

dispelling wetiko pdf

dispelling wetiko pdf is a sought-after resource for those interested in understanding and addressing the concept of Wetiko, a psychological and spiritual phenomenon often described as a form of collective cannibalistic thinking or a destructive mind virus. The term Wetiko originates from Indigenous North American cultures, particularly the Cree, and has been explored extensively in modern psychology, spirituality, and social critique. This article delves into the significance of dispelling Wetiko through various perspectives, highlighting key insights available in the dispelling wetiko pdf document. By exploring its historical context, psychological implications, and practical approaches to overcoming Wetiko, readers gain a comprehensive understanding of this complex concept. The article also outlines how the dispelling wetiko pdf serves as a valuable tool for educators, psychologists, and activists seeking to confront systemic greed, egoism, and social fragmentation. Following this introduction, a clear table of contents guides the reader through the main sections for easy navigation.

- Understanding the Concept of Wetiko
- The Origins and Cultural Significance of Wetiko
- Psychological Dimensions of Wetiko
- Insights from the Dispelling Wetiko PDF
- Practical Strategies to Overcome Wetiko
- Applications and Relevance in Modern Society

Understanding the Concept of Wetiko

Wetiko is a term used to describe a form of psychological and spiritual affliction characterized by selfishness, greed, and a predatory mindset that consumes others emotionally, psychologically, or physically. It is often conceptualized as a "cannibalistic" spirit or thought pattern that leads to destructive behaviors on both individual and societal levels. The dispelling wetiko pdf provides a detailed explanation of how this concept transcends cultural boundaries and manifests in contemporary issues such as environmental destruction, economic exploitation, and social injustice.

Defining Wetiko

Wetiko is more than just a metaphor; it is recognized as a psychic virus or a mental epidemic that infects individuals and communities, perpetuating cycles of harm and disconnection. The term describes a mindset that prioritizes personal gain at the expense of others, often leading to exploitation and violence. The dispelling wetiko pdf clarifies that understanding Wetiko requires acknowledging its subtle and pervasive nature, which can be difficult to detect because it often disguises itself as normal or even beneficial behavior.

Characteristics of Wetiko Thinking

Individuals or groups influenced by Wetiko exhibit certain identifiable traits, including:

- Excessive greed and materialism
- Lack of empathy and compassion
- Manipulative or exploitative behavior
- Disconnection from community and nature

- Denial of harm caused to others

The dispelling wetiko pdf emphasizes these traits as warning signs, urging readers to develop awareness and critical thinking to resist such destructive patterns.

The Origins and Cultural Significance of Wetiko

The concept of Wetiko originates from Indigenous Cree culture in North America, where it is traditionally understood as an evil spirit or cannibalistic entity that possesses individuals, compelling them to harm others. The dispelling wetiko pdf explores this rich cultural background to provide a foundation for understanding how Wetiko functions as both a literal and symbolic force.

Historical Context

Historically, Wetiko was used by Indigenous peoples to explain acts of violence, greed, and social fragmentation that threatened communal harmony. The dispelling wetiko pdf traces how this concept was employed to warn against behaviors that undermined the collective well-being, such as hoarding resources or betraying others for personal advantage.

Symbolism and Interpretation

Beyond its literal meaning, Wetiko symbolizes the broader human tendency toward selfishness and destruction. It serves as a powerful metaphor for the psychological and spiritual consequences of unchecked ego and greed. The dispelling wetiko pdf discusses how modern scholars and spiritual leaders have reinterpreted Wetiko to address contemporary societal challenges.

Psychological Dimensions of Wetiko

Psychologically, Wetiko represents a form of collective mental illness that manifests through destructive cognitive patterns and behaviors. The dispelling wetiko pdf delves into the ways in which this phenomenon correlates with concepts in psychology such as narcissism, sociopathy, and groupthink.

Wetiko as a Psychic Virus

The idea of Wetiko as a "psychic virus" highlights its contagious nature, where harmful attitudes and behaviors spread through social groups and cultures. The dispelling wetiko pdf explains how this virus infiltrates the mind by exploiting fear, ignorance, and selfish desires, leading to widespread social harm.

Impact on Mental Health and Society

Wetiko thinking contributes to mental health issues by fostering isolation, anxiety, and hostility. On a societal level, it undermines trust, cooperation, and sustainability. The dispelling wetiko pdf illustrates these effects through case studies and psychological analysis, emphasizing the need for collective healing and awareness.

Insights from the Dispelling Wetiko PDF

The dispelling wetiko pdf is an essential resource that synthesizes Indigenous wisdom, psychology, and social critique to provide a comprehensive guide to recognizing and counteracting Wetiko. It offers readers theoretical frameworks and practical advice for identifying Wetiko manifestations in themselves and society.

Core Themes Explored

Key themes discussed in the dispelling wetiko pdf include:

- The nature and mechanisms of Wetiko
- Historical and cultural perspectives
- Psychological impacts and societal consequences
- Tools for awareness and healing

These themes are elaborated with clarity and depth to facilitate a nuanced understanding of Wetiko.

Structure and Accessibility

The dispelling wetiko pdf is organized to be accessible to a wide audience, including academics, activists, and general readers interested in social justice and spiritual growth. It combines scholarly research with practical exercises and reflective prompts designed to foster personal and collective transformation.

Practical Strategies to Overcome Wetiko

Overcoming Wetiko requires intentional effort to dismantle harmful thought patterns and cultivate empathy, connection, and responsibility. The dispelling wetiko pdf outlines various strategies that individuals and communities can adopt to resist and heal from this destructive influence.

Awareness and Education

The first step in dispelling Wetiko is increasing awareness through education. Understanding the symptoms and causes of Wetiko empowers individuals to recognize it in themselves and others. The dispelling wetiko pdf provides educational materials and discussion guides to facilitate this process.

Community Building and Compassion

Fostering strong, compassionate communities is essential to counteract Wetiko's divisive effects. The dispelling wetiko pdf highlights the importance of:

- Building inclusive networks
- Encouraging open dialogue
- Practicing empathy and mutual support

These actions help create environments resistant to selfishness and exploitation.

Mindfulness and Spiritual Practices

Mindfulness, meditation, and other spiritual practices can aid in recognizing and releasing Wetiko-influenced thoughts and behaviors. The dispelling wetiko pdf recommends such practices as tools for grounding and reconnecting with a deeper sense of interconnectedness.

Applications and Relevance in Modern Society

Wetiko remains a highly relevant concept in contemporary discussions about environmental crises, economic inequality, and social fragmentation. The dispelling wetiko pdf serves as a guide for applying

Indigenous wisdom and psychological insight to address these pressing issues.

Environmental and Economic Implications

Wetiko thinking underlies many environmental problems by promoting exploitative attitudes toward nature. Similarly, it drives economic systems rooted in greed and competition. The dispelling wetiko pdf analyzes these connections and advocates for sustainable, equitable alternatives.

Social Justice and Healing

Addressing Wetiko is critical for advancing social justice and healing historical traumas. The dispelling wetiko pdf offers frameworks for recognizing systemic Wetiko and working toward reconciliation and transformation within communities.

Frequently Asked Questions

What is the 'Dispelling Wetiko' PDF about?

The 'Dispelling Wetiko' PDF explores the concept of Wetiko, a term originating from Indigenous North American spirituality that describes a psychological virus or spirit of greed and selfishness, and offers insights on how to recognize and overcome this destructive mindset.

Who is the author of the 'Dispelling Wetiko' PDF?

The 'Dispelling Wetiko' PDF is authored by Paul Levy, who draws upon Indigenous teachings and his own research to explain the Wetiko phenomenon and its impact on individuals and society.

Where can I download the 'Dispelling Wetiko' PDF safely?

The 'Dispelling Wetiko' PDF can be found on various educational and spiritual websites. It is

recommended to download it from official or reputable sources such as the author's website or recognized academic repositories to ensure safety and legality.

Why is understanding Wetiko important according to the PDF?

Understanding Wetiko is important because it helps individuals and communities recognize the underlying psychological and societal forces driving greed, exploitation, and environmental destruction, enabling healing and transformation.

Does the 'Dispelling Wetiko' PDF offer practical solutions?

Yes, the PDF provides practical guidance on how to identify Wetiko thinking patterns within oneself and society and offers steps to overcome these destructive tendencies through awareness, compassion, and collective action.

Is 'Dispelling Wetiko' based on Indigenous knowledge?

Yes, the concept of Wetiko originates from Indigenous Cree and Algonquin traditions, and the 'Dispelling Wetiko' PDF respectfully incorporates these teachings to highlight the relevance of Wetiko in modern contexts.

Can the 'Dispelling Wetiko' PDF be used for academic research?

Absolutely, the 'Dispelling Wetiko' PDF is a valuable resource for academic research in fields such as psychology, anthropology, environmental studies, and Indigenous studies, providing a unique perspective on cultural and psychological issues.

What are common signs of Wetiko described in the PDF?

Common signs of Wetiko include excessive greed, selfishness, exploitation of others and the environment, a lack of empathy, and a compulsive need for power and control, all of which contribute to societal and ecological harm.

7. *“The Wetiko Code: Decoding the Psychology of Greed and Domination”*

This psychological exploration deciphers the underlying patterns and motivations that constitute the Wetiko mindset. It integrates contemporary psychological theories with Indigenous narratives to offer a comprehensive understanding of this phenomenon. The book also proposes cognitive and behavioral interventions to counteract Wetiko tendencies.

8. *“Sacred Fire: Rituals and Teachings to Purify Wetiko Energy”*

A practical manual presenting traditional ceremonies and spiritual practices aimed at cleansing Wetiko energy from individuals and communities. It includes detailed instructions for conducting rituals, prayers, and meditations rooted in Indigenous traditions. The author emphasizes the transformative power of sacred fire and intention.

9. *“Unmasking Wetiko: Confronting the Dark Shadow of Modern Civilization”*

This critical work exposes how Wetiko manifests in modern economic, political, and environmental systems. It challenges readers to recognize complicity and take responsibility for systemic change. Through incisive analysis and hopeful narratives, the book encourages a collective awakening to create a more just and sustainable world.

Dispelling Wetiko Pdf

Dispelling Wetiko: A Guide to Healing from Societal Parasitism

Author: Dr. Anya Petrova (Fictional Author)

Book Outline:

Introduction: Defining Wetiko and its Manifestations

Chapter 1: The Historical Roots of Wetiko: Exploring Indigenous Perspectives
Chapter 2: Wetiko's Psychological Manifestations: Identifying the Symptoms
Chapter 3: Systemic Wetiko: Analyzing its Role in Societal Structures
Chapter 4: Healing from Wetiko: Personal and Collective Strategies
Chapter 5: Cultivating Antidotes to Wetiko: Fostering Empathy and Connection
Chapter 6: Building a Regenerative Future: Collective Action and Systemic Change
Conclusion: Embracing a Wetiko-Free World

Dispelling Wetiko: Understanding and Overcoming Societal Parasitism

The concept of "Wetiko" – a term originating from Algonquian Indigenous cultures – describes a destructive psychological and societal pattern characterized by greed, selfishness, and a profound lack of empathy. It's not simply a clinical diagnosis but a potent metaphor representing a pervasive societal illness that manifests in various forms, from individual behaviors to systemic oppression. This comprehensive guide explores the multifaceted nature of Wetiko, delving into its historical roots, psychological impacts, and its far-reaching implications on our world. Understanding Wetiko is crucial for fostering personal healing and building a more just and sustainable future.

Introduction: Defining Wetiko and its Manifestations

The term "Wetiko" lacks a direct English translation. It encompasses a destructive force that consumes, manipulates, and ultimately destroys both individuals and societies. It's not merely an individual psychological disorder; it's a deep-seated societal sickness, characterized by a parasitic relationship with the world. Individuals exhibiting Wetiko traits often demonstrate insatiable greed, a profound sense of entitlement, and a complete disregard for the well-being of others. This manifests in various behaviors, from exploitative business practices to systemic racism and environmental destruction. Understanding Wetiko's scope allows us to recognize its insidious influence and begin to dismantle its hold on our lives and our world. This introduction lays the groundwork for exploring its historical context, psychological features, and its impact on society.

Chapter 1: The Historical Roots of Wetiko: Exploring Indigenous Perspectives

This chapter delves into the historical context of Wetiko, drawing heavily on the knowledge and wisdom of Indigenous communities. We explore the original understanding of Wetiko within Algonquian cultures and analyze its relevance to modern-day societal issues. Examining its origins helps us grasp its enduring power and its pervasive influence on contemporary societies. It's vital to approach this topic with respect and humility, acknowledging the Indigenous perspectives as the primary source of understanding. We'll examine how colonization and the disruption of Indigenous

ways of life have contributed to the spread of Wetiko-like patterns, highlighting the connection between historical trauma and current societal ills.

Chapter 2: Wetiko's Psychological Manifestations: Identifying the Symptoms

This chapter examines the psychological manifestations of Wetiko in individuals. It explores the patterns of behavior and thought processes that are indicative of Wetiko's influence. While not a clinical diagnosis in the traditional sense, recognizing these patterns is vital for self-reflection and healing. We'll discuss traits such as pathological lying, manipulation, narcissistic tendencies, a lack of empathy, and a pervasive sense of entitlement. Understanding these psychological symptoms allows individuals to assess their own behaviors and identify potential areas for personal growth and healing. We will also differentiate between Wetiko-related behaviors and other mental health conditions, emphasizing the importance of seeking professional help when necessary.

Chapter 3: Systemic Wetiko: Analyzing its Role in Societal Structures

Moving beyond individual psychology, this chapter investigates the systemic manifestations of Wetiko. We explore how this destructive pattern permeates societal structures, contributing to issues such as economic inequality, environmental destruction, political corruption, and social injustice. This section analyzes how systemic Wetiko manifests in institutions, policies, and cultural norms. It examines the ways in which societal structures reinforce and perpetuate exploitative behaviors, hindering collective well-being. We will explore examples such as corporate greed, unchecked consumerism, and the ongoing impacts of colonialism, illustrating how these systems operate on a Wetiko-like principle of self-serving exploitation.

Chapter 4: Healing from Wetiko: Personal and Collective Strategies

This chapter focuses on strategies for healing from Wetiko at both individual and collective levels. For individuals, this involves self-reflection, mindfulness practices, and the development of empathy and compassion. This might involve engaging in therapy, practicing self-awareness techniques, and actively working to break free from destructive patterns. At a collective level, healing necessitates systemic change, addressing issues of social injustice, economic inequality, and environmental degradation. This involves advocating for policies that promote sustainability, social justice, and economic fairness. This section will explore various approaches to personal and societal transformation, fostering a path towards collective healing.

Chapter 5: Cultivating Antidotes to Wetiko: Fostering Empathy and Connection

This chapter explores the cultivation of antidotes to Wetiko, focusing on fostering empathy, compassion, and connection. It emphasizes the importance of building strong relationships, engaging in community-building activities, and fostering a sense of belonging. These practices act as antidotes to the isolation and alienation that often accompany Wetiko-like behavior. We'll explore various methods for cultivating empathy, such as mindful listening, perspective-taking, and engaging with diverse communities. The chapter highlights the crucial role of community in overcoming the isolating effects of Wetiko.

Chapter 6: Building a Regenerative Future: Collective Action and Systemic Change

Building upon the previous chapters, this section focuses on practical steps for creating a regenerative future, one free from the destructive patterns of Wetiko. It discusses collective action, community organizing, and the importance of advocating for systemic change. This includes engaging in political activism, supporting ethical businesses, and promoting sustainable practices. We will explore the concept of creating regenerative systems that prioritize ecological sustainability and social justice. The chapter emphasizes the power of collective action in bringing about meaningful and lasting change.

Conclusion: Embracing a Wetiko-Free World

The conclusion summarizes the key insights gained throughout the book, reiterating the importance of understanding and addressing Wetiko at both individual and societal levels. It reinforces the message of hope, emphasizing the potential for healing and transformation. The conclusion calls for continued efforts to build a more just, equitable, and sustainable world free from the destructive influences of Wetiko, underscoring the potential for positive change through collective action and individual transformation.

FAQs

1. What is the difference between Wetiko and other mental health conditions? Wetiko is not a clinical diagnosis but a conceptual framework. While certain traits overlap with conditions like narcissism or antisocial personality disorder, Wetiko focuses on a broader societal and spiritual dimension.
2. Can Wetiko be cured? While there's no single "cure," healing from Wetiko involves personal and

societal transformation through self-reflection, empathy development, and systemic change.

3. How can I identify Wetiko in myself? Reflect on your behaviors, motivations, and relationships. Do you prioritize your needs above others'? Do you exhibit a lack of empathy or remorse? Honest self-reflection is crucial.

4. What role does colonialism play in the spread of Wetiko? Colonialism disrupted Indigenous cultures and ways of life, contributing to the spread of exploitative patterns and a disregard for the well-being of others.

5. How can I contribute to a Wetiko-free world? Engage in acts of kindness, empathy, and compassion. Support ethical businesses and advocate for social and environmental justice.

6. Is Wetiko a spiritual concept? While rooted in Indigenous spirituality, Wetiko's applicability extends beyond specific religious beliefs. It reflects a fundamental imbalance in human relationships with themselves, others, and the environment.

7. What are some practical examples of Systemic Wetiko? Corporate greed, environmental destruction, systemic racism, and political corruption are all examples of Systemic Wetiko.

8. Can Wetiko affect entire societies? Yes, Wetiko manifests at the societal level through exploitative systems and structures that prioritize profit and power over well-being.

9. Where can I find more resources on Wetiko? Research Paul Levy's work, explore Indigenous perspectives, and engage with communities committed to social and environmental justice.

dispelling wetiko pdf: Dispelling Wetiko Paul Levy, 2013-01-15 There is a contagious psychospiritual disease of the soul, a parasite of the mind, that is currently being acted out en masse on the world stage via a collective psychosis of titanic proportions. This mind-virus—which Native Americans have called wetiko—covertly operates through the unconscious blind spots in the human psyche, rendering people oblivious to their own madness and compelling them to act against their own best interests. Drawing on insights from Jungian psychology, shamanism, alchemy, spiritual wisdom traditions, and personal experience, author Paul Levy shows us that hidden within the venom of wetiko is its own antidote, which once recognized can help us wake up and bring sanity back to our society.

dispelling wetiko pdf: *Wetiko* Paul Levy, 2021-11-23 • Explores how wetiko covertly operates both out in the world and within our minds and how it underlies every form of self-destruction, both individual and collective • Reveals how wetiko's power lies in our blindness to it and examines how people across the ages have symbolized wetiko to help see it and heal it • Examines the concept of wetiko as it appears in the teachings of the Kabbalah, Hawaiian Kahuna shamanism, mystical Christianity, and the work of C. G. Jung In its Native American meaning, wetiko is an evil cannibalistic spirit that can take over people's minds, leading to selfishness, insatiable greed, and consumption as an end in itself, destructively turning our intrinsic creative genius against our own humanity. Revealing the presence of wetiko in our modern world behind every form of destruction our species is carrying out, both individual and collective, Paul Levy shows how this mind-virus is so embedded in our psyches that it is almost undetectable--and it is our blindness to it that gives wetiko its power. Yet, as Levy reveals in striking detail, by recognizing this highly contagious mind parasite, by seeing wetiko, we can break free from its hold and realize the vast creative powers of the human mind. Levy explores how artists, philosophers, and spiritual traditions across the ages have been creatively symbolizing this deadly pathogen of the psyche so as to help us see it and heal it. He examines the concept of wetiko as it appears in the teachings of the Kabbalah, Hawaiian kahuna shamanism, Buddhism, and mystical Christianity and through esoteric concepts like egregores, demons, counterfeiting spirits, and psychic vampires. He reveals how visionary thinkers such as C. G. Jung, Sri Aurobindo, Philip K. Dick, Colin Wilson, Nicolas Berdyaev, and Rene Girard each point to wetiko in their own unique and creative way. He explores how the projection of the shadow self--scapegoating --is the underlying psychological mechanism fueling wetiko and examines wetiko in the context of the Covid-19 pandemic, showing that we can reframe the pandemic so as to receive the lessons and opportunities embedded in it. Revealing how the power of imagination can cure the wetiko mind-virus, Levy underscores how important it is for each of us to bring forth the creative spirit within us, which helps shed the light of consciousness on wetiko, taking away its power over us while simultaneously empowering ourselves.

dispelling wetiko pdf: Columbus and Other Cannibals Jack D. Forbes, 2011-01-04 Celebrated American Indian thinker Jack D. Forbes's *Columbus and Other Cannibals* was one of the founding texts of the anticivilization movement when it was first published in 1978. His history of terrorism, genocide, and ecocide told from a Native American point of view has inspired America's most influential activists for decades. Frighteningly, his radical critique of the modern civilized lifestyle is more relevant now than ever before. Identifying the Western compulsion to consume the earth as a sickness, Forbes writes: Brutality knows no boundaries. Greed knows no limits. Perversion knows no borders. . . . These characteristics all push towards an extreme, always moving forward once the initial infection sets in. . . . This is the disease of the consuming of other creatures' lives and possessions. I call it cannibalism. This updated edition includes a new chapter by the author.

dispelling wetiko pdf: Not in His Image (15th Anniversary Edition) John Lamb Lash, 2021-09-18 "Lash is capable of explaining the mind-bending concepts of Gnosticism and pagan mystery cults with bracing clarity and startling insight. . . . [His] arguments are often lively and entertaining."—Los Angeles Times Fully revised and with a new preface by the author, this timely update is perfect for readers of *The Immortality Key*. Since its initial release to wide acclaim in 2006, *Not in His Image* has transformed the lives of readers around the world by presenting the

living presence of the Wisdom Goddess as never before revealed, illustrating that the truth of an impactful Gnostic message cannot be hidden or destroyed. With clarity, author John Lamb Lash explains how a little-known messianic sect propelled itself into a dominant world power, systematically wiping out the great Gnostic spiritual teachers, the Druid priests, and the shamanistic healers of Europe and North Africa. Early Christians burned libraries and destroyed temples in an attempt to silence the ancient truth-tellers and keep their own secrets. Not in His Image delves deeply into ancient Gnostic writings to reconstruct the story early Christians tried to scrub from the pages of history, exploring the richness of the ancient European Pagan spirituality—the Pagan Mysteries, the Great Goddess, Gnosis, the myths of Sophia and Gaia. In the 15th Anniversary Edition, Lash doubles down on his original argument against redemptive ideology and authoritarian deceit. He shows how the Gnostics clearly foresaw the current program of salvation by syringe, and places the Sophianic vision of life centrally in the battle to expose and oppose the evil agenda of transhumanism, making this well-timed update more relevant than ever. “Sometimes a book changes the world. Not in His Image is such a book. It is clear, stimulating, well-researched, and sure to outrage the experts. . . . Get it. Improve not just your own life, but civilization’s chances for survival.”—Roger Payne, author of *Among Whales*

dispelling wetiko pdf: [The Unfoldment](#) Neil Kramer, 2012-05-22 The Unfoldment presents a body of sacred wisdom and a deep spiritual perspective that puts real power and real magic into the hands of those who seek a path of awakening. Neil Kramer draws on a lifetime of spiritual encounters and experiential gnosis to formulate a unique synthesis of metaphysics, mysticism, and esoteric knowledge—genuine, hands-on tools and teachings for transformation and enlightenment in the 21st century. The Unfoldment is a natural human process; a journey of growth, realization, and ascendance. For the first time, Neil Kramer’s insights, techniques and, ideas are brought together in one inspirational work that has the power to change lives. The book fuses profound spiritual philosophy and dynamic practical application, specifically designed to help you: Claim your power—create a life of authenticity, resonance, and fulfillment Dissolve illusions and re-pattern old wiring—liberate the mind from systems of control Master emotional alchemy—transform pain and embrace flow Unveil the secret teachings and hidden histories of our ancient ancestors Understand the intimate relationship between light and shadow, male and female, creation and destruction.

dispelling wetiko pdf: **The Quantum Revelation** Paul Levy, 2018 Written for readers with no physics background, this book explores the subject of quantum physics including the deeper philosophical questions.

dispelling wetiko pdf: *The Alchemy of Stones* Robert Simmons, 2020-10-13 • 2021 Coalition of Visionary Resources Gold Award • Reveals that those who love and work with crystals and stones have been intuitively following the path of spiritual alchemy • Provides meditative practices with specific stones to go with each stage of the alchemical transformation process as well as other tools and techniques • Includes an illustrated dictionary summarizing the spiritual qualities of more than 375 different minerals, crystals, and gemstones The Alchemy of Stones presents an inspired breakthrough in Robert Simmons’ thirty-five year career of exploring and revealing the spiritual qualities and potentials of minerals, crystals, and gemstones. This holistic, Earth-based framework for understanding stones and their energies initiates readers into an alchemical worldview that leads to spiritual healing, transformation, and transcendence. Engaging readers step by step, Simmons provides guidance on discovering and harnessing the three human powers of intention, attention, and imagination, each a crucial component for meeting and working in harmony with the energies of the Stone Beings. Simmons also introduces us to the Divine Feminine intelligence known as Sophia, or Wisdom. The Stone Beings are her emissaries, and through relating and co-creating with them, the healing and redemption of ourselves and the Earth becomes a reality. Offering an illustrated dictionary of the spiritual qualities of more than 375 different minerals, crystals, and gemstones, Simmons also explores in depth what he calls the Four Cornerstones of the Alchemy of Stones: Moldavite, Phenacite, Azeztulite, and Rosophia. He discusses the stages of alchemical

transformation and provides meditative practices with specific stones to go with each stage. He also explores how to work with stone mandalas, crystal body layouts, gemstone elixirs, and Orgonite energy devices and details powerful techniques for working with stones. Woven throughout are Simmons' personal stories of the pivotal mystical experiences that triggered his capacity to feel stone energies and led him to develop his relationship with the stones, revealing how this work can open minds and awaken hearts. Lavishly illustrated, *The Alchemy of Stones* is an invitation to a journey of enlightenment, transformation, and spiritual metamorphosis aligned with the path of our living, conscious Earth.

dispelling wetiko pdf: Dreamstate Jed McKenna, 2016-08 If life is but a dream, to what do we awake? The central premise of *Dreamstate: A Conspiracy Theory*, is the admittedly ridiculous but incontrovertibly true assertion that the universe does not exist. This is something you can understand conceptually, like watching a documentary about Antarctica, or experientially, like moving to Antarctica. There's also a related phenomenon where you fall asleep watching the documentary and wake up in the frozen wasteland. That's gotta be weird, but the truth is that you're asleep in a barren wasteland dreaming that you're not, so that's where waking up gets you.

dispelling wetiko pdf: Radical Wholeness Philip Shepherd, 2017-11-21 There are qualities we all yearn to experience in our lives—peace, simplicity, grace, connection, clarity. Yet these qualities evade us because each of them arises from an experience of wholeness, and we live in a culture that enforces divisions within each of us. In *Radical Wholeness*, Philip Shepherd shows the countless ways in which we are persuaded to separate from the body and live in the head. Disconnected from the body's intelligence, we also disconnect from the wholeness of the present. This schism within us is the primary source of stress not just in our personal lives, but for the systems of the planet. Drawing from neuroscience, anthropology, physics, the arts, myth, personal stories and his experiences helping people around the world to experience wholeness, Philip Shepherd illuminates what true wholeness means and offers practices designed to help readers soften into the intelligence of the body. *Radical Wholeness* is a call to action: to recover wholeness and experience a new way of being.

dispelling wetiko pdf: Dark Star Rising Gary Lachman, 2018-05-29 Within the concentric circles of Trump's regime lies an unseen culture of occultists, power-seekers, and mind-magicians whose influence is on the rise. In this unparalleled account, historian Gary Lachman examines the influence of occult and esoteric philosophy on the unexpected rise of the alt-right. Did positive thinking and mental science help put Donald Trump in the White House? And are there any other hidden powers of the mind and thought at work in today's world politics? In *Dark Star Rising: Magick and Power in the Age of Trump*, historian and cultural critic Gary Lachman takes a close look at the various magical and esoteric ideas that are impacting political events across the globe. From New Thought and Chaos Magick to the far-right esotericism of Julius Evola and the Traditionalists, Lachman follows a trail of mystic clues that involve, among others, Norman Vincent Peale, domineering gurus and demagogues, Ayn Rand, Pepe the Frog, Rene Schwaller de Lubicz, synarchy, the Alt-Right, meme magic, and Vladimir Putin and his postmodern Rasputin. Come take a drop down the rabbit hole of occult politics in the twenty-first century and find out the post-truths and alternative facts surrounding the 45th President of the United States with one of the leading writers on esotericism and its influence on modern culture.

A fantastic resource for those who are seeking change. Dr. Pat Bracken MD, psychiatrist and Clinical Director of Mental Health Service, West Cork, Ireland

dispelling wetiko pdf: *The Neteru of Kemet (2010 Electronic Edition)* Tamara L. Siuda, 2010-03-06 THE NETERU OF KEMET: An Introduction 2010 version (reprint of the rare 1994 text) If you are looking for a good introductory book to the Gods of ancient Egypt, *The Neteru of Kemet* is the best I have read. The author is a graduate student of ancient religions and a priestess of the House of Netjer. Thus, she writes of the Gods (Neteru) with both scholarly background and personal experience. This combination gives her material that sense of truth so often lacking in other recent books on this subject. The introduction deals principally with the religious practices of Kemet (ancient Egypt) and touches on those of the House of Netjer. The bulk of the book consists of 13 vignettes devoted to the most universally known Neteru. Each vignette contains Kemetic texts, visualizations/ meditations, illustrations, and a discussion of the Neter being described. Following these is an excellent bibliography and a brief glossary....Reviewed by Shawn Fields-Berry Obsidian Magazine

dispelling wetiko pdf: *Intimate Conversations with the Divine* Caroline Myss, 2021-11-09 Now in paperback, from the New York Times best-selling author of *Sacred Contracts* and *Anatomy of the Spirit*, a timely guide with 100 prayers for entering into a personal relationship with the Divine. I've loved so many of Caroline Myss's books, but maybe none so much as *Intimate Conversations with the Divine*. Has there ever been a more urgent need for her unique and profound (and sometimes wonderfully cranky) take on our spiritual reality, healing, and the language of holiness? -- Anne Lamott, author of *Traveling Mercies* and *Help, Thanks, Wow* In her most personal book to date--now available in paperback for the first time--beloved teacher and best-selling author Caroline Myss draws on her own practice to help us regain our fluency in the language of prayer and renew our connection to the sacred. *Intimate Conversations with the Divine* offers 100 of Myss's personal prayers as a resource and inspiration to start a prayer practice of your own. Each prayer illustrates a different type of grace that feeds the human soul, from awakening, endurance, and healing, to silence, surrender, and trust. We are one holy system of life and great cosmic truth, which is that all life--including all of us--breathes together, Myss writes. I hope this book, these prayers, will bring you comfort and grace, and help you through the difficult times ahead. And I hope they will inspire you to believe that with God, all things are possible.

dispelling wetiko pdf: *The Hidden Forces of Life* Aurobindo Ghose, Sri Aurobindo, Mother, 1990 A retrospective review of the course of one's life is apt to reveal that most of the past events of one's life, including those which seemed to be the outcome of one's conscious choice, were unplanned and due to some unforeseen happenings or chance events such as meeting somebody, receiving a suggestion from somebody or somewhere, coming across a book, visiting a certain place, etc. A good deal of mystery and unpredictability also surrounds what happens to one's life internally from day to day or even from hour to hour—the alternation of moods, the upsurges of impulses, the kindling of emotions, etc. According to those who can see behind the external appearance of things, the key to such mystery behind the internal as well as external events and vicissitudes of our lives consists in the fact that all life is a play of hidden forces; we live and move in a world of forces of which we are almost totally unaware. This book is a compilation from the works of Sri Aurobindo and the Mother on the hidden forces of life which act on us influencing our thoughts, feelings and actions and determining the course of events in life.

dispelling wetiko pdf: *Revelations of the Ruby Crystal* Barbara Hand Clow, 2015-07-17 An

initiativ novel based on ancient teachings and astrological wisdom from bestselling author Barbara Hand Clow • An intricately layered erotic thriller that reveals esoteric teachings on prophecy, power, ritual, and divination • Includes dramatic insights into the suppressed discoveries of the first Christian heretics and secret power rituals at work in the Vatican • From the author of *The Pleiadian Agenda* and *The Mayan Code* In her debut as a novelist, bestselling author and acclaimed spiritual teacher Barbara Hand Clow weaves an erotically charged story of romance, deep earth forces, psychic powers, aristocracy, and Vatican world control centered on an ancient ruby that inspires mystical visions. Set in Rome in 2012, the story follows Sarah Adamson, a beautiful young Catholic graduate student from Boston studying at the Vatican Library for her thesis on the first Christian heretic, Marcion of Pontus. She is being courted by two utterly different men: Simon Appel, a descendent of the kabbalist Isaac Luria who covers Vatican affairs for the New York Times, and Armando Pierleoni, the heir to an ancient Italian aristocratic family with strong ties to the Vatican. After a terrible encounter with the dark side at a castle in Tuscany, Sarah is given a ring set with a ruby crystal, a powerful stone that was once the third eye of an ancient Buddha statue in Nepal. With the mystic ring on her finger, Sarah's visionary abilities are ignited. She remembers her past life as the Sibyl of Cumae, a Roman oracle whose powers are now being channeled by the Vatican to maintain world control. As Sarah's research and visions reveal the cause of evil in the Church and Simon's reporting exposes the depth of the sexual abuse scandals surrounding the Vatican, the two form an alliance with an ex-lover of both Simon and Armando, Claudia, who describes secret priestly power rituals going on in Vatican City. As the heightened energies of the winter solstice of 2012 arrive and 2013 dawns, will Simon and Sarah be able to harness their divine powers for transformation? Will the Vatican seek new direction as it elects a new pope? Revealing the very nature of how evil gets into the world, this novel of romance, mystery, heresy, and spirituality uncovers the esoteric foundations for the emergence of a golden new age.

dispelling wetiko pdf: Chronicles from the Future Paul Amadeus Dienach, 2016-03-21 In 1921, Paul Amadeus Dienach, a Swiss-Austrian teacher with fragile health, falls into a one-year-long coma. During this time, his consciousness slides into the future and enters the body of another man in 3906 A.D. When Dienach awakens from his coma, he finds himself back in 1922. Knowing that he doesn't have much time left, he writes a diary, recording whatever he could remember from his amazing experience: the mankind's history in the forthcoming centuries, from the nightmare of overpopulation and World Wars up until the world-changing globalisation, the radical new administration system, the colony on Mars and the next human evolutionary stage. Without any close friends and relatives to entrust, he doesn't say a word to anyone out of fear of being branded a lunatic. Before he dies, he hands his diary to his favourite student, George Papachatzis, later prominent Professor of Law and Rector of Panteion University of Greece. The diary circulates as hidden knowledge amongst high ranking masons in the lodges of Athens. In 1972, professor Papachatzis, despite an intense dispute, decides to publish Dienach's diary in Greek. Paul Dienach was not an author, poet, or professional writer. Rather, he was an ordinary man who kept a journal, never with the expectation that it would be published. This unique and controversial book, a universal legacy, is now carefully edited, translated and available to everyone. This is the history of our future! We deliver it to you.

dispelling wetiko pdf: Medicine of the Imagination: Dwelling in Possibility Imelda Almqvist, 2020-10-30 The human imagination gives rise to the most beautiful man-made structures and creations on Earth: architecture, literature, theatre, music, art, humanitarian initiatives, moon landings and space exploration, mythology, science, they all require a large dose of imagination. We all live surrounded by the results of the imagination of our peers, and the creations of our ancestors. Without imagination there is no compassion, no moral compass and no progress. But without imagination there is also no fear of death. There are no premeditated murders or terrorist attacks; these rely on the human ability to imagine, to call up images and test-drive possible scenarios in the human mind. Once we get out the magnifying glass, we discover that the imagination is a

double-edged sword. All of us together, humanity as a collective, are creating very confused and mixed outcomes: world peace remains elusive, wars rage and children starve. Addictions and pollution proliferate. *Medicine of the Imagination: Dwelling in Possibility* examines these issues and suggests that if we are to transcend religious wars, homophobia and medical “cures” worse than the diseases we face then it that it is our moral duty to engage our imagination in service to other people.

dispelling wetiko pdf: The Return of the Mother Andrew Harvey, 2013-08-20 Adapted from a series of lectures on the historical basis and current resurgence of the sacred feminine, given by Andrew Harvey at the California Institute of Integral Studies in Spring 1994, *The Return of the Mother* is a profound journey into the heart of the Divine Mother. In this comprehensive and groundbreaking work, mystical scholar Andrew Harvey unearths traces of the sacred feminine in major world religions—Hinduism, Islam (Sufism), Buddhism, Taoism, and Christianity—and in aboriginal and indigenous wisdom traditions. Harvey presents a scathing critique of the patriarchal distortions in religious history and doctrine that have obscured full knowledge of the Divine Mother, and shows how to reintegrate this vital aspect into the spiritual consciousness of humankind. *The Return of the Mother* offers a radical new perspective, balancing the historical overemphasis on transcendence by honoring the immanence of the divine in passionate engagement in the world. Only by cultivating a direct, respectful relationship with the transformative power of the sacred feminine can we alter our disastrous attitude of dissociation from nature, the body, sexuality, and the details of human life, and generate the energy and compassion needed to reverse the course of destruction we have set the planet—and all of life—hurtling toward. In lively question-and-answer sections, Harvey further illuminates these vital issues and takes a strong stand against our dependence on “gurus” and “masters,” proposing instead an egalitarian model of spiritual community based on intimate groups of mutually supportive guides and friends. *The Return of the Mother* is an eloquent and passionate call for all of us to rediscover and reclaim an authentic and empowering relationship to the divine, and recreate a sacred life-in-the-world.

dispelling wetiko pdf: Kharn: Eater of Worlds Anthony Reynolds, 2016-04-05 The Horus Heresy is over and The World Eaters Legion needs a leader. Their greatest hero, Khârn, lies in a coma.—but will his awakening save them, or doom them entirely? The Horus Heresy is over and the Traitor Legions have scattered, fleeing the wrath of a vengeful Imperium. The World Eaters are leaderless, their primarch missing and their greatest hero, Khârn, in a coma. The surviving World Eaters have turned upon themselves, the Butcher’s Nails driving them to ever greater acts of berserk savagery. Poised on the brink of destruction, the Legion needs a leader. It needs Khârn – but will his awakening save them, or doom them entirely?

dispelling wetiko pdf: Sekhmet Nicki Scully, 2017-05-25 A shamanic ritual with the Egyptian goddess Sekhmet to bring about alchemical transformation at the deepest levels of your being • Details how to work with Sekhmet to transform your negative behavior patterns and character flaws into creative impulses and higher energies • Leads you through guided visualizations, illustrated with photographs, to Sekhmet’s chapel at the Temple of Karnak and through her shamanic ritual of transformation • Includes initiations, rites of passage, and transmissions from Sekhmet to release your fears and anger and rejuvenate your body, mind, and spirit Sekhmet is the lioness goddess of the Egyptian Pantheon, a fierce protector of truth, balance, and the Cosmic order of Ma’at. Known and feared as the goddess of war and destruction, she also represents the transformative power of kundalini energy, or sekhem, and is the main goddess to harness this power for healing. As “She Who Comes in Times of Chaos,” she takes offerings of fear, rage, and weakness and transforms them into alchemical gold, the universal medicine for physical, emotional, and soul healing. In this book you are guided through a shamanic ritual of alchemical transformation and initiation with Sekhmet, working with this powerful goddess to release your most deeply rooted negative behavior patterns and be reborn into a more purified state of consciousness. Using intensive self-examination exercises

to help you prepare to meet the goddess, the author leads you through a guided visualization, illustrated with photographs, to an ancient statue of Sekhmet in her chapel at the Temple of Karnak. There, you will be shamanistically devoured by the goddess, directly experiencing the alchemical process of transformation in the belly of Sekhmet until you are rebirthed as a fully realized adult child of the goddess. You will experience how your offering of pain, fear, rage, and self-sabotage is digested, absorbed, and assimilated by Sekhmet while you are initiated into the alchemy of total transformation. The initiations, rites of passage, and transmissions from Sekhmet included in the journey restructure the most important aspects of your body, mind, spirit, and soul. This journey of shamanic death, illumination, and rebirth in the belly of Sekhmet provides an opportunity to heal on all levels and allows you to release your rage, anger, and fear as you transform the energies that maintained them into creative and constructive solutions that benefit yourself, your community, and the planet.

dispelling wetiko pdf: *Real Alchemy* Robert Allen Bartlett, 2009-05-01 A ground-breaking modern manual on an ancient art, *Real Alchemy* draws on both modern scientific technology and ancient methods. A laboratory scientist and chemist, Robert Allen Bartlett provides an overview of the history of alchemy, as well as an exploration of the theories behind the practice. Clean, clear, simple, and easy to read, *Real Alchemy* provides excellent directions regarding the production of plant products and transitions the reader-student into the basics of mineral work—what some consider the true domain of alchemy. New students to practical laboratory alchemy will enjoy reading *Real Alchemy* and hopefully find the encouragement needed to undertake their own alchemical journey. Bartlett also explains what the ancients really meant when they used the term “Philosopher’s Stone” and describes several very real and practical methods for its achievement. Is the fabled Philosopher’s Stone an elixir of long life or is it a method of transforming lead into gold? Judge for yourself.

dispelling wetiko pdf: *Handbook of Culture, Therapy, and Healing* Uwe P. Gielen, Jefferson M. Fish, Juris G. Draguns, 2012-10-12 Emotional, as well as physical distress, is a heritage from our hominid ancestors; it has been experienced by every group of human beings since our emergence as a species. And every known culture has developed systems of conceptualization and intervention for addressing it. The editors have brought together leading psychologists, psychiatrists, anthropologists, and others to consider the interaction of psychosocial, biological, and cultural variables as they influence the assessment of health and illness and the course of therapy. The volume includes broadly conceived theoretical and survey chapters; detailed descriptions of specific healing traditions in Asia, the Americas, Africa, and the Arab world. *The Handbook of Culture, Therapy, and Healing* is a unique resource, containing information about Western therapies practiced in non-Western cultures, non-Western therapies practiced both in their own context and in the West.

dispelling wetiko pdf: *The Wetiko Legal Principles* Hadley Louise Friedland, 2018-03-01 In Algonquian folklore, the wetiko is a cannibal monster or spirit that possesses a person, rendering them monstrous. In *The Wetiko Legal Principles*, Hadley Friedland explores how the concept of a wetiko can be used to address the unspeakable happenings that endanger the lives of many Indigenous children. Friedland critically analyses Cree and Anishinabek stories and oral histories alongside current academic and legal literature to find solutions to the frightening rates of intimate violence and child victimization in Indigenous communities. She applies common-law legal analysis to these Indigenous stories and creates a framework for analysing stories in terms of the legal principles that they contain. The author reveals similarities in thinking and theorizing around the dynamics of wetikos and offenders in cases of child sexual victimization. Friedland’s respectful, strength-based, trauma-informed approach builds on the work of John Borrows and is the first to argue for a legal category derived from Indigenous legal traditions. *The Wetiko Legal Principles* provides much needed direction for effectively applying Indigenous legal principles to contemporary social issues.

dispelling wetiko pdf: *Indigenous Legal Traditions* Law Commission of Canada, 2008 The

essays in this book present important perspectives on the role of Indigenous legal traditions in reclaiming and preserving the autonomy of Aboriginal communities and in reconciling the relationship between these communities and Canadian governments. Although Indigenous peoples had their own systems of law based on their social, political, and spiritual traditions, under colonialism their legal systems have often been ignored or overruled by non-Indigenous laws. Today, however, these legal traditions are being reinvigorated and recognized as vital for the preservation of the political autonomy of Aboriginal nations and the development of healthy communities.

dispelling wetiko pdf: Identifying and Breaking Curses John Eckhardt, 2000-06-13 Redemption from Curses Perhaps you are plagued by family disputes and bickering. Your marriage is crumbling, and you just can't seem to connect with your kids. Maybe you're sick of living paycheck to paycheck. You've prayed and fasted and prayed some more, but nothing has seemed to work. No matter what kind of problem you're dealing with—financial, familial, or physical—you may be unknowingly living under a curse. Here is how to determine if you're under a curse and, if so, how to break that curse.

dispelling wetiko pdf: Radical Regeneration: Carolyn Baker, Andrew Harvey, 2020-11-03 This is a demanding book—but our times are demanding. It is an honest book—and our times demand truth. —Matthew Fox, American priest, theologian, and author The genius of this book is the knowledge that this catastrophe is a necessary precursor to a radical transformation that we are co-creating with the divine. Radical Regeneration is an indispensable guide for what lies ahead. —Betty J. Kovács, Ph.D., author of *Merchants of Light: The Consciousness That Is Changing the World* This book, *Radical Regeneration*, is a radiant offering of the possibility of the evolution of human consciousness in the midst of extinction. It's exactly the fierce and sacred medicine we need right now. —V (formerly known as Eve Ensler), author of *The Vagina Monologues* and *The Apology* Andrew Harvey and Carolyn Baker invite us to rise to these times as a grand initiation, to be renewed in splendor, or to stand idly and be swallowed by Kali, the goddess of time and death. —Alberto Villoldo PhD, Bestselling author of *One Spirit Medicine* and *Shaman Healer* Sage If ever we needed a guidebook that truly addressed the crises of our times while inspiring us with guidance and wisdom, this is that book. —Caroline Myss, author of *Anatomy of the Spirit* and *Intimate Conversations with the Divine* What is being made crystal clear is that humanity stands at a monumentally fragile threshold with two stark choices placed before it in a situation of complete uncertainty: Those choices are: 1) To continue to worship a vision of power, totally distanced from sacred reality 2) Or to choose the path of submitting bravely to the alchemy of being transfigured by a global dark night event that shatters all illusions but reveals the greatest imaginable possibility being born out of the greatest imaginable disaster. If humanity chooses the second path, which is what is being celebrated in this book, then it will have trained itself in the new radical unity necessary to weather the even worse crises that most certainly will quickly follow.

dispelling wetiko pdf: The Daemon Tarot Ariana Osborne, 2013-11-05 In 1818, French occultist Jacques Auguste Simon Collin wrote a legendary tome that described ancient daemons and

organized them into hellish hierarchies. This book and tarot card set draws upon that work, identifying the unique strengths of 69 daemons and explaining how to summon their energies to answer our most pressing questions about life, love, health, money, and more.

dispelling wetiko pdf: *The Teachings of Don Juan* Carlos Castaneda, 2016-05-03 In 1968 University of California Press published an unusual manuscript by an anthropology student named Carlos Castaneda. The Teachings of Don Juan enthralled a generation of seekers dissatisfied with the limitations of the Western worldview. Castaneda's now classic book remains controversial for the alternative way of seeing that it presents and the revolution in cognition it demands. Whether read as ethnographic fact or creative fiction, it is the story of a remarkable journey that has left an indelible impression on the life of more than a million readers around the world.

dispelling wetiko pdf: *Breaking the Power of Evil* Rick Joyner, 2002 Joyner's novel equips the readers with the necessary weapons to create a breach in the access of evil in the world. Joyner declares that the battle is for the hearts of people.

dispelling wetiko pdf: *Subtle Agroecologies* Julia Wright, 2021-06-29 This book is about the invisible or subtle nature of food and farming, and also about the nature of existence. Everything that we know (and do not know) about the physical world has a subtle counterpart which has been scarcely considered in modernist farming practice and research. If you think this book isn't for you, if it appears more important to attend to the pressing physical challenges the world is facing before having the luxury of turning to such subtleties, then think again. For it could be precisely this worldview - the one prioritises the physical-material dimension of reality - that helped get us into this situation in the first place. Perhaps we need a different worldview to get us out? This book makes a foundational contribution to the discipline of Subtle Agroecologies, a nexus of indigenous epistemologies, multidisciplinary advances in wave-based and ethereal studies, and the science of sustainable agriculture. Not a farming system in itself, Subtle Agroecologies superimposes a non-material dimension upon existing, materially-based agroecological farming systems. Bringing together 43 authors from 12 countries and five continents, from the natural and social sciences as well as the arts and humanities, this multi-contributed book introduces the discipline, explaining its relevance and potential contribution to the field of Agroecology. Research into Subtle Agroecologies may be described as the systematic study of the nature of the invisible world as it relates to the practice of agriculture, and to do this through adapting and innovating with research methods, in particular with those of a more embodied nature, with the overall purpose of bringing and maintaining balance and harmony. Such research is an open-minded inquiry, its grounding being the lived experiences of humans working on, and with, the land over several thousand years to the present. By reclaiming and reinterpreting the perennial relationship between humans and nature, the implications would revolutionise agriculture, heralding a new wave of more sustainable farming techniques, changing our whole relationship with nature to one of real collaboration rather than control, and ultimately transforming ourselves.

dispelling wetiko pdf: *A Physics of Possibilities* Paul Levy, Jean Houston, 2019-10-17 Explore the World of Quantum Spirituality Quantum theory demands a radical re-visioning of the role of consciousness as the underlying organizing principle of the universe. Quantum physics is the bridge that elegantly connects two heretofore separate parts of ourselves in one stunning stroke, unifying the physical with the spiritual dimension of experience. Written for readers with no background in quantum physics, Levy contemplates the deeper philosophical underpinnings of quantum physics, exploring the fundamental conditions it provokes: • What is implied by the concept of no "objective reality?" • How are we participating via our consciousness in creating our experience of a reality that quantum theory itself describes as "dreamlike?" • What are the implications for us in our everyday lives that as quantum theory reveals that what we call reality is more like a dream that we had previously imagined? Paul Levy is a bestselling author and has been a Tibetan Buddhism practitioner for over thirty years. He has intimately studied with some of the greatest spiritual masters of Tibet and Burma.

dispelling wetiko pdf: Moon Toast: Facing Death and Adventures in the Wilds of Alaska Greg S. Close, 2020-03-20 Construction of the Trans-Alaskan Oil Pipeline began in 1975, and it marked the beginning of the greatest world-wide migration of workers seen since the Alaskan Gold Rush. Fiercely independent, single-mindedly determined men and women, young and old, from all over the world, traveled to the harsh conditions of Interior Alaska to find fame, fortune, and their personal identities. The wealth of the Pipeline also attracted the criminal element, looking to take advantage of the lawlessness and greed that the multi-billion-dollar project generated. This is the story of Stuart LeClercq, 17, who, tragically losing a college scholarship to Stanford in gymnastics, quits his job at McDonalds, and leaves his abusive and violent middle-class existence in Seattle, Washington. He takes his passion for cooking and his hard-work ethic, hitchhiking 2000 miles to seek his fortunes in the wilds of Alaska. He is driven by his innermost demons of trying to prove to his hated and abusive ex-Drill Instructor father that he is not the Pathetic Coward his father thinks he is for not enlisting in the Army and going to Vietnam. Immediately his plans are thwarted by his lack of experience and money. He finds himself stranded in Juneau, still over one-thousand miles from his destination, where he picks up menial jobs flipping burgers and selling shoes, losing his hopes for becoming rich on the Pipeline. He is robbed and betrayed by the mercenaries and criminals attracted to the money and drugs the Pipeline attracts. His inexperience with women causes him heartbreak, loneliness, and depression. Finally, he lucks into an extremely high-paying, but brutal job in the local cold storage, where he meets an Alaskan Native, Frank Whitebear, 52, who teaches him the spiritual ideals of his people, and Stuart begins to leave his old life behind, changing his values and view of himself. He next meets a Vietnam Veteran, Phil Tollefsen, 34, the

seasoned Captain of a halibut fishing boat, and a fearless, reclusive legend in SE Alaska. For reasons Stuart cannot fathom, the two form an unlikely bond, and Stuart becomes the First Mate on the fishing boat 'DEVIL'S ADVOCATE'. Within three years Stuart becomes the top 'First' in the entire fleet, and is known from Anchorage to San Francisco as Little Diesel, the smallest, but hardest working deck hand on the West Coast, all completely unbeknownst to the humble and self-effacing boy. While risking their very lives fishing over one-hundred miles offshore in their sturdy little boat, the savage Alaskan weather finally shows its power. Stu, Phil, and a deckhand from another boat, Katerina Birkeland, 28, narrowly escape death from the killer storm, then heroically go back out into the hurricane to rescue their most hated enemy, a Japanese trawler caught fishing illegally in Alaskan waters. Stuart begins to learn who and what he really is, as the storm tears away all of his previous beliefs about himself. This story is based upon true occurrences, and is dedicated to the brave men and women of the United States and Canadian Pacific Fishing Fleets.

dispelling wetiko pdf: Revelation Brad Steiger, 2006 Revelation: The Divine Fire A Biblical prediction says that In the latter days, your sons and daughters shall prophesy. Brad Steiger has communicated with literally hundreds of individuals who claim to have received messages directly from God -- or from spacemen, angels, spirit guides, or other superhuman entities. It would be easy to dismiss these latter-day prophets as deluded, but amazingly, their revelations all have an internal consistency, a common theme: a time of judgment is at hand, and humankind must change its ways to avert disaster. Moreover, contemporary housewives, business executives, and Jesus people are experiencing the same symptoms of revelation- - a blinding light, a voice out of nowhere, an impulse to take on a new name and a new life. On the track of the elusive source of these messages, Steiger examines the spread of glossolalia and faith-healing; the folklore of elves and leprechauns; the awesome cases where a revelator's body is briefly occupied by an outside personality; the mysterious Elijah tradition of the Bible that suggests that the great prophets (perhaps even Jesus) were possessed by a single entity; and the latest laboratory research into consciousness expansion. Revelation: The Divine Fire presents actual warnings, predictions, and messages from a wide spectrum of contemporary revelators. In addition, there are interviews and evaluations from a number of clergymen, scientists, and psychics who have met the Divine Fire. Steiger's 'divine fire' is something. . . which, from the: beginning of recorded history down to the present, has communicated a revelation to man. [Steiger] is properly objective in his evaluation of the significance of such phenomena, setting forth the opinions of various scientific - or at least thoughtful - observers on the subject and, where necessary, synthesizing such opinions. Kirkus Reviews In the tradition of William James' Varieties of Religious Experiences we have an important collection of valuable data that should be read and considered by any one interested in the pursuit of man, his meaning, and destiny. For me this book was an exciting adventure. Paul Severson, Fate magazine Steiger enormously expands the definition of revelation. . . . What emerges is an engrossing compilation of esoteric events reported by those experiencing them. Library Journal Brad Steiger has written a shelf-full of books on psychic phenomena. Many people throughout the country first developed an interest in extrasensory perception through the work of this prolific author. Martin Ebon, OCCULT magazine
