

gallows moon

gallows moon is a captivating and enigmatic term that has intrigued historians, astronomers, and folklore enthusiasts alike. Often associated with ominous symbolism and dark historical contexts, the gallows moon evokes images of eerie nights and chilling tales. This article delves into the origins, cultural significance, and astronomical characteristics related to the gallows moon, exploring how this lunar phenomenon has been perceived throughout history. Additionally, the term's place in literature, mythology, and modern interpretations will be examined to provide a comprehensive understanding. Readers will gain insight into the scientific aspects of the moon phases involved and the symbolic weight carried by the gallows moon in various cultures. The article is structured to guide through historical background, astronomical details, cultural influences, and its presence in art and storytelling.

- Historical Origins of the Gallows Moon
- Astronomical Characteristics of the Gallows Moon
- Cultural and Symbolic Significance
- The Gallows Moon in Literature and Folklore
- Modern Interpretations and Usage

Historical Origins of the Gallows Moon

The term gallows moon has roots deeply embedded in historical contexts, particularly those involving public executions and justice systems of past centuries. The phrase likely originated during the periods when gallows were a common fixture in towns and villages for carrying out capital punishment. The moon's appearance during these grim occasions contributed to the term's eerie connotation. Often, the gallows moon was associated with nights of execution or ominous warnings, serving as a celestial symbol tied to mortality and fate.

Connection to Execution Practices

In medieval and early modern Europe, executions were often scheduled to coincide with specific lunar phases or times of night, which amplified the dramatic atmosphere. The gallows moon specifically referred to a full or near-full moon that illuminated the gallows, casting long shadows and enhancing the macabre spectacle. This connection between the moon and execution practices cemented the term in popular imagination as a symbol of doom and justice.

Historical Documentation

Historical records and accounts from the 16th to 18th centuries frequently mention the moon in relation to public hangings and judicial events. Chroniclers and writers of the time used the imagery of the gallows moon to emphasize the gravity of these moments. The term also appeared in ballads, poems, and local folklore, reinforcing its place in cultural memory.

Astronomical Characteristics of the Gallows Moon

From an astronomical perspective, the gallows moon refers to a particular lunar phase or appearance that coincides with the symbolic usage of the term. Understanding the moon's cycles and phases is essential to grasp the scientific basis behind the gallows moon concept.

Lunar Phases Relevant to the Gallows Moon

The gallows moon is typically linked to the full moon or the waxing gibbous phase, when the moon is bright and prominently visible in the night sky. Its luminosity during these phases made it an effective natural spotlight during nighttime events such as executions. The timing of the full moon, approximately every 29.5 days, ensured that the gallows moon was a recurring phenomenon.

Visibility and Timing

The gallows moon's visibility is influenced by the moon's position relative to the earth and sun. During the full moon, the earth is between the sun and the moon, resulting in maximum illumination. This bright, often eerie glow contributed to the moon's symbolic reputation. Additionally, seasonal variations affected how the gallows moon was perceived and when it appeared in different geographic locations.

Cultural and Symbolic Significance

The gallows moon carries rich cultural symbolism, often linked to death, judgment, and the supernatural. Its use in various traditions and belief systems highlights the moon's role as a powerful symbol beyond its physical characteristics.

Symbolism in Death and Justice

The gallows moon symbolizes the inevitable nature of death and the finality of justice. In cultures where public executions were common, the moon's presence was seen as a witness to human fate, casting a somber light on the proceedings. This symbolism has persisted in literature and art, where the gallows moon often represents doom, punishment, and the darker aspects of human existence.

Associations with Witchcraft and the Occult

Folklore and occult traditions have also embraced the gallows moon as a sign of supernatural activity. It is sometimes believed to be a time when spirits are restless or when magical forces are at their peak. The gallows moon's eerie glow and historical ties to death have made it a potent symbol in stories involving witches, hauntings, and other paranormal themes.

Common Cultural Interpretations

- A harbinger of bad luck or misfortune
- A symbol of justice and retribution
- An emblem of transformation and endings
- A marker of supernatural or mystical events

The Gallows Moon in Literature and Folklore

The gallows moon has been a recurring motif in literary works and folklore, often employed to evoke atmosphere and underscore themes of mortality and fate. Writers and storytellers have used the term to enrich narratives with a sense of foreboding and mystery.

Appearances in Classic Literature

Many classic literary works reference the gallows moon to set the scene for critical moments, particularly those involving justice or supernatural elements. The moon's ominous presence amplifies the tension and serves as a metaphor for inevitable consequences. This motif appears in genres ranging from gothic novels to historical dramas.

Folklore and Oral Traditions

In folk tales passed down through generations, the gallows moon often symbolizes a time when the veil between the living and the dead is thin. Stories involving spirits, curses, and moral lessons frequently mention the gallows moon as a pivotal element. These narratives helped perpetuate the moon's symbolic meaning across cultures and time periods.

Modern Interpretations and Usage

Today, the gallows moon continues to fascinate and inspire, with its symbolism adapted to contemporary contexts. While the literal association with executions has faded, the term remains relevant in cultural, artistic, and even scientific discussions.

Symbolism in Popular Culture

Modern media, including films, music, and visual arts, often invoke the gallows moon to create atmosphere and convey themes related to darkness, justice, or fate. The term has been embraced in gothic and horror genres, where it enhances storytelling with its historical and symbolic weight.

Scientific and Educational Use

In astronomy education, the gallows moon can serve as an engaging example to teach about lunar phases and their cultural impacts. Its historical significance provides a bridge between scientific facts and human experience, enriching the learning process.

Contemporary Symbolic Meanings

- A metaphor for confronting mortality and justice
- An inspiration for artistic and literary expression
- A reminder of historical practices and their evolution
- A symbol in spiritual and mystical contexts

Chapter 5: Modern Interpretations and Usage: How the term "Gallows Moon" is used in contemporary media, literature, and popular culture.

Conclusion: Summarizing key findings and reflecting on the enduring power of the Gallows Moon as a symbol.

Unveiling the Mysteries of Gallows Moon: A Comprehensive Exploration

Introduction: Defining "Gallows Moon" and its Symbolic Interpretations

The term "Gallows Moon" evokes a potent image: a gibbous or full moon hanging heavy in the night sky, casting an eerie glow upon a scene of execution. While lacking a specific astronomical definition, its power lies in its symbolic resonance across cultures and throughout history. It's not a scientifically recognized lunar phase, but rather a metaphorical term that captures the unsettling conjunction of a celestial event with a grim human act. This book explores the rich tapestry of meaning woven around the Gallows Moon, examining its appearances in folklore, literature, art, and psychology. We will delve into the historical context of executions, exploring how the moon's presence might have amplified societal anxieties and fears surrounding death and punishment.

Chapter 1: The Astronomical Reality: Dispelling Myths and Superstitions

Unlike specific astronomical events like eclipses or supermoons, the "Gallows Moon" is not defined by a particular celestial configuration. Any full moon or near-full moon coinciding with an execution could be considered a Gallows Moon. This chapter aims to separate fact from fiction regarding the astronomical aspects. There's no scientific evidence to suggest that the moon's gravitational pull, phases, or any other celestial phenomenon directly influences the outcome of executions or the behavior of individuals involved. However, the psychological effect of the moon's visibility, particularly a bright full moon, can be significant. The dramatic illumination could intensify the atmosphere of fear and dread surrounding the event, contributing to its lasting impression in the collective memory. We will debunk commonly held superstitious beliefs connected to the timing of

executions and lunar cycles.

Chapter 2: Gallows Moon in Folklore and Legend: A Cross-Cultural Examination

Folklore and legends across numerous cultures feature the moon, often imbued with mystical qualities, connected to the cycle of life and death. This chapter explores the specific narratives that link the moon to executions and the afterlife. In some cultures, the moon was associated with feminine energy, magic, and the realm of spirits. The image of a bright moon illuminating a gallows might have been seen as a symbol of the soul's journey into the unknown after death. We will examine how these beliefs manifested in different geographical areas, identifying common threads and unique variations in the storytelling. The influence of these stories on societal attitudes towards capital punishment and the symbolic use of the moon will also be analyzed. We'll look at specific examples from different mythologies and explore the ways in which the Gallows Moon might have served as a cautionary tale or a reflection of anxieties surrounding mortality.

Chapter 3: Gallows Moon in Literature and Art: Symbolic Portrayals and Thematic Significance

The potent imagery of the Gallows Moon has captivated artists and writers for centuries. This chapter analyzes the portrayal of the Gallows Moon in literature, poetry, paintings, and other art forms. How have artists used the moon to enhance the atmosphere of their works? What symbolic meanings have they attached to its presence during scenes of execution? We will examine specific examples from different periods and artistic movements, identifying recurring themes and interpretations. For example, the moon might symbolize fate, justice, or the unforgiving nature of time. We'll explore how the Gallows Moon might be used to heighten suspense, create a sense of foreboding, or comment on the themes of morality, justice, and societal norms.

Chapter 4: Psychological Interpretations: Fear, Anxiety, and the Collective Unconscious

This chapter delves into the psychological impact of witnessing an execution, particularly under the light of a full moon. The psychological effects of witnessing violence are well documented, and the dramatic illumination of a full moon might have amplified these effects. We will consider the role of societal anxieties surrounding death and punishment, exploring how the moon's presence might have contributed to a heightened sense of fear and unease. The chapter will explore potential links to collective unconscious symbolism and the archetypal significance of the moon as a powerful symbol across human cultures. We will also discuss the potential psychological effects on both the condemned and the spectators.

Chapter 5: Modern Interpretations and Usage: Contemporary Appearances in Media and Culture

The image of the Gallows Moon, while rooted in historical context, continues to resonate in contemporary media and culture. This chapter examines the use of the term and its associated imagery in modern literature, film, television, and music. How has the meaning and symbolism evolved over time? How is it used to create atmosphere, advance plot, or comment on social issues? We will analyze specific examples, discussing how the Gallows Moon functions as a literary or cinematic device. We'll explore the continued power of the image to evoke feelings of dread, mystery, and reflection on mortality.

Conclusion: The Enduring Power of a Symbol

The Gallows Moon, while lacking a strict astronomical definition, holds a significant place in human culture and imagination. Its enduring power stems from its ability to tap into deep-seated fears and anxieties surrounding death, justice, and the mysteries of the night sky. This book has explored the multifaceted nature of this symbol, tracing its evolution from folklore and legend to its contemporary usage in media and literature. The Gallows Moon remains a potent symbol, capable of stirring emotions and prompting reflection on the complexities of human experience.

FAQs:

1. Is the Gallows Moon a real astronomical event? No, it's a metaphorical term referring to a full or near-full moon coinciding with an execution.
2. What is the significance of the moon in folklore relating to executions? The moon is frequently associated with death, spirits, and the mysteries of the night, amplifying the atmosphere of executions in folklore.
3. How has the Gallows Moon been portrayed in literature and art? It's often used to create a sense of dread, suspense, and to symbolize fate, justice, or the passage of time.
4. What psychological impact might the Gallows Moon have had on witnesses? The bright light of the moon might have heightened fear and anxiety associated with witnessing an execution.
5. Are there specific cultural variations in Gallows Moon symbolism? Yes, different cultures hold varying beliefs and stories surrounding the moon and its association with death.
6. How is the Gallows Moon used in modern media? It often serves as a powerful atmospheric device in literature, film, and other media.
7. Can the Gallows Moon be considered a form of collective unconscious symbolism? Potentially, as the moon's association with death and the night is widespread across cultures.
8. Does the timing of an execution relative to the moon's phase have any scientific basis? No, there is no scientific basis for the idea that the moon influences the outcome of executions.
9. What are some examples of specific literary or artistic works featuring the Gallows Moon? Many works explore this theme, requiring further research to identify specific examples.

gallows moon: The Gallows in My Garden Richard Deming, 2011-12-15 "The gallows in my garden, people say, Is new and neat and adequately tall. I tie the noose on in a knowing way As one that knots his necktie for a ball; But just as all the neighbors . . . on the wail . . . Are drawing a long breath to shout 'Hurray!' The strangest whim has seized me . . . After all I think I will not hang myself today." --From G. K. Chesterton's A Ballade of Suicide Young Donald Lawson was familiar with that poem . . . yet now his body hung dead on a crag. Murder or suicide, Manville Moon was already on the case, as bodyguard to Don's beautiful sister Grace. For Grace's life was threatened, too, and to protect it Moon found himself crossing fists and guns with hired killers, and fencing desperately with Grace's friends, family, and fiancé, anyone of whom might have wanted to kill her.

A first novel. Reprint. 20,000 first printing.

gallows moon: The Writing in the Stars Rodney Williamson, 2007-01-01 Born in Mexico City in 1914, writer, poet, and diplomat Octavio Paz won the Nobel Prize for Literature in 1990, eight years before his death in 1998. The Writing in the Stars explores Paz's life and ideas by establishing a dialogue between the structure and recurring images of his major poems and the ideas of Carl Jung.

Although other literary critics have pointed to Jungian concepts in Paz, a comprehensive study on the subject has yet to be undertaken. Rodney Williamson takes up this challenge, adopting a Jungian perspective to explore successive phases of Paz's poetry. Williamson illustrates how archetypal images infuse Paz's early poetry and his surrealist period and shows how the circular structure of Paz's longer poems, such as 'Piedra de sol' and 'Blanco,' are based on the Eastern sacred circle or mandala, a major archetype of psychic wholeness in Jung. He argues that a grasp of the psychological importance of Jung's archetypes is essential to understanding the various syntheses of creative truth and existence sought by Paz at different defining moments of his career as a poet. *The Writing in the Stars* will prove fascinating to anyone interested in Latin-American literature, Jungian psychology, or critical theory.

gallows moon: The End Mickey McKay,

gallows moon: The Original Garden of Eden Discovered and the Final Solution of the Mystery of the Woman, the Tree and the Serpent John Martin Woolsey, 1910

gallows moon: Fort Laramie Douglas C. McChristian, 2017-03-13 Of all the U.S. Army posts in the West, none witnessed more history than Fort Laramie, positioned where the northern Great Plains join the Rocky Mountains. From its beginnings as a trading post in 1834 to its abandonment by the army in 1890, it was involved in the buffalo hide trade, overland migrations, Indian wars and treaties, the Utah War, Confederate maneuvering, and the coming of the telegraph and first transcontinental railroad. Douglas C. McChristian has written the first complete history of Fort Laramie, chronicling every critical stage in its existence, including its addition to the National Park System. He draws on an extraordinary array of archival materials—including those at Fort Laramie National Historic Site—to present new data about the fort and new interpretations of historical events. Emphasizing the fort's military history, McChristian documents the army's vital role in ending challenges posed by American Indians to U.S. occupation and settlement of the region, and he expands on the fort's interactions with the many Native peoples of the Central Plains and Rocky Mountains. He provides a particularly lucid description of the infamous Grattan fight of 1854, which initiated a generation of strife between Indians and U.S. soldiers, and he recounts the 1851 Horse Creek and 1868 Fort Laramie treaties. Meticulously researched and gracefully told, this is a long-overdue military history of one of the American West's most venerable historic places.

gallows moon: Gallows and Ghouls Katie May, 2020-02 One's a liar. One's arrested for murder. One's dead. The rest of us? We're struggling to get out of this mess alive. gallows moon: Deadly Dallas: A History of Unfortunate Incidents and Grisly Fatalities Rusty Williams, 2021 Spring of 1904. An inexperienced automobile driver jumps the curb and drives into the lobby of the St. George Hotel. The mayor orders a roundup of unlicensed dogs due to a citywide outbreak of rabies. An elevator crushes the head of a young man as he retrieves a half dollar he had dropped down the shaft. Embers from a wood-burning stove transform a sleeping house into a funeral pyre. A ten-year-old boy in City Park has a spike driven into his temple by a playmate with a fence picket. All this in just a few days. Rusty Williams catalogues the heartbreaking and bizarre forms in which death stalked Dallas at the turn of the twentieth century.

gallows moon: The Book of Moon: A Novel by George Crowder, 2016-11-04 It coulda been worse. That's the working epitaph of 15-year-old Moon Landing. Not that Moon's death is imminent-far from it-but his thoughts have turned to gallows humor, as his world disintegrates along with his parents' marriage. His older brother skateboards through life with ease, but Moon is deeply troubled. Just as he is solving for romantic unknowns with a gorgeous older girl, Moon must contend with his dad's sudden absence, his mom-gone-wild's sexcapades, and his best friends' curious penchant for self-destruction. Not to mention his newfound role in agitating to end an African guerrilla's bloody rampage. To make sense of it all, Moon embarks on a quest to unravel the riddle of God's injustice to man. In this humorous and touching coming-of-age novel, Moon struggles to understand his parents-who they are, what brought them together, what broke them apart-and what that all means for his future.

gallows moon: The Late Mr. Shakespeare Robert Nye, 1999 Our guide to the life of the Bard is an actor by the name of Robert Reynolds, known also as Pickleherring. Pickleherring asserts that as a boy he was not only an original member of Shakespeare's acting troupe but played the greatest female roles, from Cleopatra through Portia. In an attic above a brothel in Restoration London - a half century after Shakespeare has departed the stage - Pickleherring, now an ancient man, sits down to write the full story of his former friend, mentor, and master. One by one, chapter by chapter, Pickleherring teases out all the theories that have been embroidered around Shakespeare over the centuries: Did he really write his own plays? Who was the Dark Lady of the sonnets? Did Shakespeare die a Catholic? What did he do during the so-called lost years, before he went to London to write plays? What were the last words Shakespeare uttered on his deathbed? Was Shakespeare ever in love? Pickleherring turns speculation and fact into stories, each bringing us inexorably closer to Shakespeare the man - complex, contradictory, breathing, vibrant.

gallows moon: The Captain's Daughter Alexander Pushkin, 2024-09-09 Step into the heart of 18th-century Russia with Alexander Pushkin's compelling novel, *The Captain's Daughter*. This timeless tale weaves together romance, loyalty, and rebellion as young nobleman Pyotr Grinyov is sent to serve at a remote fortress, where he falls in love with Masha, the captain's daughter. As a peasant uprising led by the formidable Pugachev threatens to unravel the fabric of society, Pyotr must navigate the turbulent waters of love and duty. As the story unfolds, witness Pyotr's journey through the complexities of honor, bravery, and love in a world on the brink of chaos. Pushkin's masterful storytelling brings to life the stark realities of Russian life during this volatile period, while exploring the profound connections between personal loyalty and societal upheaval. But here's the twist that will keep you captivated: Can Pyotr's love for Masha withstand the storm of rebellion? Will his noble upbringing be enough to protect the ones he loves, or will the forces of history tear them apart? Delve into the intricate relationships and vivid historical context that Pushkin so expertly crafts. The novel's rich character development and gripping plotlines offer readers a deeply engaging experience, as they explore themes of honor, sacrifice, and the enduring power of love. Are you ready to explore a world where love is tested by the fires of rebellion and where every choice can mean life or death? Indulge in short, poignant paragraphs that bring to life the drama and

passion of this classic work. Pushkin's prose will draw you into a world of intense emotion, challenging your perceptions of love, loyalty, and the human spirit. This is more than just a historical novel; it's a timeless exploration of the human heart. Will you join Pyotr and Masha as they face the ultimate test of their love? Seize the opportunity to immerse yourself in one of Russian literature's greatest treasures. Purchase *The Captain's Daughter* now, and let Pushkin's powerful narrative transport you to a time of courage, passion, and turmoil.

gallows moon: *Paul Klee* Kathryn Porter Aichele, 2006 Contextual analogies reveal that Klee matched wits with Christian Morgenstern, rose to the provocations of Kurt Schwitters, and gave new form to the Surrealists' exquisite corpses. By the end of his life Klee discovered his own poetic voice in alphabet drawings that read as anagrams and pictorial poems that challenge conventional distinctions between verbal and visual forms of expression. *Paul Klee, Poet/Painter* is a case study in the reciprocity of poetry and painting in early modernist practice. It introduces readers to a little-known facet of Klee's creative activity and re-evaluates his contributions to a modernist aesthetic.--BOOK JACKET.

gallows moon: *The Marvellous Adventures and Rare Conceits of Master Tyll Owlglass* Kenneth R. H. Mackenzie, 2017-07-04 "Wit, an't be thy will, put me into good fooling! Those wits that think they have thee do very oft prove fools; and I that am sure I lack thee, may pass for a wise man: For what says Quinapalus? Better a witty fool than a foolish wit." Clown in "Twelfth Night," Act I., Scene 5. Among the folkbooks of the German nation, not one has obtained so general a circulation as that now presented in an English form. It has been deemed worthy, as by the Appendix may be perceived, of being translated into French, Dutch, Danish, Polish, nay, even Hebrew, and honoured by being reprinted on every kind of paper, good and bad. A favourite among the young for its amusing and quaint adventures, and a study among those who strive, by the diligent comparison of different eras of national literature, to arrive at a due appreciation of national character, *Eulenspiegel*, or *Owlglass the boor* (peasant), possesses a peculiar value for the old. I well remember how, as a very little child, I first made the friendship of the lithe though clumsy hero; and to the present time do not feel that I can say I have lost my interest in the humorous quips and quiddities of the strolling vagabond. I little thought, when I then read the German book, that it would be my privilege to introduce him to other readers in my own language. The *Gil Blas* of German mediæval story, there is deep instruction in the pungent jests and literal ways of the man who held up his mirror for owls to look in, and each of whose tricks might form the groundwork of a moral reflection. And for the early times in which it appeared, there was not a little courage in the author of it. Strange to say, this person appears to have been a Franciscan friar, Thomas Murner, who, in other matters, made not a little stir in his own day. He visited this country, and wrote a book in defence of our good King Hal the Bluff against that famous monk, Luther; and he received some assistance in a substantial gift from that monarch. An account of him will be found in the Appendix; we have here only to deal with the significance of the book itself. Like the deep searching work of Rabelais, the book is a satire, not upon human life only, but upon special and dangerous topics. Very early editions contain the story of how *Eulenspiegel* procured an old skull from a churchyard, and turned the passion for worshipping relics to profitable account; and the priests and would-be learned men of his time continually appear in ludicrous, undignified, or humiliating positions. Rank was not respected, nor was vice in high places passed by with (so-called) discreet silence. Yet with all the graver objects in the book, the immediate aim of amusement was never forgotten; and, letting us into the secrets of peasant life in Germany at an era when peasants had little to rejoice over, we almost imagine that we can hear the shouts of laughter with which the blunt outspoken jokes of this sly clown were received. But Mr. Hallam does justice to a higher appreciation of this kind of literature among the better classes of the time. To be continue in this ebook...

gallows moon: *Histories of Shakespeare in Plain and Simple English (a Modern Translation and the Original Version)* William Shakespeare, 2013-03-13 Shakespeare is the most critically acclaimed playwright of all time. So why is he so hard to understand? This massive anthology of Shakespeare's *Histories* will give you a new appreciation of William Shakespeare by putting each of his history

plays in plain and simple English. The books may also be purchased separately. We all need refreshers every now and then. Whether you are a student trying to cram for that big final, or someone just trying to understand a book more, BookCaps can help. We are a small, but growing company, and are adding titles every month.

gallows moon: The Octopus Deception Daniel Estulin, 2013-04-01 In this timely political thriller, CIA special agent Curtis Fitzgerald, scholar Simone Casoloro, and historian Michael Asbury, must race against the clock to find trillions of dollars worth of stolen funds to prevent global economic collapse. Since the end of the Second World War, an elite organization called The Octopus has controlled the funds hidden away in six bank accounts. As the crux of the global economy, the loss of the money threatens to send the world into pure chaos unless it's retrieved. Fitzgerald, Casoloro, and Asbury find themselves down the rabbit hole of government conspiracies and secret societies in the hunt for the missing riches. Love, betrayal, murder, and deceit play prominently in this novel following in the wake of the ongoing financial crisis.

gallows moon: *The Collected Poems of Octavio Paz, 1957-1987* Octavio Paz, 1991 Contains almost 200 collected poems in both Spanish and English.

gallows moon: *Sun-stone* Octavio Paz, 1963

gallows moon: *Lippincott's Magazine of Literature, Science and Education*, 1883

gallows moon: King Henry IV Part 1 William Shakespeare, 2014-09-25 David Scott Kastan lucidly explores the remarkable richness and the ambitious design of King Henry IV Part 1 and shows how these complicate any easy sense of what kind of play it is. Conventionally regarded as a history play, much of it is in fact conspicuously invented fiction, and Kastan argues that the non-historical, comic plot does not simply parody the historical action but by its existence raises questions about the very nature of history. The full and engaging introduction devotes extensive discussion to the play's language, indicating how its insistent economic vocabulary provides texture for the social concerns of the play and focuses attention on the central relationship between value and political authority.

gallows moon: A new dictionary Spanish and english and english and Spanish John Stevens, 1726

gallows moon: *Out with the Mounties!* Derek Temple, 1937

gallows moon: *Henry IV - Part One* William Shakespeare, 2013-08-31 Henry IV, Part One has been one of Shakespeare's most popular plays since it was first produced, and was reprinted several times during the playwright's lifetime. The play encompasses the tragic pathos of Hotspur's death, the thrill of Hal's battlefield valor, the intrigue of power politics, and the broad humor of tavern scenes. It has been performed as a play that celebrates England and engenders national pride, but also as a play that thumbs its nose at patriotism and notions of empire. This Broadview Edition provides a discussion of the play's performance history, and both the introduction and footnotes encourage readers to think about the play as a performance text. The appendices gather a selection of historical sources and contemporary philosophical and political writings from England and Europe, and interleaved pages throughout the play provide illustrations and extended discussion of key phrases, plot points, and allusions. Further historical and performance materials are available on the Internet Shakespeare Editions website.

gallows moon: *Radio Benjamin* Walter Benjamin, 2021-12-07 Walter Benjamin was fascinated by the impact of new technology on culture, an interest that extended beyond his renowned critical essays. From 1927 to '33, he wrote and presented something in the region of eighty broadcasts using the new medium of radio. Radio Benjamin gathers the surviving transcripts, which appear here for the first time in English. This eclectic collection demonstrates the range of Benjamin's thinking and his enthusiasm for popular sensibilities. His celebrated "Enlightenment for Children" youth programs, his plays, readings, book reviews, and fiction reveal Benjamin in a creative, rather

than critical, mode. They flesh out ideas elucidated in his essays, some of which are also represented here, where they cover topics as varied as getting a raise and the history of natural disasters, subjects chosen for broad appeal and examined with passion and acuity. Delightful and incisive, this is Walter Benjamin channeling his sophisticated thinking to a wide audience, allowing us to benefit from a new voice for one of the twentieth century's most respected thinkers.

gallows moon: Novels, Tales, Journeys Alexander Pushkin, 2024-03-05 From the award-winning translators: the complete prose narratives of the most acclaimed Russian writer of the Romantic era and one of the world's greatest storytellers. The father of Russian literature, Pushkin is beloved not only for his poetry but also for his brilliant stories, which range from dramatic tales of love, obsession, and betrayal to dark fables and sparkling comic masterpieces, from satirical epistolary tales and romantic adventures in the manner of Sir Walter Scott to imaginative historical fiction and the haunting dreamworld of *The Queen of Spades*. The five short stories of *The Late Tales of Ivan Petrovich Belkin* are lightly humorous and yet reveal astonishing human depths, and his short novel, *The Captain's Daughter*, has been called the most perfect book in Russian literature.

gallows moon: Complete Works William Shakespeare, Royal Shakespeare Company, 2007 An authoritative, modernized edition of the complete works of the great Elizabethan dramatist offers the complete texts of every comedy, tragedy, and history play, along with key facts about each work, a plot summary, major roles, sources, textual history, glossaries, and other helpful textual notes.
