Alhamdulillah, the number of such people is increasing. In order to encourage as well as help such readers of the Holy Qur'an, I compiled the difficult words of the Qur'an in the form of a book in Urdu, titled Aasaan Lughatul Qur'an (Easy Dictionary of Qur'an) and published it as a dictionary way back in 1952. In this dictionary, words were placed in order of their occurrence in the Surahs of the Qur'an, avoiding those words which were repeated. For example, the words Alif-Laam-Meem of Surah al-Baqarah come first and those of Surah aale-Imran come next, and so on.
