

army 4 day weekends 2023

army 4 day weekends 2023 have become a significant topic of interest among military personnel and their families. In 2023, the U.S. Army has provided several opportunities for extended breaks, allowing soldiers to enjoy four-day weekends throughout the year. These extended weekends offer valuable time for rest, family bonding, and personal pursuits, which are essential for maintaining morale and readiness. Understanding when these 4 day weekends occur, the policies behind them, and how soldiers can plan around them is crucial for effective time management. This article explores the schedule of army 4 day weekends 2023, the official regulations related to leave and holidays, and practical advice for maximizing these breaks.

- Official Army Holidays and Observances in 2023
- Scheduling Leave and Passes for Extended Weekends
- Benefits of 4 Day Weekends for Soldiers
- Planning and Recommendations for 2023

Understanding Army 4 Day Weekends

The concept of army 4 day weekends in 2023 revolves around combining federal holidays with weekends and authorized leave or pass days to create extended breaks. These longer weekends are highly valued by service members as they provide substantial downtime to recharge physically and mentally. The U.S. Army, like other branches of the military, observes several federal holidays during the year, which often fall adjacent to weekends. When these holidays line up favorably, soldiers can enjoy a natural 4 day weekend. Additionally, commanders may authorize leave or passes around these holidays to extend the break further.

Definition and Criteria

A 4 day weekend in the army is typically defined as a period of four consecutive days off duty, which may include weekends, federal holidays, and authorized leave days. These breaks are not guaranteed but are influenced by the official holiday calendar and unit-specific policies. Soldiers should consult their unit's leave policies and the official holiday schedule to identify potential 4 day weekends.

Frequency and Availability in 2023

In 2023, several federal holidays fall near weekends, creating natural opportunities for 4 day weekends. However, the availability of these extended breaks depends on operational requirements and command approval. The army prioritizes mission readiness, so while 4 day weekends are encouraged when possible, they are not assured for every soldier.

Official Army Holidays and Observances in 2023

The U.S. Army observes a set of federal holidays during which most personnel are granted time off. These holidays are key to identifying potential 4 day weekends in 2023.

Understanding the specific dates and how they align with weekends is essential for planning.

Key Federal Holidays in 2023

- New Year's Day – January 1 (Sunday; observed January 2, Monday)
- Martin Luther King Jr. Day – January 16 (Monday)
- Presidents' Day – February 20 (Monday)
- Memorial Day – May 29 (Monday)
- Juneteenth National Independence Day – June 19 (Monday)
- Independence Day – July 4 (Tuesday)
- Labor Day – September 4 (Monday)
- Columbus Day – October 9 (Monday)
- Veterans Day – November 11 (Saturday; observed November 10, Friday)
- Thanksgiving Day – November 23 (Thursday)
- Christmas Day – December 25 (Monday)

These holidays offer prime opportunities for 4 day weekends, especially when they fall on or near a Friday or Monday.

Observance and Impact

The army typically observes these holidays with official time off, although exceptions exist depending on operational needs. When a holiday falls on a weekend, the observed day may

shift to a nearby weekday, influencing the potential for extended weekends. Soldiers are encouraged to verify the official observance dates with their command.

Scheduling Leave and Passes for Extended Weekends

Beyond official holidays, soldiers can utilize leave or passes to create or extend 4 day weekends in 2023. Understanding the policies and procedures for requesting leave is critical to effectively plan these breaks.

Leave Requests and Approval Process

Army personnel must submit leave requests through their unit's chain of command. Approval depends on mission requirements, staffing levels, and timing. Planning leave around federal holidays can maximize time off, especially when combined with weekends. Early submission increases the likelihood of approval for extended breaks.

Types of Passes and Their Role

In addition to formal leave, soldiers may receive passes, which are authorized short-term absences typically without charge to leave balance. Passes can be granted for partial days or extended periods, providing flexibility to create longer weekends. Commanders have discretion over pass approvals based on operational needs.

Examples of 4 Day Weekend Scenarios in 2023

- Thanksgiving weekend: Thursday, November 23 through Sunday, November 26
- Memorial Day weekend: Saturday, May 27 through Tuesday, May 30 (with Monday as holiday)
- Labor Day weekend: Saturday, September 2 through Tuesday, September 5
- Christmas weekend: Saturday, December 23 through Tuesday, December 26 (with Monday as holiday)

Benefits of 4 Day Weekends for Soldiers

Extended weekends provide numerous advantages for soldiers, contributing to overall force readiness and wellbeing. The army recognizes the importance of these breaks in maintaining high morale and reducing burnout.

Physical and Mental Health Advantages

Four-day weekends allow soldiers additional time for rest and recovery from the physical and mental stresses of military duties. This downtime helps prevent fatigue and supports long-term health, enhancing performance upon return to duty.

Family and Social Benefits

Extended weekends offer valuable opportunities for soldiers to spend quality time with family and friends. This is particularly important for those who face frequent deployments or relocations. Strengthening social bonds contributes positively to mental health and resilience.

Increased Productivity and Readiness

When soldiers return from a 4 day weekend rested and refreshed, their productivity and alertness tend to improve. Commanders benefit from having personnel who are better prepared to meet mission demands, which supports overall unit effectiveness.

Planning and Recommendations for 2023

Proper planning is essential for maximizing the benefits of army 4 day weekends 2023. Soldiers and commanders alike should consider key factors to make the most of these opportunities.

Early Leave Submission

Submitting leave requests well in advance of desired 4 day weekends increases the chances of approval and smooth coordination within units. Soldiers should consult their command's leave calendar early to identify optimal times.

Coordination with Unit Schedules

Considering unit training cycles, deployments, and operational tempo is vital. Soldiers should align their leave plans with these factors to avoid conflicts and ensure mission continuity.

Utilizing Federal Holidays Effectively

Leveraging federal holidays adjacent to weekends is the simplest way to secure a 4 day weekend. Soldiers should be aware of the 2023 holiday calendar and plan accordingly.

Suggestions for Soldiers

1. Review the official 2023 army holiday schedule early in the year.
2. Identify potential 4 day weekends and mark them on a personal calendar.
3. Discuss leave intentions with immediate supervisors to ensure feasibility.
4. Submit leave requests as early as possible.
5. Plan activities that promote rest, recreation, or family time during extended breaks.

Frequently Asked Questions

Will the Army have 4-day weekends in 2023?

In 2023, the Army does not officially schedule regular 4-day weekends, but service members may experience extended weekends through leave, holidays, or special authorized passes.

Are there any special programs in 2023 allowing Army personnel to have 4-day weekends?

Some Army units may offer special leave programs or block leave periods that can result in 4-day weekends, but these are unit-specific and not a standardized policy for 2023.

How can Army soldiers maximize their leave to create 4-day weekends in 2023?

Soldiers can strategically plan their leave around federal holidays to create 4-day weekends, such as taking Friday or Monday off adjacent to a holiday weekend.

Does the Army recognize federal holidays in 2023 that could lead to 4-day weekends?

Yes, the Army observes federal holidays, and when combined with leave or pass days, soldiers can often enjoy extended 4-day weekends during the year 2023.

Are 4-day weekends more common during certain times of the year for Army personnel in 2023?

4-day weekends are more likely around major federal holidays like Memorial Day, Independence Day, and Labor Day in 2023, especially if soldiers take additional leave days

adjacent to these holidays.

Additional Resources

1. Maximizing Your Army 4 Day Weekends in 2023

This guidebook offers practical tips and strategies for soldiers and their families to make the most of their extended weekends. It covers planning, travel ideas, and relaxation techniques tailored to the unique demands of military life. Readers will find advice on balancing rest and recreation while maintaining readiness.

2. The Ultimate Army 4 Day Weekend Planner 2023

Designed specifically for army personnel, this planner helps organize activities around 4-day weekends throughout 2023. It includes checklists, itinerary suggestions, and budget-friendly options for short trips. The book also highlights opportunities for personal development during downtime.

3. Stress Relief and Recreation: Army 4 Day Weekends 2023

Focusing on mental health and wellness, this book explores ways soldiers can decompress during 4-day weekends. It discusses mindfulness practices, outdoor activities, and social engagement to reduce stress. The author provides insights from military psychologists and veterans.

4. Family Adventures on Army 4 Day Weekends

This book is a resource for military families looking to strengthen bonds during 4-day weekends. It offers fun, family-friendly activities and travel destinations that accommodate military schedules. The book also addresses challenges of deployment and reintegration during these breaks.

5. Fitness and Fun: Staying Active on Army 4 Day Weekends 2023

Promoting physical fitness during downtime, this book presents workout routines and recreational sports suited for 4-day weekends. It includes advice on nutrition, injury prevention, and balancing exercise with rest. The author emphasizes maintaining peak physical condition year-round.

6. Exploring the U.S. on Army 4 Day Weekends

Highlighting accessible travel options, this book showcases destinations across the United States ideal for short military breaks. It provides historical context, lodging tips, and budget travel hacks. Readers will find inspiration to explore new places without extensive leave.

7. Career Growth and Learning During Army 4 Day Weekends

This guide encourages soldiers to use their extra time for professional development. It lists online courses, certification programs, and self-study plans that fit into 4-day weekend schedules. The book also features success stories from service members who advanced their careers this way.

8. Cooking and Meal Prep for Army 4 Day Weekends

Offering quick and nutritious recipes, this book helps soldiers and their families prepare meals during short breaks. It emphasizes easy-to-make dishes that save time and reduce stress. The author includes tips for meal planning and grocery shopping on a military

budget.

9. *Mindful Living: Embracing Army 4 Day Weekends in 2023*

This reflective book encourages a mindful approach to downtime, helping readers find meaning and balance during 4-day weekends. It covers meditation techniques, journaling prompts, and ways to connect with nature. The book aims to enhance personal growth alongside military duties.

Chapter 3: Relaxation & Rejuvenation Techniques: Stress Reduction and Self-Care Strategies

Chapter 4: Maintaining Fitness & Health During Limited Time Off

Chapter 5: Strengthening Relationships: Connecting with Loved Ones During Your Break

Chapter 6: Preparing for Your Return to Duty: Easing the Transition Back to Work

Conclusion: Sustaining a Healthy Work-Life Balance Throughout the Year

Operation Downtime: Mastering Your Army 4-Day Weekends

Introduction: Understanding the Value of Downtime in Military Life

Military life demands significant sacrifices. Long hours, demanding schedules, and frequent deployments leave little room for personal time. However, downtime is not a luxury; it's a necessity for maintaining physical and mental well-being, strengthening relationships, and preventing burnout. This book emphasizes the critical importance of utilizing your 4-day weekends effectively to recharge, reconnect, and return to duty refreshed and ready to perform at your best. We'll move beyond simply surviving your time off and explore strategies to truly thrive during those precious few days.

Chapter 1: Planning the Perfect 4-Day Weekend: From Leave Requests to Itinerary Creation

Successfully maximizing your 4-day weekend begins with meticulous planning. This chapter addresses the logistical aspects of securing leave, emphasizing the importance of submitting requests well in advance and understanding your unit's specific procedures. We'll cover:

Understanding Leave Policies: Navigating the complexities of Army leave regulations, including different types of leave (e.g., regular leave, emergency leave) and the procedures for submitting requests. This includes understanding the difference between weekend pass and longer leave requests.

Effective Leave Request Submission: Crafting a clear, concise, and professional leave request that increases your chances of approval. We'll examine best practices and what to avoid.

Creating a Realistic Itinerary: Developing a balanced itinerary that incorporates rest and relaxation alongside activities you enjoy. Avoid over-scheduling and build in buffer time to account for unexpected delays.

Prioritizing Your Needs: Identifying your top priorities for your time off. Are you aiming for adventure, relaxation, or quality time with loved ones? This will inform your itinerary planning.

Utilizing Technology for Planning: Exploring helpful apps and tools for travel planning, budgeting, and managing your schedule.

Chapter 2: Budget-Friendly Adventures: Exploring Affordable Activities and Getaways

Not every 4-day weekend requires an expensive vacation. This chapter highlights cost-effective ways to enjoy your time off, emphasizing creative solutions for maximizing enjoyment without breaking the bank. We'll discuss:

Free and Low-Cost Activities: Exploring local parks, museums (with free admission days), hiking trails, and other free or low-cost entertainment options.

Camping and Outdoor Adventures: Planning budget-friendly camping trips or exploring nearby natural areas for hiking, fishing, or other outdoor pursuits.

Cook-at-Home Meals: Saving money by preparing meals at home instead of eating out frequently.

This also helps to maintain healthier eating habits.

Utilizing Military Discounts: Taking advantage of military discounts on travel, entertainment, and other services.

Frugal Travel Strategies: Finding affordable transportation options, considering off-season travel, and using travel rewards programs.

Chapter 3: Relaxation & Rejuvenation Techniques: Stress Reduction and Self-Care Strategies

The Army lifestyle is inherently stressful. This chapter emphasizes the importance of incorporating stress reduction and self-care techniques into your 4-day weekends. We will explore:

Mindfulness and Meditation: Learning basic mindfulness and meditation techniques to help calm the mind and reduce stress.

Yoga and Stretching: Incorporating gentle yoga or stretching routines to improve flexibility, reduce muscle tension, and promote relaxation.

Spending Time in Nature: The restorative power of nature and how spending time outdoors can help reduce stress and improve mood.

Reading and Engaging in Hobbies: Finding time to relax with books, pursue hobbies, or engage in other enjoyable activities.

Getting Sufficient Sleep: Prioritizing quality sleep to help improve mood, energy levels, and overall well-being.

Chapter 4: Maintaining Fitness & Health During Limited Time Off

Maintaining physical health is crucial, even during limited time off. This chapter provides strategies for incorporating fitness and healthy habits into your 4-day weekend, even with a busy schedule. We will cover:

Short, Effective Workouts: Designing short, high-intensity workouts that can be done in limited time.

Outdoor Activities for Fitness: Combining fitness with outdoor activities like hiking, biking, or swimming.

Healthy Eating Habits: Making mindful food choices to support physical and mental health.

Staying Hydrated: Emphasizing the importance of adequate hydration throughout the weekend.

Prioritizing Sleep: Ensuring enough quality sleep to support physical recovery and energy levels.

Chapter 5: Strengthening Relationships: Connecting with Loved Ones During Your Break

Connecting with loved ones is essential for maintaining strong relationships and overall well-being. This chapter offers strategies for strengthening bonds with family and friends during your limited time off:

Quality Time with Family: Planning activities that foster connection and create lasting memories.

Connecting with Friends: Scheduling time for social interactions with friends and loved ones.

Effective Communication: Improving communication with family and friends to strengthen relationships.

Date Nights (or Days!): Prioritizing quality time with your significant other, if applicable.

Creating Meaningful Experiences: Focusing on activities that create shared memories and foster bonding.

Chapter 6: Preparing for Your Return to Duty: Easing the Transition Back to Work

The transition back to work after a relaxing weekend can be challenging. This chapter provides strategies for easing the transition and preventing post-leave blues:

Planning for Your Return: Preparing for work tasks and responsibilities in advance to reduce stress.

Gradually Returning to Routine: Easing back into your normal routine to avoid feeling overwhelmed.

Mental Preparation: Focusing on positive aspects of your job and creating a sense of purpose.

Stress Management Techniques: Utilizing stress-reduction techniques learned throughout the book.

Reflecting on Your Time Off: Reviewing your experiences and identifying aspects to replicate in future weekends.

Conclusion: Sustaining a Healthy Work-Life Balance Throughout the Year

This book has provided a comprehensive framework for maximizing your Army 4-day weekends. Remember, downtime is not a luxury, but a necessity for maintaining your physical and mental well-being. By implementing these strategies, you can create a sustainable work-life balance that allows you to thrive both in your military career and personal life. Consistent application of these principles will lead to a more fulfilling and balanced life, both on and off duty.

FAQs

1. How can I request leave for a 4-day weekend? The process involves submitting a leave request through your chain of command, following your unit's specific procedures. Ensure your request is submitted well in advance and clearly outlines your requested dates.
2. What if my leave request is denied? If your leave request is denied, understand the reasons provided and explore alternative options, such as a shorter break or rescheduling your leave.
3. How can I budget effectively for a 4-day weekend getaway? Prioritize needs over wants, explore free or low-cost activities, cook at home, and utilize military discounts.
4. What are some relaxing activities I can do during my 4-day weekend? Engage in mindfulness, meditation, yoga, read a book, spend time in nature, or pursue a hobby.
5. How can I stay fit during limited time off? Plan short, effective workouts, incorporate outdoor activities, and prioritize healthy eating habits.
6. What are some ways to strengthen relationships during my 4-day weekend? Spend quality time with family and friends, engage in shared activities, and prioritize meaningful communication.
7. How can I ease the transition back to work after my 4-day weekend? Prepare for work tasks, gradually return to your routine, and utilize stress-reduction techniques.
8. Are there any apps or resources that can help me plan my 4-day weekend? Yes, many travel planning apps, budgeting tools, and fitness trackers can assist in organizing your time off.
9. Can I combine a 4-day weekend with other leave to create a longer break? Yes, you can often combine a 4-day weekend with other types of leave, such as annual leave, to create a more extended break; however, you must follow the proper leave request procedures.

army 4 day weekends 2023: *Army Food Program* Department of the Army, 2012-07-24 This regulation encompasses garrison, field, and subsistence supply operations. Specifically, this regulation comprises Army Staff and major Army command responsibilities and includes responsibilities for the Installation Management Command and subordinate regions. It also establishes policy for the adoption of an à la carte dining facility and for watercraft to provide subsistence when underway or in dock. Additionally, the regulation identifies DOD 7000.14-R as the source of meal rates for reimbursement purposes; delegates the approval authority for catered meals and host nation meals from Headquarters, Department of the Army to the Army commands; and authorizes the use of the Government purchase card for subsistence purchases when in the best interest of the Government. This regulation allows prime vendors as the source of garrison supply and pricing and provides garrison menu standards in accordance with The Surgeon General's nutrition standards for feeding military personnel. Also, included is guidance for the implementation of the U.S. Department of Agriculture Food Recovery Program.

army 4 day weekends 2023: Model Rules of Professional Conduct American Bar Association. House of Delegates, Center for Professional Responsibility (American Bar Association), 2007 The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

(DCIPS) The purpose of the overall Instruction is to establish and implement policy, establish uniform DoD-wide procedures, provide guidelines and model programs, delegate authority, and assign responsibilities regarding civilian personnel management within the Department of Defense. Why buy a book you can download for free? We print this book so you don't have to. First you gotta find a good clean (legible) copy and make sure it's the latest version (not always easy). Some documents found on the web are missing some pages or the image quality is so poor, they are difficult to read. We look over each document carefully and replace poor quality images by going back to the original source document. We proof each document to make sure it's all there - including all changes. If you find a good copy, you could print it using a network printer you share with 100 other people (typically its either out of paper or toner). If it's just a 10-page document, no problem, but if it's 250-pages, you will need to punch 3 holes in all those pages and put it in a 3-ring binder. Takes at least an hour. It's much more cost-effective to just order the latest version from Amazon.com This book includes original commentary which is copyright material. Note that government documents are in the public domain. We print these large documents as a service so you don't have to. The books are compact, tightly-bound, full-size (8 1/2 by 11 inches), with large text and glossy covers. 4th Watch Publishing Co. is a SDVOSB. www.usgovpub.com

army 4 day weekends 2023: Fire and Fortitude John C. McManus, 2019 John C. McManus, one of our most highly-acclaimed historians of World War II, takes readers from Pearl Harbor--a rude awakening for a ragtag militia woefully unprepared for war--to Makin, a sliver of coral reef where the Army was tested against the increasingly-desperate Japanese. In between were nearly two years of punishing combat as the Army transformed, at times unsteadily, from an undertrained garrison force into an unstoppable juggernaut, and America evolved from an inward-looking nation into a global superpower.--Provided by publisher.

army 4 day weekends 2023: Thank You for Your Service David Finkel, 2013-10-01 Now a Major Motion Picture Directed by American Sniper Writer Jason Hall and Starring Miles Teller No journalist has reckoned with the psychology of war as intimately as David Finkel. In *The Good Soldiers*, his bestselling account from the front lines of Baghdad, Finkel embedded with the men of the 2-16 Infantry Battalion as they carried out the infamous "surge". Now, in *Thank You for Your Service*, Finkel tells the true story of those men as they return home from the front-lines of Baghdad and struggle to reintegrate--both into their family lives and into American society at large. Finkel is with these veterans in their most intimate, painful, and hopeful moments as they try to recover, and in doing so, he creates an indelible, essential portrait of what life after war is like--not just for these soldiers, but for their wives, widows, children, and friends, and for the professionals who are truly trying, and to a great degree failing, to undo the damage that has been done. *Thank You for Your Service* is an act of understanding, and it offers a more complete picture than we have ever had of two essential questions: When we ask young men and women to go to war, what are we asking of them? And when they return, what are we thanking them for? "Finkel sketches a panoramic view of postwar life....A book that every American should read." —Jake Tapper, Los Angeles Times Finalist for the National Book Critics Circle Award, the Los Angeles Times Book Prize, and the New York Public Library Helen Bernstein Award for Excellence in Journalism. One of Ten Favorite Books of 2013 by Michiko Kakutani (The New York Times), a Washington Post Top Ten Book of the Year, and a New York Times Book Review Notable Book of the Year

army 4 day weekends 2023: United States Code United States, 2013 The United States Code is the official codification of the general and permanent laws of the United States of America. The Code was first published in 1926, and a new edition of the code has been published every six years since 1934. The 2012 edition of the Code incorporates laws enacted through the One Hundred Twelfth Congress, Second Session, the last of which was signed by the President on January 15, 2013. It does not include laws of the One Hundred Thirteenth Congress, First Session, enacted between January 2, 2013, the date it convened, and January 15, 2013. By statutory authority this edition may be cited U.S.C. 2012 ed. As adopted in 1926, the Code established prima facie the general and permanent laws of the United States. The underlying statutes reprinted in the Code

remained in effect and controlled over the Code in case of any discrepancy. In 1947, Congress began enacting individual titles of the Code into positive law. When a title is enacted into positive law, the underlying statutes are repealed and the title then becomes legal evidence of the law. Currently, 26 of the 51 titles in the Code have been so enacted. These are identified in the table of titles near the beginning of each volume. The Law Revision Counsel of the House of Representatives continues to prepare legislation pursuant to 2 U.S.C. 285b to enact the remainder of the Code, on a title-by-title basis, into positive law. The 2012 edition of the Code was prepared and published under the supervision of Ralph V. Seep, Law Revision Counsel. Grateful acknowledgment is made of the contributions by all who helped in this work, particularly the staffs of the Office of the Law Revision Counsel and the Government Printing Office--Preface.

army 4 day weekends 2023: *The Uniformed Services Employment and Reemployment Rights Act* George R. Wood, Ossai Miazad, 2017

army 4 day weekends 2023: *Call Sign Chaos* Jim Mattis, Bing West, 2019-09-03 #1 NEW YORK TIMES BESTSELLER • A clear-eyed account of learning how to lead in a chaotic world, by General Jim Mattis—the former Secretary of Defense and one of the most formidable strategic thinkers of our time—and Bing West, a former assistant secretary of defense and combat Marine. “A four-star general’s five-star memoir.”—The Wall Street Journal *Call Sign Chaos* is the account of Jim Mattis’s storied career, from wide-ranging leadership roles in three wars to ultimately commanding a quarter of a million troops across the Middle East. Along the way, Mattis recounts his foundational experiences as a leader, extracting the lessons he has learned about the nature of warfighting and peacemaking, the importance of allies, and the strategic dilemmas—and short-sighted thinking—now facing our nation. He makes it clear why America must return to a strategic footing so as not to continue winning battles but fighting inconclusive wars. Mattis divides his book into three parts: Direct Leadership, Executive Leadership, and Strategic Leadership. In the first part, Mattis recalls his early experiences leading Marines into battle, when he knew his troops as well as his own brothers. In the second part, he explores what it means to command thousands of troops and how to adapt your leadership style to ensure your intent is understood by your most junior troops so that they can own their mission. In the third part, Mattis describes the challenges and techniques of leadership at the strategic level, where military leaders reconcile war’s grim realities with political leaders’ human aspirations, where complexity reigns and the consequences of imprudence are severe, even catastrophic. *Call Sign Chaos* is a memoir of a life of warfighting and lifelong learning, following along as Mattis rises from Marine recruit to four-star general. It is a journey about learning to lead and a story about how he, through constant study and action, developed a unique leadership philosophy, one relevant to us all.

army 4 day weekends 2023: *Encyclopedia of Ethical Failure* Department of Defense, 2009-12-31 The Standards of Conduct Office of the Department of Defense General Counsel's Office has assembled an encyclopedia of cases of ethical failure for use as a training tool. These are real examples of Federal employees who have intentionally or unwittingly violated standards of conduct. Some cases are humorous, some sad, and all are real. Some will anger you as a Federal employee and some will anger you as an American taxpayer. Note the multiple jail and probation sentences, fines, employment terminations and other sanctions that were taken as a result of these ethical failures. Violations of many ethical standards involve criminal statutes. This updated (end of 2009) edition is organized by type of violations, including conflicts of interest, misuse of Government equipment, violations of post-employment restrictions, and travel.

army 4 day weekends 2023: *The Ghost Army of World War II* Rick Beyer, Elizabeth Sayles, 2023-10-10 “A riveting tale told through personal accounts and sketches along the way—ultimately, a story of success against great odds. I enjoyed it enormously.” —Tom Brokaw The first book to tell the full story of how a traveling road show of artists wielding imagination, paint, and bravado saved thousands of American lives—now updated with new material. In the summer of 1944, a handpicked group of young GIs—artists, designers, architects, and sound engineers, including such future luminaries as Bill Blass, Ellsworth Kelly, Arthur Singer, Victor Dowd, Art Kane, and Jack

Masey—landed in France to conduct a secret mission. From Normandy to the Rhine, the 1,100 men of the 23rd Headquarters Special Troops, known as the Ghost Army, conjured up phony convoys, phantom divisions, and make-believe headquarters to fool the enemy about the strength and location of American units. Every move they made was top secret, and their story was hushed up for decades after the war's end. Hundreds of color and black-and-white photographs, along with maps, official memos, and letters, accompany Rick Beyer and Elizabeth Sayles's meticulous research and interviews with many of the soldiers, weaving a compelling narrative of how an unlikely team carried out amazing battlefield deceptions that saved thousands of American lives and helped open the way for the final drive to Germany. The stunning art created between missions also offers a glimpse of life behind the lines during World War II. This updated edition includes: A new afterword by co-author Rick Beyer Never-before-seen additional images The successful campaign to have the unit awarded a Congressional Gold Medal History and WWII enthusiasts will find *The Ghost Army of World War II* an essential addition to their library.

army 4 day weekends 2023: *Mr. Inside and Mr. Outside* Jack Cavanaugh, 2014-09-01 Heisman Trophy winners Glenn Davis and Felix Blanchard—renowned during their playing days at West Point as Mr. Inside and Mr. Outside—were the best-known college football players in the country between 1944 and 1946, and Army was the nation's top-ranked team under legendary coach Red Blaik. Acclaimed author Jack Cavanaugh takes readers through the Black Knights' three consecutive National Championship seasons, including the 1946 Game of the Century between Army and Notre Dame, the only college game to date to have included four Heisman Trophy winners. Cavanaugh also examines the impact the war had on Army's success—because its players were already considered to be in the military and thus deferred from active duty while students at West Point, Army featured many outstanding high school and prep school players in those years. A unique look at the changes that took place in sports and almost every aspect of American life in the wake of World War II, this book a must-read for fans of college football and military buffs in addition to Army fans.

army 4 day weekends 2023: *Pentagon 9/11* Alfred Goldberg, 2007-09-05 The most comprehensive account to date of the 9/11 attack on the Pentagon and aftermath, this volume includes unprecedented details on the impact on the Pentagon building and personnel and the scope of the rescue, recovery, and caregiving effort. It features 32 pages of photographs and more than a dozen diagrams and illustrations not previously available.

army 4 day weekends 2023: *Christmas at Highclere* The Countess of Carnarvon, 2019-09-05 Highclere Castle, known as 'the real Downton Abbey' bustles with activity at the best of times, but it is never more alive than at Christmas. *Christmas at Highclere* is a look behind the scenes at the routines and rituals that make the castle the most magical place to be throughout the festive season. Lady Carnarvon will guide you through Advent, Christmas preparations and Christmas Eve all the way through to the day itself, and beyond. Learn how the castle and grounds are transformed by decorations, including the raising of a twenty-foot tree in the saloon, the gathering of holly and mistletoe from the grounds. All the intricacies of the perfect traditional Christmas are here: from crackers and carol singers. The festive feeling is carried through to Highclere's Boxing Day traditions, the restorative middle days and the New Year's Eve celebrations. This book also tells the story of historic Christmases at Highclere - of distinguished guests warming themselves by the fire after a long journey home through the snow, unexpected knocks on the door, and, always, the joy of bringing family - and staff - together after a busy year. As well as telling the stories of Highclere Christmases past and present, Lady Carnarvon provides recipes, tips and inspiration from her kitchen so that readers can bring a quintessentially British festive spirit to their own home. Lady Carnarvon divulges the secret to perfectly flakey mince pies, the proper way to wrap presents so that you and your guests are guaranteed a Christmas to remember. Lavish, celebratory and utterly enchanting, *Christmas at Highclere* is celebration of one of the UK's most beloved historic houses and is the perfect gift for any Downton Abbey fan.

army 4 day weekends 2023: Dear Jack, Dear Louise Ken Ludwig, 2020-10-05 U.S. Army Captain Jack Ludwig, a military doctor stationed in Oregon, begins writing to Louise Rabiner, an aspiring actress and dancer in New York City, hoping to meet her someday if the war will allow. But as the war continues, it threatens to end their relationship before it even starts. Tony Award-winning playwright Ken Ludwig (Baskerville: A Sherlock Holmes Mystery, Lend Me a Tenor) tells the joyous, heartwarming story of his parents' courtship during World War II and the results are anything but expected. Ludwig's play, though about a particular moment in his personal history as well as our collective history, also resonates today. Dear Jack, Dear Louise is a moving, funny, and heartbreaking reminder of what we should strive to become, individually and as a country. - BroadwayWorld Moving and cinematic... The play, based on the correspondence of Ludwig's parents-to-be, crackles with humor and real feeling. - DC Theatre Scene An intimate play with tremendous breadth... Ken Ludwig's Dear Jack, Dear Louise plumbs the depths of human courage, commitment, and connection when the world and your heart are at stake. - DC Metro Theater Arts Strikes the touchstones of the online dating age with uncanny precision. - The Washington Post

army 4 day weekends 2023: The Noncommissioned Officer and Petty Officer Department of Defense, National Defense University Press, 2020-02-10 The Noncommissioned Officer and Petty Officer BACKBONE of the Armed Forces. Introduction The Backbone of the Armed Forces To be a member of the United States Armed Forces--to wear the uniform of the Nation and the stripes, chevrons, or anchors of the military Services--is to continue a legacy of service, honor, and patriotism that transcends generations. Answering the call to serve is to join the long line of selfless patriots who make up the Profession of Arms. This profession does not belong solely to the United States. It stretches across borders and time to encompass a culture of service, expertise, and, in most cases, patriotism. Today, the Nation's young men and women voluntarily take an oath to support and defend the Constitution of the United States and fall into formation with other proud and determined individuals who have answered the call to defend freedom. This splendid legacy, forged in crisis and enriched during times of peace, is deeply rooted in a time-tested warrior ethos. It is inspired by the notion of contributing to something larger, deeper, and more profound than one's own self. Notice: This is a printed Paperback version of the The Noncommissioned Officer and Petty Officer BACKBONE of the Armed Forces. Full version, All Chapters included. This publication is available (Electronic version) in the official website of the National Defense University (NDU). This document is properly formatted and printed as a perfect sized copy 6x9.

army 4 day weekends 2023: **With It Or in It** Bacil Donovan Warren, 2016-02-24 Using humor and frank candor, author Bacil Donovan Warren shares his personal experience, as well as that of his fellow tankers, as part of the US Army's 3d Armored Cavalry Regiment (the Brave Rifles) in Saudi Arabia and Iraq. Warren recounts the initial shock of hearing about Iraq's invasion of Kuwait and his Regiment's preparation for deployment during Operation Desert Shield. He describes the stress and sometimes mind-numbing boredom of being deployed deep in the desert of Saudi Arabia, constantly preparing for a possible Iraqi invasion. He recalls the terrifying experience of the start of the air war of Operation Desert Storm and the workmanlike action during combat against Iraq's Republican Guard forces during Operation Desert Sabre. With It or in It brings clarity and focus to their unceasing efforts to bring the conflict to a swift and decisive end. Finally, Warren describes the triumphant return of the Brave Rifles to Ft. Bliss, Texas, and the waiting arms of their families and loved ones.

army 4 day weekends 2023: Army Training and Leader Development Department Army, 2012-12-06 This regulation prescribes policies, procedures, and responsibilities for developing, managing, and conducting Army training and leader development.

army 4 day weekends 2023: Wear and Appearance of Army Uniforms and Insignia Department of the Army, 2005-02-03 This regulation prescribes the authorization for wear, composition, and classification of uniforms, and the occasions for wearing all personal (clothing bag issue), optional, and commonly worn organizational Army uniforms. It also prescribes the awards, insignia, and accouterments authorized for wear on the uniform, and how these items are worn. General information is also provided on the authorized material, design, and uniform quality control system. Only uniforms, accessories, and insignia prescribed in this regulation or in the common tables of allowance (CTA), or as approved by Headquarters, Department of the Army (HQDA), will be worn by personnel in the U.S. Army. Unless specified in this regulation, the commander issuing the clothing and equipment will establish wear policies for organizational clothing and equipment. No item governed by this regulation will be altered in any way that changes the basic design or the intended concept of fit as described in TM 10-227 and AR 700-84, including plating, smoothing, or removing detail features of metal items, or otherwise altering the color or appearance. All illustrations in this regulation should coincide with the text. The written description will control any inconsistencies between the text and the illustration. AR 70-1 prescribes Department of the Army (DA) policies, responsibilities, and administrative procedures by which all clothing and individual equipment used by Army personnel are initiated, designed, developed, tested, approved, fielded, and modified. AR 385-10 prescribes DA policies, responsibilities, and administrative procedures and funding for protective clothing and equipment. In accordance with chapter 45, section 771, title 10, United States Code (10 USC 771), no person except a member of the U.S. Army may wear the uniform, or a distinctive part of the uniform of the U.S. Army unless otherwise authorized by law. Additionally, no person except a member of the U.S. Army may wear a uniform, any part of which is similar to a distinctive part of the U.S. Army uniform. This includes the distinctive uniforms and uniform items listed in paragraph 1-12 of this regulation. Further, soldiers are not authorized to wear distinctive uniforms or uniform items of the U.S. Army or of other U.S. Services with, or on civilian clothes, except as provided in chapters 27 through 30 of this regulation.

army 4 day weekends 2023: Safe Return Michael Uhl, 2023-06-02 In 1971, antiwar activists Michael Uhl and Tod Ensign founded the Safe Return Committee in New York City, seeking amnesty for those who resisted the Vietnam War. While thousands of young Americans chose exile in Canada and Europe to avoid the draft, Safe Return worked on behalf of those who had come to oppose the war after entering the armed forces. Once in uniform, many ran afoul of a draconian system of military justice and institutionalized racism. They deserted in epidemic numbers, some to foreign exile. This book tells the story of the Committee's sponsored return of deserters and draft evaders, in a series of actions widely publicized to build public support for their acts of resistance.

army 4 day weekends 2023: *Ethnography as a Pastoral Practice* Mary Clark Moschella, 2023-02-28 Ethnography is a way to tap the deep undercurrents in a community through a process of gathering, analyzing, and sharing data. Fully revised and updated for this second edition, *Ethnography as a Pastoral Practice* has quickly become the go-to textbook for those in or training for ministry who want to discover how they can use ethnography to help them hear the stories of those to whom they minister. Setting forth the case for ethnography's ability to galvanize aspirations and heal communal hurt, this book presents the helpful pastoral practice of ethnography in a clear, step-by-step manner and includes many compelling case studies of transformational leadership. *Ethnography as a Pastoral Practice* invites us to open our eyes, ears and hearts to those in our congregations.

army 4 day weekends 2023: *Traveling the Lewis and Clark Trail* Julie Fanselow, 2023-05-01 This guide is an in-depth look at how to get the most out of a visit to the historic Lewis and Clark Trail. The best sites to see and activities to do along the way are given, as well as maps, itineraries, and local resources for lodging and dining.

army 4 day weekends 2023: *The Son of My Father: The Memoir of a Preaching Minister/Educator* John W Waters, PhD., 2023-11-22 About the Book As a sickly child, John W Waters was told he would not live to five years old. His family, large and dysfunctional, was never any help, especially his father, who said John would never amount to much even if he did live to see adulthood. At three, John's love of reading took over, and with each year that passed, he defied all the odds, not only living long enough to see himself become an adult but earning top grades and graduating at the top of his class in high school. His father never attended his commencement. As his passion for religion and education grew, John earned his PhD in the Hebrew Bible and taught at several higher education institutions, ending his academic career as a chairperson of the Biblical Studies Department at the ITC in Atlanta. John's passion for the Lord is what drove him to begin a new career in ministry, beginning as a youth minister and moving up through the ranks until he

retired as a senior minister emeritus at the Greater Solid Rock Baptist Church. Receiving many honors and awards throughout his life for his community and religious service, John succeeded in a world where most thought he would fail, and now writes his inspiring journey in this one-of-a-kind memoir for those who were always told they would never succeed. For those who see themselves as unworthy. In the eyes of God, you are, and with hard work, determination, and a strong faith, your journey can be just as fruitful. About the Author John W Waters, PhD., enjoys reading, listening to good music, cooking, and writing poetry. After living for more than eight decades, he no longer actively engages in civic and community activities as he had been.

army 4 day weekends 2023: Point of the Spear Eduardo Infante Antonio, 2023-07-20 Why I wrote this Book I became interested in writing about the Vietnam War from my own perspective when I saw TV documentaries showing marines and some army soldiers indiscriminately burning Vietnamese thatch houses, destroying livestock and capturing old men, women and children. Those documentaries give a negative impression to the American public, that all American soldiers did that. This book is to tell the readers from my own personal combat experiences, that there were American soldiers and ARVN Rangers who fought and died courageously against the Viet Cong guerillas and North Vietnamese Army soldiers without harming old men, women or children. On my tour of duty from 1966 to 1967, my recon platoon, my 4th/12th Battalion, my 199th Brigade and the gallant South Vietnamese Black Panther Rangers that fought and died beside us, did not burn any thatch houses or shoot any innocent civilians.

army 4 day weekends 2023: *The Viking Battalion* Olaf Minge, Kyle Ward, Erik Brun, 2023-07-31 What is engaging about this book is that you get to hear the authentic voices of the soldiers through their memoirs, journal entries, and letters. Some are long, some are short, but all are worth reading for the insights you get into the minds of the ordinary soldier and what catches his eye. — The Norwegian American Hidden in the crevasses of World War II history is the story of the 99th Infantry Battalion (Separate). A small unit that rarely gets any attention, it is part of a fascinating story. Alongside battalions of Austrian, Greek, Filipino and Japanese Americans, the Army decided to create an all Norwegian American battalion, originally trained at Camp Hale, Colorado, along with the 10th Mountain Division, with the original mission of liberating Norway. Their exploits during training brought them enough notoriety that members of the 99th were recruited to start the First Special Service Force and a branch of the OSS. Although they were not initially sent to Norway, they would fight in Normandy, across France and Belgium, helped entrap the Germans at Aachen, protected the city of Malmedy during the Battle of the Bulge (where they stopped an attack by Skorzeny and a SS Panzer Division), helped liberate Buchenwald, guarded the Nazi treasures found in Merkers mine and finally served as the Honor Guard for King Haakon VII on his triumphant return to Norway. This book tells the story of the 99th Infantry Battalion through an anthology of rarely, if ever, previously seen memoirs, journals, letters and newspaper articles written by or about the Viking soldiers.

army 4 day weekends 2023: The Art Thief Michael Finkel, 2023-06-27 NEW YORK TIMES BEST SELLER • One of the most remarkable true-crime narratives of the twenty-first century: the story of the world's most prolific art thief, Stéphane Breitwieser. • "The Art Thief, like its title character, has confidence, élan, and a great sense of timing.—The New Yorker A BEST BOOK OF THE YEAR: The Washington Post, The New Yorker, Lit Hub Enthralling. —The Wall Street Journal In this spellbinding portrait of obsession and flawed genius, the best-selling author of *The Stranger in the Woods* brings us into Breitwieser's strange world—unlike most thieves, he never stole for money, keeping all his treasures in a single room where he could admire them. For centuries, works of art have been stolen in countless ways from all over the world, but no one has been quite as successful at it as the master thief Stéphane Breitwieser. Carrying out more than two hundred heists over nearly eight years—in museums and cathedrals all over Europe—Breitwieser, along with his girlfriend who worked as his lookout, stole more than three hundred objects, until it all fell apart in spectacular fashion. In *The Art Thief*, Michael Finkel brings us into Breitwieser's strange and fascinating world. Unlike most thieves, Breitwieser never stole for money. Instead, he displayed all

his treasures in a pair of secret rooms where he could admire them to his heart's content. Possessed of a remarkable athleticism and an innate ability to circumvent practically any security system, Breitwieser managed to pull off a breathtaking number of audacious thefts. Yet these strange talents bred a growing disregard for risk and an addict's need to score, leading Breitwieser to ignore his girlfriend's pleas to stop—until one final act of hubris brought everything crashing down. This is a riveting story of art, crime, love, and an insatiable hunger to possess beauty at any cost.
