Clint Eastwood was born on May 31, 1930, in San Francisco, California. His full name is Clinton Eastwood Jr., reflecting a modest upbringing in a working-class family. Eastwood's early years were shaped by a blend of influences, including his father's work as a construction worker and his mother's role as a homemaker. He grew up during the Great Depression and World War II, which impacted American society and culture profoundly. Eastwood's interest in sports and music was evident during his school years, but he did not initially envision a career in acting. Instead, he worked various jobs and served in the U.S. Army before entering the entertainment industry.

biographie clint eastwood: Clint Eastwood John H. Foote, 2008-12-30 Now a two-time Academy Award winner for best director, twice winner of the Directors Guild of America Award for best director, and recipient of countless other critics prizes and nominations in multiple capacities, Clint Eastwood stands alongside Martin Scorsese and Steven Spielberg as one of the finest directors working in modern cinema. Here, John Foote examines the long, impressive, and unlikely film career of a man who fought against expectations to forge his own way and become one of this generation's finest filmmakers. Each chapter examines a different film, beginning with *Play Misty for Me* (1971) and *High Plains Drifter* (1973) and extending to his 21st-century films *Space Cowboys* (2000), *Blood Work* (2002), *Mystic River* (2003), *Million Dollar Baby* (2004), *Flags of Our Fathers* (2006), *Letters from Iwo Jima* (2006), and *Changeling* (2008). This book is, in the author's own words, a study of how Eastwood managed to quietly get to this level—and a celebration of his gifts as an artist. Eastwood has evolved not only as a director, but also as an actor, a screenwriter, a producer, and a score composer, to become one of the most revered figures in Hollywood. Perhaps it is because he started out in Hollywood with such little influence on the final product that he now demonstrates such a strong desire to collaborate with others and provide help wherever he can. In addition to casting off his reputation as a hack and accumulating two Oscar nominations for Best Actor over the past 15 years, he has guided other actors to no less than three Academy Award wins. The executives love him because he has made them money over the years—occasionally even making one for them in exchange for financial backing on other projects. Critics love him because of the care he takes in creating his films. Audiences love him because he has never lost his sense of entertainment, even as his artistry has matured.

biographie clint eastwood: *Tough Ain't Enough* Lester D. biographie clint eastwood: **Clint Eastwood** Richard Schickel, 2010 Una celebración de la legendaria carrera de seis décadas de Clint Eastwood tanto delante como detrás de la cámara. Incluye comentarios del escritor y documentalista Richard Schickel y una introducción del propio Eastwood. Una retrospectiva de lujo con más de doscientas imágenes que ofrece un recorrido íntimo por la trayectoria de este polifacético artista. Clint Eastwood ha alcanzado el estatus de icono sin igual en la historia del cine. Durante más de seis décadas, ha protagonizado películas significativas, primero como actor de éxito y después en calidad de director inteligente e inquieto. Prácticamente todos los personajes que Clint ha interpretado en la gran pantalla son de clase trabajadora y foráneos, hasta el reciente Walt Kowalski de Gran Torino (2008); su estilo de hacer películas es también de clase trabajadora: simple, directo y de bajo presupuesto. También subyace su obsesión por las familias, desde el cantante de blues alcohólico y moribundo de El aventurero de medianoche (1982), que se convierte en una atípica figura paterna, hasta el asombroso retrato familiar de Mystic River (2003). Eastwood también ha explorado lo que significa ser hombre y norteamericano en el mundo moderno a través de películas como En la cuerda floja (1984) y Sin perdón (1992). Este libro constituye un merecidísimo tributo a esta figura del cine cuyos logros han enriquecido nuestra cultura y arrojado luz sobre los tiempos en que nos ha tocado vivir.
