our analysis, we will shed light on some techniques used by the director in order to communicate his ideas.

Everett, 2015-06-25 Excerpt from *The Death-Mask and Other Ghosts* Yes, that is a portrait of my wife. It is considered to be a good likeness. But of course she was older-looking towards the last. Enderby and I were on our way to the smoking-room after dinner, and the picture hung on the staircase. We had been chums at school a quarter of a century ago, and later on at college; but I had spent the last decade out of England. I returned to find my friend a widower of four years' standing. And a good job too, I thought to myself when I heard of it, for I had no great liking for the late Gloriana. Probably the sentiment, or want of sentiment, had been mutual: she did not smile on me, but I doubt if she smiled on any of poor Tom Enderby's bachelor cronies. The picture was certainly like her. She was a fine woman, with aquiline features and a cold eye. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Robert Stevenson, Sheba Blake, 2017-06-24 *Strange Case of Dr. Jekyll and Mr. Hyde* is a novella by the Scottish author Robert Louis Stevenson first published in 1886. The work is also known as *The Strange Case of Dr. Jekyll and Mr. Hyde*, *Dr. Jekyll and Mr. Hyde*, or simply *Jekyll & Hyde*. It is about a London lawyer named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr Henry Jekyll, and the evil Edward Hyde. The novella's impact is such that it has become a part of the language, with the very phrase Jekyll and Hyde coming to mean a person who

is vastly different in moral character from one situation to the next. Gabriel John Utterson and his cousin Richard Enfield reach the door of a large house on their weekly walk. Enfield tells Utterson that months ago he saw a sinister-looking man named Edward Hyde trample a young girl after accidentally bumping into her. Enfield forced Hyde to pay 100 to avoid a scandal. Hyde brought them to this door and provided a cheque signed by a reputable gentleman (later revealed to be Dr. Henry Jekyll, a friend and client of Utterson). Utterson is disturbed because Jekyll recently changed his will to make Hyde the sole beneficiary. Utterson fears that Hyde is blackmailing Jekyll. When Utterson tries to discuss Hyde with Jekyll, Jekyll turns pale and asks that Hyde be left alone. One night in October, a servant sees Hyde beat to death Sir Danvers Carew, another of Utterson's clients. The police contact Utterson, who leads officers to Hyde's apartment. Hyde has vanished, but they find half of a broken cane. Utterson recognizes the cane as one he had given to Jekyll. Utterson visits Jekyll, who shows Utterson a note, allegedly written to Jekyll by Hyde, apologising for the trouble that he has caused. However, Hyde's handwriting is similar to Jekyll's own, leading Utterson to conclude that Jekyll forged the note to protect Hyde. For two months, Jekyll reverts to his former sociable manner, but in early January, he starts refusing visitors. Dr. Hastie Lanyon, a mutual acquaintance of Jekyll and Utterson, dies of shock after receiving information relating to Jekyll. Before his death, Lanyon gives Utterson a letter to be opened after Jekyll's death or disappearance. In late February, during another walk with Enfield, Utterson starts a conversation with Jekyll at a window of his laboratory. Jekyll suddenly slams the window and disappears. In early March, Jekyll's butler, Mr. Poole, visits Utterson and says Jekyll has secluded himself in his laboratory for weeks. Utterson and Poole break into the laboratory, where they find Hyde wearing Jekyll's clothes and apparently dead from suicide. They find a letter from Jekyll to Utterson. Utterson reads Lanyon's letter, then Jekyll's. Lanyon's letter reveals his deterioration resulted from the shock of seeing Hyde drink a serum that turned him into Jekyll. Jekyll's letter explains that he had indulged in unstated vices and feared discovery. He found a way to transform himself and thereby indulge his vices without fear of detection. Jekyll's transformed personality, Hyde, was evil, self-indulgent, and uncaring to anyone but himself. Initially, Jekyll controlled the transformations with the serum, but one night in August, he became Hyde involuntarily in his sleep.
