woman thou art loosed 2023: The Black Jacobins C.L.R. James, 2023-08-22 A powerful and impassioned historical account of the largest successful revolt by enslaved people in history: the Haitian Revolution of 1791–1803 "One of the seminal texts about the history of slavery and abolition.... Provocative and empowering." —The New York Times Book Review *The Black Jacobins*, by Trinidadian historian C. L. R. James, was the first major analysis of the uprising that began in the wake of the storming of the Bastille in France and became the model for liberation movements from Africa to Cuba. It is the story of the French colony of San Domingo, a place where the brutality of plantation owners toward enslaved people was horrifyingly severe. And it is the story of a charismatic and barely literate enslaved person named Toussaint L'Ouverture, who successfully led the Black people of San Domingo against successive invasions by overwhelming French, Spanish, and English forces—and in the process helped form the first independent post-colonial nation in the Caribbean. With a new introduction (2023) by Professor David Scott.

woman thou art loosed 2023: *Lessons from My Father and Mother* Robert K. Auten Jr., 2024-10-25 Robert K. Auten Jr. reveals how the Lord helped him become the person he is today in this book. The author's guidance began through his parents, who taught him numerous important lessons. Then, through His shepherding, the Lord weaned the author from his parents to Himself. Esteemed Jewish Sages declare that there is a triune partnership in every human being's life. That partnership is God and the person's father and mother. They further express that if someone honors their parents, God considers it as if that person had honored Him. That triune partnership in the author's life, coupled with its intended teaching and experiences, demonstrated that God has never forsaken him. On the contrary, He has confirmed His presence via pursuit, persuasion, protection, correction, and the revelation of His word, the Bible. Written as a series of vignettes, with simple takeaways and confirming messages, the lessons in this book will help you appreciate the presence of God in your own life and pave the way for you to walk closer to Him.

woman thou art loosed 2023: *Help Me, I've Fallen and I Can't Get Up!* T. D. Jakes, 2008-01-28 Bishop T.D. Jakes provides comforting hope and practical ways for all people, including Christians, to get up after they have fallen. Everyone falls from time to time; and the cause of the fall is not as important as what we do while we are down and how we get back up. Be strong and courageous. Do not be afraid or terrified because of them, for the Lord your God goes with you; He will never leave you nor forsake you (Deuteronomy 31:6). Learn some of these important life lessons: Why pride and selfishness will lead to destruction. How to be content. The temptation to be self-sufficient. Like the woman in the television commercial, we must put aside fear, pride, or embarrassment and call out for help. We must learn not only how to ask for help, but Whom to ask.

After all, help is just a breath away.
