

they called her molly pitcher

they called her molly pitcher, a name that echoes through American Revolutionary War history with a blend of fact and legend. This moniker refers to a woman who played a crucial role during one of the most intense battles of the era, symbolizing the courage and resilience of women in wartime. The story of Molly Pitcher highlights the often-overlooked contributions of women who supported the Continental Army not just through nursing or domestic tasks, but by actively engaging in combat support roles. This article delves into the origins of the name, the historical context, and the legacy that has cemented Molly Pitcher as an enduring figure in American folklore and history. Through examining the real-life accounts and the mythos surrounding her, readers will gain insight into how women shaped the Revolutionary War and why they called her Molly Pitcher. The following sections explore the identity of Molly Pitcher, her actions during the war, and her significance in American cultural memory.

- Origin and Meaning of the Name "Molly Pitcher"
- The Historical Context of Molly Pitcher's Role
- The Battle of Monmouth and Molly Pitcher's Actions
- Legacy and Cultural Impact
- Women's Contributions to the American Revolutionary War

Origin and Meaning of the Name "Molly Pitcher"

The name "Molly Pitcher" is believed to be a nickname rather than an actual personal name. It was commonly used during the 18th century as a generic term for women who carried water to soldiers on the battlefield, with "Molly" being a popular diminutive for Mary, and "Pitcher" referring to the container of water. This name came to symbolize the bravery and essential support women provided during the Revolutionary War. Several women have been suggested as the inspiration behind this nickname, but the most frequently referenced individual is Mary Ludwig Hays McCauley, who reportedly took over her husband's cannon duties during the Battle of Monmouth after he was incapacitated.

Historical Usage of the Term

Historically, the term "Molly" was commonly used for women in the colonial period, and "Pitcher" highlighted the practical task of carrying water. Women often had to provide water to cool down cannons or hydrate exhausted soldiers during battles, making them a vital part of military operations. Over time, the combination of these terms evolved into the symbolic figure of Molly Pitcher, representing all women who contributed to the war effort in similar capacities.

Possible Real-Life Figures Behind the Name

While Mary Ludwig Hays is the most famous candidate associated with the nickname they called her molly pitcher, other women such as Margaret Corbin and Deborah Sampson also played heroic roles during the Revolutionary War. Margaret Corbin famously operated a cannon after her husband was killed in battle, and Deborah Sampson disguised herself as a man to fight. These stories collectively contributed to the folklore surrounding Molly Pitcher, emphasizing women's active participation in the conflict beyond traditional roles.

The Historical Context of Molly Pitcher's Role

The American Revolutionary War (1775-1783) was a pivotal conflict that required immense support not only from soldiers but also from civilians, particularly women. The war's grueling conditions and extended campaigns necessitated that women take on various support roles, including nursing, supply delivery, and battlefield assistance. Understanding this context is crucial to appreciating why they called her molly pitcher and the significance of her actions.

Women's Roles During the Revolutionary War

Women in the 18th century were generally expected to maintain households and provide care, but during the Revolutionary War, many stepped into more active roles. They served as cooks, laundresses, spies, and even combatants in some cases. The need to keep armies fed, clothed, and motivated placed women at the heart of the war effort, often putting them near the front lines. The story of Molly Pitcher exemplifies this expanded role, illustrating how women adapted to meet wartime demands.

Challenges Faced by Women Like Molly Pitcher

Women who took on battlefield responsibilities faced numerous challenges, including physical danger, societal disapproval, and limited resources. Carrying water during battle required navigating smoke, cannon fire, and chaos, which demanded both courage and endurance. Despite these hardships, women like Molly Pitcher earned respect and admiration for their contributions, challenging traditional gender norms of the period.

The Battle of Monmouth and Molly Pitcher's Actions

The Battle of Monmouth, fought on June 28, 1778, in New Jersey, is one of the most notable engagements of the Revolutionary War where the legend of Molly Pitcher took shape. This battle was marked by intense heat and fierce combat, testing the endurance of both soldiers and their support personnel. The actions attributed to Molly Pitcher during this battle highlight her bravery and the critical support women provided during combat.

Mary Ludwig Hays and the Cannon Crew

Mary Ludwig Hays, often identified as Molly Pitcher, accompanied her husband, a soldier in the Continental Army, to the battlefield. According to accounts, when her husband collapsed or was wounded, she took his place at the cannon, loading and firing under heavy enemy fire. This act of valor illustrated her direct involvement in combat and earned her recognition among her peers and later historians.

Impact on the Battle and Soldiers

The presence and actions of Molly Pitcher during the Battle of Monmouth had a significant morale-boosting effect on the troops. Her willingness to step into a dangerous and demanding role demonstrated the determination and resilience of the Continental forces. The story of her bravery was recounted by soldiers and became part of the oral history of the war, inspiring future generations.

Legacy and Cultural Impact

The legacy of Molly Pitcher extends beyond the battlefield into American cultural and historical memory. She has become a symbol of women's patriotism and bravery during the Revolutionary War, celebrated in folklore, literature, and public monuments. The name they called her molly pitcher evokes images of courage and self-sacrifice that continue to resonate today.

Monuments and Memorials

Various monuments and historical markers have been dedicated to Molly Pitcher, particularly in New Jersey and Pennsylvania, commemorating her role in the Battle of Monmouth. These memorials serve as tangible reminders of women's contributions to the founding of the United States and underscore the importance of recognizing their participation in history.

Representation in Popular Culture

Molly Pitcher has been depicted in numerous books, plays, and educational materials aimed at highlighting women's roles in American history. Her story is often used to inspire discussions about gender roles, patriotism, and the diverse contributions to the Revolutionary War effort. The enduring popularity of her legend reflects the continuing relevance of her example.

Women's Contributions to the American

Revolutionary War

While they called her molly pitcher serves as a focal point, it is important to recognize the broader spectrum of women's contributions during the Revolutionary War. Women participated in a variety of capacities that were essential to the success of the American cause, from logistical support to espionage and even combat.

Types of Contributions

- **Combat Support:** Carrying water, tending to artillery, and even firing weapons as exemplified by Molly Pitcher and others.
- **Nursing and Medical Care:** Providing first aid, nursing wounded soldiers, and maintaining camp hygiene.
- **Intelligence and Espionage:** Acting as spies and couriers, gathering and relaying critical information.
- **Logistics and Supplies:** Cooking, sewing uniforms, and managing supplies to sustain the army.
- **Morale and Advocacy:** Encouraging troops and advocating for the revolutionary cause within communities.

Recognition of Women's Roles

Despite their significant contributions, many women of the Revolutionary War era remained unrecognized for decades. Modern scholarship has increasingly sought to highlight stories like that of Molly Pitcher to provide a more inclusive narrative of American history. Their bravery and sacrifice have become an integral part of understanding the full scope of the war effort.

Frequently Asked Questions

Who was Molly Pitcher historically believed to be?

Molly Pitcher is historically believed to be a nickname for Mary Ludwig Hays, a woman who fought in the American Revolutionary War by taking over her husband's cannon after he was incapacitated.

They Called Her Molly Pitcher: Unraveling the Legend

Introduction: Unveiling the Molly Pitcher Enigma - Separating Fact from Fiction

The name "Molly Pitcher" conjures images of unwavering bravery on the battlefield, a woman defying societal norms to serve alongside men during the American Revolution. However, the reality of Molly Pitcher's life is often obscured by romanticized narratives and legends. This book aims to separate the myth from the historical reality, providing a nuanced and thoroughly researched account of the woman behind the iconic name. We will explore the conflicting stories, investigate primary sources, and piece together a clearer picture of Mary Ludwig Hays McCauley, the woman history remembers as Molly Pitcher. This introduction lays the groundwork for a deeper

understanding of the challenges faced in reconstructing her life and the enduring power of her legend.

Chapter 1: The Myths and Legends of Molly Pitcher – Examining Popular Narratives

Numerous stories surround Molly Pitcher, each contributing to her larger-than-life image. Some portray her as a tireless water carrier, others as a cannoneer who bravely took her husband's place in battle. These tales, often embellished over time, have solidified her status as a symbol of female courage and patriotism. This chapter critically examines these popular narratives, tracing their origins and evolution. We will analyze the various versions of the Molly Pitcher story, identifying inconsistencies and exploring the cultural forces that shaped their creation and dissemination. By examining these stories in detail, we can begin to disentangle fact from fiction and appreciate the enduring appeal of her legend. Keywords: Molly Pitcher myths, American Revolution legends, historical inaccuracies, popular culture narratives.

Chapter 2: Mary Ludwig Hays McCauley: The Woman Behind the Name – A Biographical Investigation

This chapter delves into the life of Mary Ludwig Hays McCauley, the woman history knows as Molly Pitcher. Utilizing primary sources like historical records, letters, and eyewitness accounts, we will reconstruct her life as accurately as possible. We will explore her early life, her marriage to William Hays, and her experiences before and during the Revolutionary War. This chapter aims to move beyond the battlefield narrative, exploring her personal life, relationships, and motivations. By focusing on verifiable evidence, we strive to present a more complete and humanized portrayal of Mary Ludwig Hays McCauley, moving beyond the symbolic figure and revealing the complexities of her life. Keywords: Mary Ludwig Hays McCauley biography, Revolutionary War women, historical research, primary sources, American history.

Chapter 3: The Battle of Monmouth: Molly Pitcher's Role and its Historical Significance

The Battle of Monmouth Courthouse is inextricably linked to the Molly Pitcher legend. This chapter closely examines the battle itself, placing Molly Pitcher's alleged actions within their historical context. We will assess the plausibility of her participation as a cannoneer, considering the realities of 18th-century warfare and the limitations placed on women at the time. We will also analyze the accounts of eyewitnesses and contemporaries to determine the extent of her contributions. The chapter will conclude by exploring the battle's broader significance in the American Revolution and how Molly Pitcher's role, real or embellished, contributed to its narrative. Keywords: Battle of Monmouth, American Revolutionary War battles, women in war, military history, historical analysis.

Chapter 4: The Post-War Life of Mary Ludwig Hays McCauley – A Life Less Celebrated

While Molly Pitcher's wartime contributions are often celebrated, her post-war life remains relatively obscure. This chapter explores the challenges she faced after the war, including widowhood and economic hardship. We will investigate her later life, marriage to George McCauley, and eventual recognition, albeit limited, for her service. This section aims to complete the narrative, illustrating that Molly Pitcher's story extends beyond the battlefield and encompasses the complexities of daily life in post-war America for a woman of her time. Keywords: Post-war life, women's history,

American Revolution aftermath, social challenges, historical biography.

Chapter 5: Molly Pitcher's Legacy: Symbolism and Representation in American Culture

Molly Pitcher's image has evolved over time, transforming from a historical figure into a powerful symbol of patriotism and female empowerment. This chapter explores her lasting legacy, analyzing her representation in art, literature, and popular culture. We will discuss how her story has been interpreted and reinterpreted throughout history, reflecting changing societal attitudes towards women and war. The enduring appeal of Molly Pitcher highlights the need for accurate historical accounts while also acknowledging the powerful symbolic role she plays in the American imagination. Keywords: Molly Pitcher symbolism, American iconography, female representation, cultural legacy, historical memory.

Conclusion: Molly Pitcher's Enduring Impact - A Reflection on Courage and Resilience

This conclusion summarizes the key findings of the book, reinforcing the importance of separating myth from reality while celebrating Molly Pitcher's enduring legacy. It reflects on the significance of her story, both as a historical account and as a powerful symbol of courage and resilience. The conclusion encourages further research and discussion, highlighting the ongoing relevance of Molly Pitcher's life and the vital role women played in shaping American history. Keywords: Molly Pitcher legacy, women's contributions to the American Revolution, historical significance, reflection, conclusion.

FAQs:

1. Was Molly Pitcher a real person? Yes, while the details of her actions are debated, historical records confirm the existence of Mary Ludwig Hays McCauley, the woman known as Molly Pitcher.

they called her molly pitcher: *They Called Her Molly Pitcher* Anne Rockwell, 2006-08-22 The rousing true tale of an American Revolution heroine. When her husband joined General Washington's army, Molly Hays went with him. All through the winter at Valley Forge, Molly watched and listened. Then in July, in the battle at Monmouth, she would show how much she had learned. Molly could tell the day would be a scorcher, so she decided to bring water from a nearby spring to the fighting men. More than 50 British soldiers would die of heatstroke that day, but the American soldiers need only cry, "Molly-pitcher!" On one trip through the fighting field, she saw her husband get shot. She satisfied herself that he wouldn't die from his wound, then took over his job-firing off the cannon! Molly epitomized the feisty, self-reliant spirit of the colonists who would soon win their battle for independence-and her story has rightly become a beloved legend of

American history.

they called her molly pitcher: Fatal Sunday Mark Edward Lender, Garry Wheeler Stone, 2016-04-18 Historians have long considered the Battle of Monmouth one of the most complicated engagements of the American Revolution. Fought on Sunday, June 28, 1778, Monmouth was critical to the success of the Revolution. It also marked a decisive turning point in the military career of George Washington. Without the victory at Monmouth Courthouse, Washington's critics might well have marshaled the political strength to replace him as the American commander-in-chief. Authors Mark Edward Lender and Garry Wheeler Stone argue that in political terms, the Battle of Monmouth constituted a pivotal moment in the War for Independence. Viewing the political and military aspects of the campaign as inextricably entwined, this book offers a fresh perspective on Washington's role in it. Drawing on a wide range of historical sources—many never before used, including archaeological evidence—Lender and Stone disentangle the true story of Monmouth and provide the most complete and accurate account of the battle, including both American and British perspectives. In the course of their account it becomes evident that criticism of Washington's performance in command was considerably broader and deeper than previously acknowledged. In light of long-standing practical and ideological questions about his vision for the Continental Army and his ability to win the war, the outcome at Monmouth—a hard-fought tactical draw—was politically insufficient for Washington. Lender and Stone show how the general's partisans, determined that

the battle for public opinion would be won in his favor, engineered a propaganda victory for their chief that involved the spectacular court-martial of Major General Charles Lee, the second-ranking officer of the Continental Army. Replete with poignant anecdotes, folkloric incidents, and stories of heroism and combat brutality; filled with behind-the-scenes action and intrigue; and teeming with characters from all walks of life, *Fatal Sunday* gives us the definitive view of the fateful Battle of Monmouth.

they called her molly pitcher: *The Girl Who Threw Butterflies* Mick Cochrane, 2009-02-24 For an eighth grader, Molly Williams has more than her fair share of problems. Her father has just died in a car accident, and her mother has become a withdrawn, quiet version of herself. Molly doesn't want to be seen as "Miss Difficulty Overcome"; she wants to make herself known to the kids at school for something other than her father's death. So she decides to join the baseball team. The boys' baseball team. Her father taught her how to throw a knuckleball, and Molly hopes it's enough to impress her coaches as well as her new teammates. Over the course of one baseball season, Molly must figure out how to redefine her relationships to things she loves, loved, and might love: her mother; her brilliant best friend, Celia; her father; her enigmatic and artistic teammate, Lonnie; and of course, baseball. Mick Cochrane is a professor of English and the Lowery Writer-in-Residence at Canisius College in Buffalo, New York, where he lives with his wife and two sons.

they called her molly pitcher: *Liberty Or Death* Betsy Maestro, 2005-09-01 From small acts of rebellion through major battles of the Revolutionary War, this informative guide provides readers with an in-depth review of the events that led to the colonies gaining their freedom from the British in order to become the free nation that it is today.

they called her molly pitcher: *Founding Mothers* Cokie Roberts, 2009-04-14 Cokie Roberts's number one New York Times bestseller, *We Are Our Mothers' Daughters*, examined the nature of women's roles throughout history and led USA Today to praise her as a custodian of time-honored values. Her second bestseller, *From This Day Forward*, written with her husband, Steve Roberts, described American marriages throughout history, including the romance of John and Abigail Adams. Now Roberts returns with *Founding Mothers*, an intimate and illuminating look at the fervently patriotic and passionate women whose tireless pursuits on behalf of their families -- and their country -- proved just as crucial to the forging of a new nation as the rebellion that established it. While much has been written about the men who signed the Declaration of Independence, battled the British, and framed the Constitution, the wives, mothers, sisters, and daughters they left behind have been little noticed by history. Roberts brings us the women who fought the Revolution as valiantly as the men, often defending their very doorsteps. While the men went off to war or to Congress, the women managed their businesses, raised their children, provided them with political advice, and made it possible for the men to do what they did. The behind-the-scenes influence of these women -- and their sometimes very public activities -- was intelligent and pervasive. Drawing upon personal correspondence, private journals, and even favored recipes, Roberts reveals the often surprising stories of these fascinating women, bringing to life the everyday trials and extraordinary triumphs of individuals like Abigail Adams, Mercy Otis Warren, Deborah Read Franklin, Eliza Pinckney, Catherine Littlefield Green, Esther DeBerdt Reed, and Martha Washington -- proving that without our exemplary women, the new country might never have survived. Social history at its best, *Founding Mothers* unveils the drive, determination, creative insight, and passion of the other patriots, the women who raised our nation. Roberts proves beyond a doubt that like every generation of American women that has followed, the founding mothers used the unique gifts of their gender -- courage, pluck, sadness, joy, energy, grace, sensitivity, and humor -- to do what women do best, put one foot in front of the other in remarkable circumstances and carry on.

they called her molly pitcher: *Sparkling Skates #13* Sue Bentley, 2014-05-01 Can magic puppy Storm make Lauren's ice skating dreams come true? Lauren dreams of learning how to ice skate with her friends, but her parents aren't sure it's a good idea. When magical puppy Storm appears as a gorgeous little black Scottie puppy, it looks like Lauren will ice skate after all!

they called her molly pitcher: *Women's Letters* Lisa Grunwald, Stephen J. Adler, 2009-01-21

Historical events of the last three centuries come alive through these women's singular correspondences—often their only form of public expression. In 1775, Rachel Revere tries to send financial aid to her husband, Paul, in a note that is confiscated by the British; First Lady Dolley Madison tells her sister about rescuing George Washington's portrait during the War of 1812; one week after JFK's assassination, Jacqueline Kennedy pens a heartfelt letter to Nikita Khrushchev; and on September 12, 2001, a schoolgirl writes a note of thanks to a New York City firefighter, asking him, "Were you afraid?" The letters gathered here also offer fresh insight into the personal milestones in women's lives. Here is a mid-nineteenth-century missionary describing a mastectomy performed without anesthesia; Marilyn Monroe asking her doctor to spare her ovaries in a handwritten note she taped to her stomach before appendix surgery; an eighteen-year-old telling her mother about her decision to have an abortion the year after *Roe v. Wade*; and a woman writing to her parents and in-laws about adopting a Chinese baby. With more than 400 letters and over 100 stunning photographs, *Women's Letters* is a work of astonishing breadth and scope, and a remarkable testament to the women who lived-and made-history. From the Hardcover edition.

they called her molly pitcher: *The Adventures of a Revolutionary Soldier* Joseph Plumb Martin, 2022-11-13 Joseph Plumb Martin (1760 – 1850) was a soldier in the Continental Army and Connecticut Militia during the American Revolutionary War, holding the rank of private for most of the war. His published narrative of his experiences has become a valuable resource for historians in understanding the conditions of a common soldier of that era, as well as the battles in which Martin participated. My intention is to give a succinct account of some of my adventures, dangers and sufferings during my several campaigns in the revolutionary army. Contents: Campaign of 1776. Campaign of 1777. Campaign of 1778. Campaign of 1779. Campaign of 1780. Campaign of 1781. Campaign of 1782. Campaign of 1783.

they called her molly pitcher: *Katie's Trunk* Ann Turner, 1997-12-01 Based on a true incident that happened to one of the author's ancestors, *Katie's Trunk* gives an unusual and arresting glimpse of the beginnings of the American Revolution. Katie could feel it in the air—something was wrong. Neighbors didn't speak to each other anymore, and someone even hissed "Tory!" at her. All around Katie, men were arming themselves for war. Then one day it happened—the rebels came! Katie's father told the family to hide in the woods. At first Katie obeyed, but as she crouched in the underbrush she got mad and ran back to defend her home. It wasn't right for people to treat one another this way. But what could one little girl do about it?

When romance problems cause their powers to go berserk, a trio of witches whose family was banned from practicing magic risk getting in serious trouble with the Grand Council of Witches. Can they get their magic--and their love lives--in order before it's too late?--

they called her molly pitcher: *A Shimmering Splash #11* Sue Bentley, 2014-01-09 Lorna can't wait to visit her cousins Callum and Ruth on the remote Scottish island where they live this summer holiday - they always have such fun. But when Lorna arrives things have changed. Callum only hangs around with a new bunch of friends and Ruth always seems so grumpy. It looks like it's going to be a lonely island holiday. Then Lorna finds fluffy ginger and white kitten, Flame, hidden in a basket of wool and suddenly the island doesn't feel so lonely after all . . .

they called her molly pitcher: *Classroom Chaos #2* Sue Bentley, 2008-08-14 When Abi walks into her dorm room on her first day at a new boarding school, she is immediately picked to be the school bully's target for the year. Lucky for her, Flame has just transported himself to the human world and they become fast friends. Flame uses his magic spells to take on the school bully and help Abi make new friends along the way!

they called her molly pitcher: Anna Strong Sarah Glenn Marsh, 2020-03-03 The thrilling true story of the female spy who helped save the American Revolution Anna Smith Strong (1740–1812) was a fearless woman who acted as a spy for George Washington during the Revolutionary War. Recruited by Washington's spymaster, Major Benjamin Tallmadge, she joined the Culper Ring, a group of American spies. General Washington placed a huge amount of trust in his spies, and Anna helped pass him important messages at a great risk to herself and her family. One of her cleverer devices was to hang laundry on the line in a planned fashion so that other spies could read the "message." Had she been discovered by the British, she would have faced jail or execution. Thrilling and dramatic, Anna Strong tells the story of how one brave woman helped change the course of American history. The book includes an author's note, a bibliography, an index, and a spy code so kids can get involved in the action.

they called her molly pitcher: The Scarlet Stockings Spy Trinka Hakes Noble, 2011-08-18 Philadelphia 1777 is no place for the faint of heart. The rumble of war with the British grows louder each day, and spies for and against the Patriots are everywhere. No one is above suspicion. Still, everyday life must go on and young Maddy Rose must help her mother, especially since her father's death at the Battle of Princeton and now with her beloved brother Jonathan off with Washington's army. But when childhood games become life-and-death actions, Maddy Rose is drawn ever deeper into events that will explode beyond her imagining. As young America stands on the very brink of its fight for freedom, it becomes clear that even the smallest of citizens can play the largest of parts, and that the role of a patriot has nothing to do with age and everything to do with heart. In *The Scarlet Stockings Spy*, Trinka Hakes Noble melds a suspenseful tale of devotion, sacrifice, and patriotism with the stark realities of our country's birth. Noted picture book author and illustrator Trinka Hakes Noble has pursued the study of children's book writing and illustrating in New York City at Parsons School of Design, the New School University, Caldecott medalist Uri Shulevitz's Greenwich Village Workshop, and New York University. She has authored and illustrated numerous books including the popular Jimmy's Boa series, which has been translated into six languages. Trinka lives in Bernardsville, New Jersey. *The Scarlet Stockings Spy* is her first book with Sleeping Bear Press. Because Robert Papp's childhood drawings of his favorite superheroes were such a pleasure, it was only natural that he would wind up an illustrator. Nowadays, his award-winning artwork appears on book covers and in magazines instead of on the refrigerator. He has produced hundreds of cover illustrations for major publishers across the United States. Robert lives in historic Bucks County, Pennsylvania.

they called her molly pitcher: American Women and the Repeal of Prohibition Kenneth D. Rose, 1997-06 Rose (history, California State U.) analyzes the political mechanisms used to repeal the Eighteenth Amendment prohibiting the manufacture and sale of alcohol. What makes the work unique is his emphasis on the role of women's organizations in both prohibition and repeal, and how the arguments used by women's organizations to promote the Eighteenth Amendment in 1923 were used by opponents to repeal it in 1933--specifically, the idea of home protection, which was a socialist feminist ideology held by both groups. The author is dedicated to recovering the history of politically conservative women who have been traditionally ignored or dismissed in other historical studies. Annotation copyright by Book News, Inc., Portland, OR

they called her molly pitcher: Abuelita's Heart Perfection Learning Corporation, 2019

they called her molly pitcher: They Fought Like Demons DeAnne Blanton, Lauren Cook Wike, 2002-09-01 Popular images of women during the American Civil War include self-sacrificing nurses, romantic spies, and brave ladies maintaining hearth and home in the absence of their men. However, as DeAnne Blanton and Lauren M. Cook show in their remarkable new study, that conventional picture does not tell the entire story. Hundreds of women assumed male aliases, disguised themselves in men's uniforms, and charged into battle as Union and Confederate soldiers—facing down not only the guns of the adversary but also the gender prejudices of society. *They Fought Like Demons* is the first book to fully explore and explain these women, their experiences as combatants, and the controversial issues surrounding their military service. Relying

on more than a decade of research in primary sources, Blanton and Cook document over 240 women in uniform and find that their reasons for fighting mirrored those of men—patriotism, honor, heritage, and a desire for excitement. Some enlisted to remain with husbands or brothers, while others had dressed as men before the war. Some so enjoyed being freed from traditional women's roles that they continued their masquerade well after 1865. The authors describe how Yankee and Rebel women soldiers eluded detection, some for many years, and even merited promotion. Their comrades often did not discover the deception until the "young boy" in their company was wounded, killed, or gave birth. In addition to examining the details of everyday military life and the harsh challenges of warfare for these women—which included injury, capture, and imprisonment—Blanton and Cook discuss the female warrior as an icon in nineteenth-century popular culture and why twentieth-century historians and society ignored women soldiers' contributions. Shattering the negative assumptions long held about Civil War distaff soldiers, this sophisticated and dynamic work sheds much-needed light on an unusual and overlooked facet of the Civil War experience.

they called her molly pitcher: A Spy Called James Anne Rockwell, 2016-11-01 Told for the first time in picture book form is the true story of James Lafayette—an enslaved person who spied for George Washington's army during the American Revolution. After his resounding defeat at the battle of Yorktown, British general Charles Cornwallis made a point of touring the American camp, looking for the reason behind his loss. What he didn't expect to see was James, an escaped enslaved person who had served as a guide to the British army. Or at least that's what Cornwallis was led to believe. In fact, James wasn't actually a runaway—he was a spy for the American army. But while America celebrated its newfound freedom, James returned to slavery in Virginia. His service as a spy hadn't qualified him for the release he'd been hoping for. For James the fight wasn't over; his next adversary was the Virginia General Assembly. He'd already helped his country gain its freedom, now it was time to win his own.

they called her molly pitcher: A Puzzle of Paws #12 Sue Bentley, 2014-05-01 Rosie is devastated when her parents tell her that when they move to their new, smaller house, there won't be any room for her pets. She's going to have to find new homes for them all! Then Rosie discovers cuddly black kitten Flame, and suddenly moving day doesn't seem so bad after all.

they called her molly pitcher: Thurgood Marshall and the Supreme Court Deborah Kent, 1996-09 Narrates the life of the first African-American to serve as a judge on the United States Supreme Court.

they called her molly pitcher: Beautiful Unbroken Mary Jane Nealon, 2011-07-19 An unflinching memoir by a working nurse As a child, Mary Jane Nealon dreams of growing up to become a saint or, failing that, a nurse. She idolizes Clara Barton, Kateri Tekakwitha, and Molly Pitcher, whose biographies she reads and rereads. But by the time she follows her calling to nursing school, her beloved younger brother is diagnosed with cancer, which challenges her to bring hope and healing closer to home. His death leaves her shattered, and she flees into her work, and into poetry. Beautiful Unbroken details Nealon's life of caregiving, from her years as a flying nurse, untethered and free to follow friends and jobs from the Southwest to Savannah, to more somber years in New York City, treating men in a homeless shelter on the Bowery and working in the city's first AIDS wards. In this compelling and revealing memoir, Nealon brings a poet's sensitivity to bear on the hard truths of disease and recovery, life and death.

they called her molly pitcher: Puppy Pirates Super Special #1: Ghost Ship Erin Soderberg, 2016-07-19 Fans of PAW Patrol and Rainbow Magic and those looking for Halloween chapter books will want to climb aboard this PUPPY PIRATES SUPER SPECIAL!
