ganesh stotram pdf: Lost Boy Brent W. Jeffs, Maia Szalavitz, 2009-05-19 In the polygamous Fundamentalist Church of Jesus Christ of Latter-day Saints (FLDS), girls can become valuable property as plural wives, but boys are expendable, even a liability. In this powerful and heartbreaking account, former FLDS member Brent Jeffs reveals both the terror and the love he experienced growing up on his prophet's compound—and the harsh exile existence that so many boys face once they have been expelled by the sect. Brent Jeffs is the nephew of Warren Jeffs, the imprisoned leader of the FLDS. The son of a prominent family in the church, Brent could have grown up to have multiple wives of his own and significant power in the 10,000-strong community. But he knew that behind the group's pious public image—women in chaste dresses carrying babies on their hips—lay a much darker reality. So he walked away, and was the first to file a sexual-abuse lawsuit against his uncle. Now Brent shares his courageous story and that of many other young men who have become "lost boys" when they leave the FLDS, either by choice or by expulsion. Brent experienced firsthand the absolute power that church leaders wield—the kind of power that corrupts and perverts those who will do anything to maintain it. Once young men no longer belong to the church, they are cast out into a world for which they are utterly unprepared. More often than not, they succumb to the temptations of alcohol and other drugs. Tragically, Brent lost two of his brothers in this struggle, one to suicide, the other to overdose. In this book he shows that lost boys can triumph and that abuse and trauma can be overcome, and he hopes that readers will be inspired to help former FLDS members find their way in the world.

This thousand name hymn of ganesha (ganesha sahasranama) is one among the powerful hymns on lord Ganesha and it has great importance in the Gānāpatya tradition. Bhāskara rāya mākha a great shākta scholar and devotee of the mother goddess, a scholar in Vedas, purānas and mantra shāstras had written a wonderful commentary on the hymn. The commentary is called khadyota (that which enlightens the sky) It is named so as it puts light on the deeper meanings of the names of this thousand names hymn (sahasranāma stotra) I have explained every name of this thousand names hymn based on the khadyota commentary and I have also quoted shlokas from the Vedas, purānas and tantras. Some names of the sahasranāma refer to various forms and incarnations of lord Ganesha. I have quoted the dhyāna shloka (verses describing forms of ganesha to be meditated on) of those forms from the tantra and āgama shāstras and also explained their meanings. The sahasranamavali (list of names from the sahasranama) starting with one and ending with namah (salutation) is also given for the purpose of chanting. the book has two indexes first index containing index of all names in the order in which it occurs in the hymn and the second index is alphabetical.

ganesh stotram pdf: Madhurashtakam Swami Tejomayananda, 2010 Vallabhacharya, the founder of the Pushti Maarg was a poet, scholar and passionate lover of Lord Krishna. Madhurashtakam is one of the immemorial compositions of Vallabhacharya, the founder of Pusti marg. These set of eight verses talk of Shri Krishna's bewitching personality. His pastimes, and His pranks all of which make Him loving and lovable. The composition has become more popular because of its simplicity. Puja Guruji's commentary on it gives us a sense of immediacy with highlights of episodes from the lives of recent saints. It also makes us introspect on our hypocrisies which prevent us from flowing with sweetness. It opens our eyes to the healing energies of the Divine, clothed in a name and form.
