

gnostic bible pdf

gnostic bible pdf refers to digital versions of sacred texts that represent the beliefs, teachings, and philosophical insights of Gnosticism, an ancient religious movement emphasizing esoteric knowledge and spiritual enlightenment. This article explores the significance of the Gnostic Bible, the availability of PDF versions, and how these texts contribute to modern understanding of Gnostic traditions. Additionally, it covers the historical context of Gnostic scriptures, their core themes, and the ways in which a gnostic bible pdf can be accessed for study and research purposes. Readers will gain comprehensive insight into the content, structure, and impact of Gnostic texts, as well as practical guidance on obtaining reliable digital copies. The following sections provide a detailed analysis and overview of the Gnostic Bible in PDF format.

- Understanding the Gnostic Bible
- Historical Background of Gnostic Texts
- Core Themes and Teachings in the Gnostic Bible
- Availability and Access to Gnostic Bible PDF
- Benefits of Using a Gnostic Bible PDF
- Popular Gnostic Texts Included in the Gnostic Bible

Understanding the Gnostic Bible

The Gnostic Bible is a compilation of ancient religious writings that reflect the diverse beliefs and spiritual practices of Gnosticism. This collection includes scriptures, revelations, and mystical teachings that differ significantly from orthodox Christian texts. Gnostic texts emphasize direct personal knowledge of the divine, often referred to as “gnosis,” as the path to spiritual salvation. The term “gnostic bible pdf” typically refers to digital versions of these compilations, which make these rare and profound texts accessible to a wider audience. These PDFs often contain translations of key Gnostic scriptures, commentaries, and supplementary materials that aid in understanding the complex Gnostic worldview.

Definition and Scope

The Gnostic Bible encompasses a variety of writings, including early Christian Gnostic gospels, philosophical treatises, and mystical revelations. It is not a single book, but rather a curated collection of texts that represent the essence of Gnostic thought. The availability of a gnostic bible pdf allows scholars, students, and spiritual seekers to explore these writings in a convenient and portable format.

Differences from Canonical Bibles

Unlike the canonical Christian Bible, the Gnostic Bible presents alternative narratives about creation, the nature of God, and humanity's spiritual destiny. It often challenges orthodox doctrines, introducing complex mythologies and emphasizing the dualism between the spiritual and material worlds. This makes the gnostic bible pdf an essential resource for those interested in comparative religion and esoteric spirituality.

Historical Background of Gnostic Texts

The origins of Gnostic texts date back to the early centuries of the Common Era, primarily between the 1st and 4th centuries. Gnosticism emerged as a diverse religious movement within the context of early Christianity and Hellenistic philosophy. Many Gnostic writings were hidden or destroyed due to their controversial nature, only to be rediscovered in modern times through archaeological finds such as the Nag Hammadi library.

The Nag Hammadi Library

The discovery of the Nag Hammadi codices in Egypt in 1945 was a pivotal moment in the study of Gnosticism. These ancient manuscripts contain a vast collection of Gnostic scriptures, including gospels, apocryphal texts, and philosophical treatises. Many gnostic bible pdf versions are based on translations of these codices, providing direct access to primary sources of Gnostic knowledge.

Suppression and Rediscovery

Due to their divergence from orthodox Christian teachings, Gnostic texts were largely suppressed by early church authorities. This led to the loss and concealment of many writings for centuries. The modern rediscovery and digitization of these texts in formats such as PDF have revitalized interest in Gnostic spirituality and scholarship.

Core Themes and Teachings in the Gnostic Bible

The Gnostic Bible contains rich theological and philosophical themes that distinguish it from other religious texts. Central to Gnostic belief is the concept of gnosis, or secret knowledge, which enables the soul to transcend the material world and reunite with the divine source.

Dualism and Cosmology

Gnostic cosmology often portrays a dualistic universe, where the spiritual realm is pure and good, while the material world is flawed or corrupt. This dualism is expressed through various mythological figures such as the Demiurge, a lesser creator god responsible for the material world, who is often depicted as ignorant or malevolent.

Salvation Through Knowledge

In contrast to salvation through faith or works, Gnosticism teaches that salvation comes through acquiring esoteric knowledge and self-awareness. This knowledge reveals the true origin of the soul and its entrapment in the physical world, guiding the individual to spiritual liberation.

The Role of Jesus and Other Figures

Many Gnostic texts reinterpret the figure of Jesus as a divine messenger or revealer of hidden knowledge rather than solely a savior through crucifixion. Other figures such as Sophia, the divine wisdom, play key roles in Gnostic mythology and theology.

Availability and Access to Gnostic Bible PDF

Thanks to advances in digital technology, the gnostic bible pdf is now widely available for academic study and personal exploration. Several editions and translations have been digitized, providing readers with easy access to authentic Gnostic writings.

Sources for Authentic Gnostic Bible PDFs

Reliable gnostic bible pdfs can be found through academic institutions, religious studies publishers, and digital libraries specializing in ancient texts. These PDFs often include original language translations, scholarly annotations, and introductions that contextualize the writings.

Considerations When Choosing a PDF

It is important to select versions of the gnostic bible pdf that are accurate and well-edited. Some PDFs may contain incomplete or poorly translated texts, so consulting editions by recognized scholars or reputable publishers is recommended.

- Check the credentials of translators and editors
- Verify the inclusion of primary source references
- Look for comprehensive introductions and explanatory notes
- Ensure the text is free from unauthorized alterations

Benefits of Using a Gnostic Bible PDF

Utilizing a gnostic bible pdf offers numerous advantages for researchers, students, and spiritual

practitioners. The portability, searchability, and accessibility of digital formats enhance the study of these complex and nuanced texts.

Convenience and Accessibility

A digital version allows for immediate access on various devices without the need for physical storage. This is particularly valuable given the rarity and expense of printed editions of Gnostic scriptures.

Enhanced Study Tools

Many gnostic bible pdf files are searchable, enabling users to locate specific passages or themes quickly. Some versions also offer hyperlinks within the text for cross-referencing related materials, facilitating deeper study.

Preservation and Sharing

Digital copies help preserve fragile ancient manuscripts and enable sharing among academic and spiritual communities worldwide. This democratizes access to Gnostic teachings and supports ongoing research and dialogue.

Popular Gnostic Texts Included in the Gnostic Bible

The Gnostic Bible PDF typically includes a variety of renowned Gnostic writings, each contributing unique perspectives on spirituality and divine knowledge.

The Gospel of Thomas

One of the most famous Gnostic texts, the Gospel of Thomas, consists of 114 sayings attributed to Jesus that emphasize personal enlightenment and spiritual awakening. It is often included in gnostic bible pdf collections as a foundational scripture.

The Gospel of Mary

This text highlights the role of Mary Magdalene as a prominent disciple and spiritual teacher, offering insights into early Gnostic perspectives on gender and authority in religious contexts.

The Apocryphon of John

This revelation text outlines Gnostic cosmology, describing the creation of the world and humanity by the Demiurge and the role of divine beings in the salvation of the soul.

Other Notable Texts

- The Gospel of Philip
- The Pistis Sophia
- The Secret Book of James
- The Hypostasis of the Archons

These writings collectively form the core content of most gnostic bible pdf editions, presenting a comprehensive picture of Gnostic spirituality and theology.

Frequently Asked Questions

What is the Gnostic Bible PDF?

The Gnostic Bible PDF is a digital compilation of Gnostic texts, including scriptures and writings from various Gnostic traditions, often used for study and research.

Where can I legally download the Gnostic Bible PDF?

Legal downloads of the Gnostic Bible PDF can often be found on academic websites, public domain repositories, or through publishers that have authorized digital distribution.

What are some of the key texts included in the Gnostic Bible PDF?

Key texts typically include the Gospel of Thomas, Gospel of Mary, Gospel of Judas, and other Nag Hammadi scriptures that explore Gnostic beliefs and cosmology.

Is the Gnostic Bible PDF suitable for beginners interested in Gnosticism?

The Gnostic Bible PDF can be suitable for beginners, especially if it includes introductory notes or commentaries, but some texts may be complex and require additional study for full understanding.

How does the Gnostic Bible differ from the traditional Christian Bible?

The Gnostic Bible contains alternative scriptures focusing on secret knowledge (gnosis), differing in theology, cosmology, and the nature of divinity compared to the traditional Christian Bible.

Can I use the Gnostic Bible PDF for academic research?

Yes, the Gnostic Bible PDF is often used in academic research on early Christian history, religious studies, and comparative theology, provided the edition is credible and properly cited.

Additional Resources

1. *The Gnostic Bible: Revised and Expanded Edition*

This comprehensive collection brings together a wide array of Gnostic texts, including the Nag Hammadi scriptures and other important writings. It offers readers insight into the diverse beliefs and practices of early Gnostic communities. The book also includes detailed introductions and annotations to help contextualize the material for modern readers.

2. *The Nag Hammadi Scriptures: The Revised and Updated Translation of Sacred Gnostic Texts*

Edited by Marvin Meyer, this volume presents an accessible and scholarly translation of key Gnostic texts discovered in Nag Hammadi, Egypt. It includes texts like the Gospel of Thomas and the Gospel of Philip, providing a window into early Christian heterodox beliefs. The book is praised for its clarity and comprehensive introduction to Gnosticism.

3. *Gnostic Scriptures* by Bentley Layton

This anthology offers a selection of essential Gnostic texts, accompanied by thorough scholarly commentary. Layton's translations bring forward the theological and philosophical ideas that shaped Gnostic thought. The book serves as an excellent introduction for both students and general readers interested in early Christian mysticism.

4. *The Secret Books of the Egyptian Gnostics: The Writings of the Nag Hammadi Library*

This book compiles key writings from the Nag Hammadi Library, emphasizing their Egyptian origins and mystical content. Readers gain insight into the secretive and symbolic language used by Gnostic sects. The text also explores the historical and cultural contexts in which these scriptures were produced.

5. *The Gnostic Gospels* by Elaine Pagels

A seminal work that examines the discovery and significance of Gnostic texts, particularly those found at Nag Hammadi. Pagels explores how these writings challenge orthodox Christian doctrines and reveal alternative perspectives on Jesus and salvation. The book is both scholarly and accessible, making it popular among general readers.

6. *Lost Scriptures: Books that Did Not Make It into the New Testament* by Bart D. Ehrman

This volume includes a section on Gnostic gospels and other early Christian writings excluded from the canonical Bible. Ehrman provides historical context and critical analysis of these texts, shedding light on the diversity of early Christianity. The book is valuable for understanding why certain texts were deemed heretical.

7. *The Gospel of Mary Magdalene*

One of the prominent Gnostic texts, this gospel offers a unique perspective on Mary Magdalene's role among Jesus' followers. It highlights themes of spiritual knowledge and the soul's journey after death. Various translations and commentaries are available, making it a key text for those studying Gnostic beliefs.

8. *Gnosis: The Nature and History of Gnosticism* by Kurt Rudolph

This scholarly work provides an in-depth historical and theological overview of Gnosticism as a religious movement. Rudolph examines the origins, development, and key concepts of Gnostic thought, drawing from primary sources including Gnostic scriptures. It is a foundational text for anyone seeking a thorough understanding of Gnostic traditions.

9. The Apocryphon of John: The Secret Book Revealed

Focusing on one of the most important Gnostic texts, this book presents translations and interpretations of the Apocryphon of John. The text reveals a complex cosmology and the nature of divine beings according to Gnostic belief. It is essential reading for those interested in the mythological aspects of Gnosticism.

The Gnostic Gospels: Unveiling Hidden Truths

By: Elias Thorne

Introduction: Exploring Gnosticism and its historical context; defining Gnostic scriptures and their significance.

Chapter 1: Key Gnostic Texts: Analysis of prominent Gnostic texts like the Gospel of Thomas, Gospel of Philip, and the Apocryphon of John. Their unique perspectives on Jesus and salvation.

Chapter 2: Core Gnostic Beliefs: Deep dive into Gnostic cosmology, the nature of God, the role of the Demiurge, and the concept of salvation through gnosis (knowledge).

Chapter 3: Gnostic Practices and Rituals: Examination of Gnostic rituals, spiritual disciplines, and their impact on individual and community life.

Chapter 4: Gnosticism and Early Christianity: Exploring the relationship between Gnosticism and orthodox Christianity, highlighting points of both convergence and divergence.

Chapter 5: The Legacy of Gnosticism: Assessing the historical influence and ongoing relevance of Gnostic thought in modern spirituality, philosophy, and literature.

Conclusion: Summary of key themes and a reflection on the enduring questions posed by Gnostic texts.

Delving into the Gnostic Bible PDF: A Comprehensive Guide

The quest for understanding the Gnostic Bible, available as a convenient PDF, requires venturing beyond conventional religious narratives. Gnosticism, a diverse collection of religious movements flourishing in the first few centuries CE, offered a radically different interpretation of Christianity than the doctrines that would eventually become orthodox. This article will unpack the key elements

of Gnostic thought as reflected in its surviving texts, exploring its beliefs, practices, and enduring legacy.

Introduction: Unveiling the Mysteries of Gnosticism

Gnosticism, derived from the Greek word *gnosis*, meaning "knowledge," emphasized the attainment of spiritual enlightenment through secret knowledge. Unlike orthodox Christianity, which emphasized faith and salvation through Christ's sacrifice, Gnostics believed salvation was achieved through acquiring esoteric knowledge that freed the divine spark within the individual from the material world's constraints. This "divine spark," often referred to as the *pneuma*, was trapped within the material body, a prison created by a flawed, lesser deity known as the Demiurge. Understanding the true nature of the higher God and escaping the Demiurge's dominion were central to Gnostic beliefs.

The Gnostic "Bible" isn't a single unified text like the Christian Bible. It comprises a collection of diverse texts, discovered primarily through archaeological finds such as the Nag Hammadi library in Egypt. These texts offer varied perspectives and interpretations, highlighting the decentralized and heterodox nature of Gnosticism. They are not meant to be read as a singular, cohesive narrative, but rather as a collection of independent works offering glimpses into different Gnostic schools of thought.

Chapter 1: Key Gnostic Texts - A Window into Diverse Perspectives

The Gnostic Gospels, often compiled in PDF format for accessibility, contain several key texts that offer diverse perspectives on the nature of Jesus and salvation. Among the most important are:

The Gospel of Thomas: This collection of sayings attributed to Jesus eschews traditional narrative structure, instead presenting a series of aphorisms and parables emphasizing inner transformation and spiritual awakening. It focuses heavily on achieving *gnosis* and understanding the kingdom of God within oneself. The Gospel of Thomas often emphasizes paradox and mystical experiences, urging the reader to go beyond literal interpretations.

The Gospel of Philip: This text delves into symbolic interpretations of biblical events and Jesus's relationship with Mary Magdalene, presenting a more esoteric and mystical understanding of Christ's teachings. The Gospel of Philip often uses allegorical language to convey its spiritual messages.

The Apocryphon of John: This text presents a complex cosmological narrative, explaining the creation of the world and humanity's fall from grace. It provides a detailed account of the divine realms and the role of the Demiurge in creating the material world. The Apocryphon of John is notable for its sophisticated cosmology and its depiction of the spiritual ascent.

Studying these texts reveals the significant divergence between Gnostic Christianity and the orthodox traditions that would later dominate. While both acknowledged Jesus as a significant figure, the Gnostic interpretation differed greatly in its emphasis on esoteric knowledge, the nature of God, and the path to salvation.

Chapter 2: Core Gnostic Beliefs - A Unique Cosmological Framework

Gnostic cosmology presents a complex understanding of the divine and the material world. At the apex lies the unknowable, supreme God, often referred to as the "Monad" or "Bythos." Below this ultimate reality resides a series of emanations or Aeons, divine beings that progressively unfold from the Monad. The Demiurge, a flawed and ignorant creator god, emerges from this chain of emanations and is responsible for creating the material world. The Demiurge is not inherently evil, but rather limited in understanding, unaware of the true nature of the supreme God.

This creation myth contrasts sharply with the orthodox Christian creation narrative. For Gnostics, the material world is not inherently good but a place of imprisonment for the divine spark within humanity. Salvation, therefore, involves escaping this material prison and returning to the higher realms through the acquisition of gnosis. This gnosis, the secret knowledge, allows individuals to recognize their true divine nature and break free from the illusionary constraints of the material world.

Chapter 3: Gnostic Practices and Rituals - Paths to Enlightenment

Gnostic practices and rituals aimed at achieving spiritual enlightenment and liberation. These practices were often secret and esoteric, passed down through initiations within Gnostic communities. While specific details vary across different Gnostic groups, several common themes emerge:

Spiritual Disciplines: Gnostics emphasized self-reflection, meditation, and ascetic practices to purify the soul and prepare it for the acquisition of gnosis. This involved controlling desires, rejecting worldly attachments, and striving for inner purity.

Rituals and Sacraments: Some Gnostic groups incorporated rituals and sacraments, similar to those found in orthodox Christianity, but with significantly different meanings and interpretations. These rituals often symbolized the journey of the soul's ascent towards the divine.

Knowledge and Interpretation: The pursuit of gnosis was paramount. Gnostics valued interpretation of scripture, seeking hidden meanings and uncovering the deeper truths concealed within religious narratives. They often viewed orthodox interpretations as simplistic and inadequate.

Chapter 4: Gnosticism and Early Christianity - A Complex Relationship

The relationship between Gnosticism and early Christianity is complex and multifaceted. Some Gnostic groups integrated elements of Jewish and Christian traditions into their own belief systems, adapting and reinterpreting existing religious narratives to fit their unique worldview. However, Gnostic beliefs diverged significantly from the developing orthodoxy of early Christianity, leading to conflict and rejection.

The orthodox Christian church viewed Gnostic beliefs as heretical and dangerous, threatening the established theological framework. This led to the suppression of Gnostic texts and the persecution of Gnostic communities. The discovery of the Nag Hammadi library in the 20th century provided invaluable insights into Gnostic thought, allowing scholars to understand the complexities of this influential yet largely suppressed religious movement.

Chapter 5: The Legacy of Gnosticism - Enduring Influence

Despite their suppression, Gnostic ideas have left a lasting legacy. Elements of Gnostic thought can be found in various religious and philosophical traditions throughout history. Modern interest in Gnosticism has revived, leading to renewed study and exploration of its multifaceted beliefs and practices.

Gnostic ideas resonate with many individuals seeking spiritual exploration and alternative perspectives on religious narratives. Its emphasis on personal experience, inner transformation, and the quest for knowledge continues to inspire contemporary thought. The influence of Gnostic thought is also visible in various fields including literature, art, and philosophy.

Conclusion: Unanswered Questions and Enduring Relevance

The Gnostic Bible PDF offers a valuable resource for understanding a fascinating and complex religious movement. While it presents varied perspectives and interpretations, it highlights the human quest for spiritual meaning and the enduring search for truth. The questions raised by Gnostic texts remain relevant, inviting ongoing discussion and exploration of the nature of divinity, the human condition, and the path to spiritual liberation. The study of Gnosticism encourages critical examination of religious narratives and fosters a deeper appreciation of the diversity of human spiritual experience.

FAQs:

1. What is the difference between Gnosticism and Christianity? Gnosticism and orthodox Christianity share some figures but fundamentally diverge in their views on creation, salvation, and the nature of God. Gnostics emphasized secret knowledge (gnosis) for salvation, while orthodox Christianity emphasized faith and Christ's sacrifice.
2. Where can I find a Gnostic Bible PDF? Several online sources offer Gnostic texts in PDF format; however, verify their authenticity and scholarly rigor.
3. Are all Gnostic texts included in the PDF? No, not all discovered Gnostic texts are included in every PDF compilation. Collections vary.
4. What is the Demiurge in Gnostic belief? The Demiurge is a flawed, lesser creator deity in Gnostic cosmology, distinct from the supreme God.
5. What is gnosis? Gnosis is the central concept in Gnosticism, referring to the secret, saving knowledge that allows for spiritual liberation.
6. Why were Gnostic texts suppressed? The early Christian church viewed Gnostic beliefs as heretical and threatening to their authority.
7. What is the significance of the Nag Hammadi library? The Nag Hammadi library provided a treasure trove of Gnostic texts, offering unparalleled insight into their beliefs.
8. How relevant is Gnosticism today? Gnostic ideas continue to resonate with contemporary spirituality and philosophy, prompting exploration of alternative worldviews.
9. Are there different schools of Gnostic thought? Yes, Gnosticism encompassed diverse schools and perspectives, reflecting a decentralized and heterodox movement.

gnostic bible pdf: The Gnostic Bible Willis Barnstone, Marvin W. Meyer, 2006 The most comprehensive collection of gnostic literature ever published, this volume is the result of a unique collaboration between a renowned poet-translator and a leading scholar of early Christian texts.

gnostic bible pdf: *The Gnostic Gospels* Elaine Pagels, 2004-06-29 Selected by the Modern Library as one of the 100 best nonfiction books of all time *The Gnostic Gospels* is a landmark study of the long-buried roots of Christianity, a work of luminous scholarship and wide popular appeal. First published in 1979 to critical acclaim, winning the National Book Award and the National Book Critics Circle Award, *The Gnostic Gospels* has continued to grow in reputation and influence over the past two decades. It is now widely recognized as one of the most brilliant and accessible histories of early Christian spirituality published in our time. In 1945 an Egyptian peasant unearthed what proved to be the Gnostic Gospels, thirteen papyrus volumes that expounded a radically different view of the life and teachings of Jesus Christ from that of the New Testament. In this spellbinding book, renowned religious scholar Elaine Pagels elucidates the mysteries and meanings of these sacred texts both in the world of the first Christians and in the context of Christianity today. With insight and passion, Pagels explores a remarkable range of recently discovered gospels, including the Gospel of Thomas and the Gospel of Mary Magdalene, to show how a variety of "Christianities" emerged at a time of extraordinary spiritual upheaval. Some Christians questioned the need for clergy and church doctrine, and taught that the divine could be discovered through spiritual search. Many others, like Buddhists and Hindus, sought enlightenment—and access to God—within. Such explorations raised questions: Was the resurrection to be understood symbolically and not literally? Was God to be envisioned only in masculine form, or feminine as well? Was martyrdom a necessary—or worthy—expression of faith? These early Christians dared to ask questions that orthodox Christians later suppressed—and their explorations led to profoundly different visions of Jesus and his message. Brilliant, provocative, and stunning in its implications, *The Gnostic Gospels* is a radical, eloquent reconsideration of the origins of the Christian faith.

gnostic bible pdf: *The Nag Hammadi Library in English* James McConkey Robinson, 1984

gnostic bible pdf: *The Secret Book of John*, 2005 *The Secret Book of John: The Gnostic Gospel* - Annotated & Explained decodes the principal themes, historical foundation, and spiritual contexts of this challenging yet fundamental Gnostic teaching. Drawing connections to Christianity, Buddhism, Hinduism, kabbalistic Judaism, and Sufism, Davies focuses on the mythology and psychology of the Gnostic religious quest. He illuminates the Gnostics' ardent call for self-awareness and introspection, and the empowering message that divine wholeness will be restored not by worshiping false gods in an illusory material world but by our recognition of the inherent divinity within ourselves.--BOOK JACKET.

gnostic bible pdf: *The Gnostic Scriptures* Bentley Layton, 1995-01-08 This introduction to the gnostic scriptures takes a look at the theology, religious atmosphere and literary traditions of ancient Christianity and Hellenistic Judaism.

gnostic bible pdf: *The Gospel of Judas, Second Edition* Rodolphe Kasser, Marvin Meyer, Gregor Wurst, Francois Gaudard, 2008-06-17 For 1,600 years its message lay hidden. When the bound papyrus pages of this lost gospel finally reached scholars who could unlock its meaning, they were astounded. Here was a gospel that had not been seen since the early days of Christianity, and

which few experts had even thought existed—a gospel told from the perspective of Judas Iscariot, history’s ultimate traitor. And far from being a villain, the Judas that emerges in its pages is a hero. In this radical reinterpretation, Jesus asks Judas to betray him. In contrast to the New Testament Gospels, Judas Iscariot is presented as a role model for all those who wish to be disciples of Jesus and is the one apostle who truly understands Jesus. Discovered by farmers in the 1970s in Middle Egypt, the codex containing the gospel was bought and sold by antiquities traders, secreted away, and carried across three continents, all the while suffering damage that reduced much of it to fragments. In 2001, it finally found its way into the hands of a team of experts who would painstakingly reassemble and restore it. The Gospel of Judas has been translated from its original Coptic to clear prose, and is accompanied by commentary that explains its fascinating history in the context of the early Church, offering a whole new way of understanding the message of Jesus Christ.

gnostic bible pdf: The Gnostic Bible: The Pistis Sophia Unveiled Samael Aun Weor, 2011-02-24 “It came to pass, when Jesus had risen from the dead, that he passed eleven years discoursing with his disciples, and instructing them.” The Apostles wrote down what Jesus taught them during those eleven years, resulting in The Pistis Sophia, the most important Gnostic scripture. Includes an extensive commentary by Samael Aun Weor.

gnostic bible pdf: *The Other Bible* Willis Barnstone, 2005-09-20 A new edition of our classic, The Other Bible, including a new index, new cover, and a new introduction from the author to bring The Other Bible up to date. The Other Bible gathers in one comprehensive volume ancient, esoteric holy texts from Judeo-Christian tradition that were excluded from the official canon of the Old and New Testaments, including the Gnostic Gospels, the Dead Sea Scrolls, the Kabbalah, and several more. The Other Bible provides a rare opportunity to discover the poetic and narrative riches of this long-suppressed literature and experience firsthand its visionary discourses on the nature of God, humanity, the spiritual life, the world around us, and infinite worlds beyond this one. This new edition will include a full index and a new introduction from editor Willis Barnstone. o The interest in Gnostic texts begun with The Da Vinci Code has spread to include many of the other suppressed early texts of Judaism and Christianity, and this book contains many of them in one volume.

gnostic bible pdf: *The Coptic Gnostic Library* James MacConkey Robinson, Einar Thomassen, 2012

gnostic bible pdf: *The Gospel of Philip* Vladimir Antonov, Vladimir Antonov Ed, 2008-05-13 This book presents a full and competent translation of the Gospel written by apostle Philip - a personal Disciple of Jesus Christ. The translation is accompanied by clarifying commentaries. In the Gospel, Philip put the emphasis on the methodological aspect of spiritual work. The book is addressed to everyone aspiring to Perfection.

gnostic bible pdf: *Gnostics* Sean Martin, 2010-08-01 Gnosticism is the name given to various religious schools that proliferated in the first centuries after Christ, nearly becoming the dominant form of Christianity, but was eventually branded as heretical by the emerging Christian church. The long and diverse history of Gnosticism is recounted here, as well as reasons for its continued relevance today. Although some Gnostic beliefs are close to mainstream Christianity, others examined here include that the world is imperfect because it was created by an evil god who was constantly at war with the true, good God; that Christ and Satan were brothers; that reincarnation exists; and that women are the equal of men. Also covered is the influence Gnostics had on the Renaissance, the Enlightenment, psychologist Carl Jung, the Existentialists, the New Age movement, and writers as diverse as William Blake, W. B. Yeats, Albert Camus, and Philip K. Dick.

gnostic bible pdf: *The Gnostics* Tobias Churton, 1997 The Greek word 'gnosis' means knowledge; the Gnostics themselves used it to refer to the spiritual knowledge they believed would redeem them from what they regarded as the inherent evil of the material universe. As a mystical alternative tradition within Christianity, Gnosticism suffered the hostility of the official church and, as a result, remains largely unknown or misunderstood to this day.

gnostic bible pdf: *The Gnostics* Jacques Lacarriere, 2014-08-01 Gnostics have always sought to “know” rather than to accept dogma and doctrine, often to their peril. This inquiry into

Gnosticism examines the character, history, and beliefs of a brave and vigorous spiritual quest that originated in the ancient Near East and continues into the present day. Lawrence Durrell writes, "This is a strange and original essay, more a work of literature than of scholarship, though its documentation is impeccable. It is as convincing a reconstruction of the way the Gnostics lived and thought as D.H. Lawrence's intuitive recreation of the vanished Etruscans."

gnostic bible pdf: The Mandaean Book of John Charles G. Häberl, James F. McGrath, 2019-11-18 Given the degree of popular fascination with Gnostic religions, it is surprising how few pay attention to the one such religion that has survived from antiquity until the present day: Mandaism. Mandaeans, who esteem John the Baptist as the most famous adherent to their religion, have in our time found themselves driven from their historic homelands by war and oppression. Today, they are a community in crisis, but they provide us with unparalleled access to a library of ancient Gnostic scriptures, as part of the living tradition that has sustained them across the centuries. Gnostic texts such as these have caught popular interest in recent times, as traditional assumptions about the original forms and cultural contexts of related religious traditions, such as Judaism, Christianity, and Islam, have been called into question. However, we can learn only so much from texts in isolation from their own contexts. Mandaean literature uniquely allows us not only to increase our knowledge about Gnosticism, and by extension all these other religions, but also to observe the relationship between Gnostic texts, rituals, beliefs, and living practices, both historically and in the present day.

gnostic bible pdf: Gnosis Kurt Rudolph, 2001-06-20 Translated by R. McL. Wilson A full-scale study based on the documents of the Coptic Gnostic library found at Nag Hammadi providing a comprehensive survey of the nature, the teachings, the history and the influence of this religion.

gnostic bible pdf: Gnosticism and the New Testament Pheme Perkins, 1993 The gnostic writings found at Nag Hammadi have stimulated much controversy about the relationship between early Christians and the diverse religious movement of the first three centuries. Perkins fills the New Testament student's need for a guide to recent developments in scholarship with a helpful survey that addresses the origins of Gnosticism, its relationship to Judaism, Redeemer myths and New Testament hymns, and other relevant topics.

gnostic bible pdf: The Gnostic Paul Elaine Pagels, 1992-03-01 In this highly original work, Elaine Pagels demonstrates how evidence from gnostic sources may challenge the assumption that Paul writes his letters to combat gnostic opponents and to repudiate their claims to secret wisdom. Drawing upon evidence from the gnostic exegesis of Paul, including several Nag Hammadi texts, the author examines how gnostic exegetes cite and interpret key passages in the letters they consider Pauline-1 & 2 Corinthians, Galatians, Ephesians, Philippians, Colossians, and Hebrews. Besides offering new insight into controversies over Paul in the second century, this analysis of gnostic exegesis suggests a new perspective for Pauline study, challenging students and scholars to recognize the presuppositions-hermeneutical and theological-involved in their own reading of Paul's letters. Elaine H. Pagels is the Harrington Spear Paine Professor of Religion at Princeton University. She is the author of *The Gnostic Gospels*, which won the National Book Award and the National Book Critics Circle Award, *The Johannine Gospel in Gnostic Exegesis*, *Adam, Eve, and the Serpent*, and the best-selling *Beyond Belief: The Secret Gospel of Thomas*.

gnostic bible pdf: The Gnostic Gospels Alan Jacobs, Vrej N. Nersessian, 2016-11-15 This eye-opening collection of texts sheds light on the esoteric knowledge of Gnosticism, revealing intimate conversations between Jesus and his Disciples. In 1945, several gospels, hidden since the first century, were found in the Egyptian Desert at Nag Hammadi. This discovery caused a sensation as the scrolls revealed the mysteries of the Gnostics—a movement which emerged during the formative period of Christianity. 'Gnosis', from the Greek, broadly meaning 'hidden spiritual knowledge', was associated with renouncing the material world, and focusing on attaining the life of the Holy Spirit. Many Christian sects are derived from the esoteric knowledge of Gnosticism. The gospels selected here by Alan Jacobs reveal intimate conversations between Jesus and his Disciples. The Gospel of Mary Magdalene sheds new light on his relationship with his favorite follower, while

the Gospel of Thomas consists of mini-parables of deep inward and symbolic meaning—many of which are not found in the New Testament. The wisdom in this inspiring collection of texts is wholly relevant to our lives today, addressing the questions of good and evil, sin and suffering, and the path to salvation.

gnostic bible pdf: The Secret Teachings of Jesus , 2011-09-28 In December 1945, two Egyptian fellahin, digging for natural fertilizer in the Nile River valley unearthed a sealed storage jar. The jar proved to hold treasure of an unexpected sort: a collection of some fifty-two ancient manuscripts, most of which reflect the teachings of a mystical religious movement we call Gnosticism (from the Greek word gnosis, knowledge). The texts are also, with few exceptions, Christian documents, and thus they provide us with valuable new information about the character of the early church, and about the Gnostic Christians within the church. In this volume, Marvin W. Meyer has produced a new English translation for general readers of four of the most important and revealing of these early Christian texts -- the Secret Book of James, the Gospel of Thomas, the Book of Thomas, and the Secret Book of John.

gnostic bible pdf: Early Judaism George W. E. Nickelsburg, Michael E. Stone, Jewish writings from the period of Second Temple present a rich and complex variety of first-hand materials. Here, the editors have updated their classic sourcebook on Jewish beliefs and practices to take into account current thinking about the sources.

gnostic bible pdf: The Gospel of Thomas Jean-Yves Leloup, 2005-02-16 A new translation and analysis of the gospel that records the actual words of Jesus • Explores the gnostic significance of Jesus's teachings recorded in this gospel • Explains the true nature of the new man whose coming Jesus envisioned • Translated and interpreted by the author of the bestselling *The Gospel of Mary Magdalene* and *The Gospel of Philip* One of the cache of codices and manuscripts discovered in Nag Hammadi, the Gospel of Thomas, unlike the canonical gospels, does not contain a narrative recording Christ's life and prophecies. Instead it is a collection of his teachings--what he actually said. These 114 logia, or sayings, were collected by Judas Didymus Thomas, whom some claim to be Jesus's closest disciple. No sooner was this gospel uncovered from the sands of Upper Egypt than scholars and theologians began to bury it anew in a host of conflicting interpretations and polemics. While some say it is a hodgepodge from the canonical gospels, for others it is the source text from which all the gospel writers drew their material and inspiration. In this new translation of the Gospel of Thomas, Jean-Yves Leloup shows that the Jesus recorded by the infinitely skeptical and infinitely believing Thomas has much in common with gnostics of non-dualistic schools. Like them, Jesus preaches the coming of a new man, the genesis of the man of knowledge. In this gospel, Jesus describes a journey from limited to unlimited consciousness. The Jesus of Thomas invites us to drink deeply from the well of knowledge that lies within, not so that we may become good Christians but so we may attain the self-knowledge that will make each of us, too, a Christ.

gnostic bible pdf: The Laughing Jesus Timothy Freke, Peter Gandy, 2006 'The Laughing Jesus' presents a no-holds-barred deconstruction of orthodox establishment religion. Tim Freke and Peter Gandy are also authors of 'The Jesus Mysteries' and 'Jesus and the Goddess'.

gnostic bible pdf: Studies in Gnosticism and Alexandrian Christianity Roelof van den Broek, 2020-10-26 The discovery of the Nag Hammadi Library (1945) has given an enormous impetus not only to the study of ancient Gnosticism but also to that of early Christianity in general. Most of the studies contained in this volume deal with mythological conceptions and theological ideas found in various Nag Hammadi writings. The gnostic views on the nature of God and on creation and salvation receive particular attention, ranging from Philo to the medieval Cathars. The Nag Hammadi Library also shed new light on the development of early Alexandrian Christianity and its theology. The book contains six studies which explicitly deal with these topics. This volume is of interest to students of Gnosticism, early Christianity and Graeco-Roman religious and philosophical ideas in general.

gnostic bible pdf: Secret Gospels Marvin Meyer, 2003-02-01 Marvin Meyer is one of the leading experts on the secret gospels-Gospel of Thomas, Secret Gospel of Mark, and others-who has

changed forever how we read the canonical gospels and understand early Christianity. In this new collection of his work, Meyer looks at these revolutionary texts in original and illuminating ways. He writes, for example, about the naked youths in the villa of the Mysteries. On the walls of a villa in Pompeii, a famous mural depicts a naked male reading from a scroll, a look of wonder on his face. A naked youth again appears in the Gospel of Mark, abandoning his garment and fleeing naked when apprehended during Jesus' arrest. A similar youth appears in the Secret Gospel of Mark. These youths, Meyer proposes, serve as an image of religious initiation, candidates for the mysteries of Dionysus or of Christ. This is one of the many aspects of the secret gospels that Meyer examines with expert insight and creativity. Topics range from gender and infancy stories to discipleship and the relationship of the Gospel of Thomas to Islamic literature. Meyer's spellbinding readings of these materials offer fresh understandings of the canonical gospels. Marvin Meyer is Grisct Professor of Bible and Christian Studies, and Director of the Albert Schweitzer Institute at Chapman University, Orange, California. He is author of *The Secret Teachings of Jesus: Four Gnostic Gospels* and *The Gospel of Thomas: The Hidden Sayings of Jesus*, and co-editor of *Jesus Then and Now* (Trinity Press International).

gnostic bible pdf: *Not in His Image (15th Anniversary Edition)* John Lamb Lash, 2021-09-18
 "Lash is capable of explaining the mind-bending concepts of Gnosticism and pagan mystery cults with bracing clarity and startling insight. . . . [His] arguments are often lively and entertaining."—Los Angeles Times Fully revised and with a new preface by the author, this timely update is perfect for readers of *The Immortality Key*. Since its initial release to wide acclaim in 2006, *Not in His Image* has transformed the lives of readers around the world by presenting the living presence of the Wisdom Goddess as never before revealed, illustrating that the truth of an impactful Gnostic message cannot be hidden or destroyed. With clarity, author John Lamb Lash explains how a little-known messianic sect propelled itself into a dominant world power, systematically wiping out the great Gnostic spiritual teachers, the Druid priests, and the shamanistic healers of Europe and North Africa. Early Christians burned libraries and destroyed temples in an attempt to silence the ancient truth-tellers and keep their own secrets. *Not in His Image* delves deeply into ancient Gnostic writings to reconstruct the story early Christians tried to scrub from the pages of history, exploring the richness of the ancient European Pagan spirituality—the Pagan Mysteries, the Great Goddess, Gnosis, the myths of Sophia and Gaia. In the 15th Anniversary Edition, Lash doubles down on his original argument against redemptive ideology and authoritarian deceit. He shows how the Gnostics clearly foresaw the current program of salvation by syringe, and places the Sophianic vision of life centrally in the battle to expose and oppose the evil agenda of transhumanism, making this well-timed update more relevant than ever. "Sometimes a book changes the world. *Not in His Image* is such a book. It is clear, stimulating, well-researched, and sure to outrage the experts. . . . Get it. Improve not just your own life, but civilization's chances for survival."—Roger Payne, author of *Among Whales*

gnostic bible pdf: *"The" Bible History* Alfred Edersheim, 1887

gnostic bible pdf: *The Mysteries of John the Baptist* Tobias Churton, 2012-10-24 The search for the real historical person known as John the Baptist and the traditions that began with him • Explores why John the Baptist is so crucially important to the Freemasons, who were originally known as "St. John's Men" • Reveals how John and Jesus were equal partners and shared a common spiritual vision to rebuild Israel and overcome corruption in the Temple of Jerusalem • Explains the connections between John as lord of the summer solstice, his mysterious severed head, fertility rites, and ancient Jewish harvest festivals Few Freemasons today understand why the most significant date in the Masonic calendar is June 24th—the Feast of the Birth of St. John the Baptist and the traditional date for appointing Grand Masters. Nor do many of them know that Masons used to be known as "St. John's Men" or that John the Baptist was fundamental to the original Masonic philosophy of personal transformation. Starting with the mystery of John in Freemasonry, Tobias Churton searches out the historical Baptist through the gospels and ancient histories, unearthing the real story behind the figure lauded by Jesus's words "no greater man was ever born of woman." He

investigates John's links with the Essenes and the Gnostics, links that flourish to this day. Exposing how the apostle Paul challenged John's following, twisting his message and creating the image of John as "merely" a herald of Jesus, the author shows how Paul may have been behind the executions of both John and Jesus and reveals a precise date for the crucifixion and the astonishing meaning of the phrase "the third day." He examines the significance of John's severed head to holy knights, such as the Knights Templar, and of Leonardo's famous painting of John. Churton also explains connections between John, the summer solstice, fertility rites, and ancient Jewish harvest festivals. Revealing John as a courageous, revolutionary figure as vital to the origins of Christianity as his cousin Jesus himself, Churton shows how John and Jesus, as equal partners, launched a covert spiritual operation to overcome corruption in the Temple of Jerusalem, re-initiate Israel, and resurrect Creation.

gnostic bible pdf: The Search for Roots: C. G. Jung and the Tradition of Gnosis Alfred Ribi, 2013-07-31 The publication in 2009 of C. G. Jung's *The Red Book: Liber Novus* has initiated a broad reassessment of Jung's place in cultural history. Among many revelations, the visionary events recorded in the Red Book reveal the foundation of Jung's complex association with the Western tradition of Gnosis. In *The Search for Roots*, Alfred Ribi closely examines Jung's life-long association with Gnostic tradition. Dr. Ribi knows C. G. Jung and his tradition from the ground up. He began his analytical training with Marie-Louise von Franz in 1963, and continued working closely with Dr. von Franz for the next 30 years. For over four decades he has been an analyst, lecturer and examiner of the C. G. Jung Institute in Zurich, where he also served as the Director of Studies. But even more importantly, early in his studies Dr. Ribi noted Jung's underlying roots in Gnostic tradition, and he carefully followed those roots to their source. Alfred Ribi is unique in the Jungian analytical community for the careful scholarship and intellectual rigor he has brought to the study of Gnosticism. In *The Search for Roots*, Ribi shows how a dialogue between Jungian and Gnostic studies can open new perspectives on the experiential nature of Gnosis, both ancient and modern. Creative engagement with Gnostic tradition broadens the imaginative scope of modern depth psychology and adds an essential context for understanding the voice of the soul emerging in our modern age. A Foreword by Lance Owens supplements this volume with a discussion of Jung's encounter with Gnostic tradition while composing his *Red Book (Liber Novus)*. Dr. Owens delivers a fascinating and historically well-documented account of how Gnostic mythology entered into Jung's personal mythology in the Red Book. Gnostic mythology thereafter became for Jung a prototypical image of his individuation. Owens offers this conclusion: "In 1916 Jung had seemingly found the root of his myth and it was the myth of Gnosis. I see no evidence that this ever changed. Over the next forty years, he would proceed to construct an interpretive reading of the Gnostic tradition's occult course across the Christian aeon: in Hermeticism, alchemy, Kabbalah, and Christian mysticism. In this vast hermeneutic enterprise, Jung was building a bridge across time, leading back to the foundation stone of classical Gnosticism. The bridge that led forward toward a new and coming aeon was footed on the stone rejected by the builders two thousand years ago." Alfred Ribi's examination of Jung's relationship with Gnostic tradition comes at an important time. Initially authored prior to the publication of Jung's *Red Book*, current release of this English edition offers a bridge between the past and the forthcoming understanding of Jung's Gnostic roots.

gnostic bible pdf: The Lost Books of the Bible and The Forgotten Books of Eden Rutherford Hayes Platt, 1927 Presented here are two volumes of apocryphal writings reflecting the life and time of the Old and New Testaments. Stories told by contemporary fiction writers of historical Bible times in fascinating and beautiful style.

gnostic bible pdf: The Gnostics David Brakke, 2011-01-01 Who were the Gnostics? And how did the Gnostic movement influence the development of Christianity in antiquity? Is it true that the Church rejected Gnosticism? This book offers an illuminating discussion of recent scholarly debates over the concept of "Gnosticism" and the nature of early Christian diversity. Acknowledging that the category "Gnosticism" is flawed and must be reformed, David Brakke argues for a more careful approach to gathering evidence for the ancient Christian movement known as the Gnostic school of

thought. He shows how Gnostic myth and ritual addressed basic human concerns about alienation and meaning, offered a message of salvation in Jesus, and provided a way for people to regain knowledge of God, the ultimate source of their being. Rather than depicting the Gnostics as heretics or as the losers in the fight to define Christianity, Brakke argues that the Gnostics participated in an ongoing reinvention of Christianity, in which other Christians not only rejected their ideas but also adapted and transformed them. This book will challenge scholars to think in new ways, but it also provides an accessible introduction to the Gnostics and their fellow early Christians.

gnostic bible pdf: The Gnostic New Age April D. DeConick, 2016-09-27 Gnosticism is a countercultural spirituality that forever changed the practice of Christianity. Before it emerged in the second century, passage to the afterlife required obedience to God and king. Gnosticism proposed that human beings were manifestations of the divine, unsettling the hierarchical foundations of the ancient world. Subversive and revolutionary, Gnostics taught that prayer and mediation could bring human beings into an ecstatic spiritual union with a transcendent deity. This mystical strain affected not just Christianity but many other religions, and it characterizes our understanding of the purpose and meaning of religion today. In *The Gnostic New Age*, April D. DeConick recovers this vibrant underground history to prove that Gnosticism was not suppressed or defeated by the Catholic Church long ago, nor was the movement a fabrication to justify the violent repression of alternative forms of Christianity. Gnosticism alleviated human suffering, soothing feelings of existential brokenness and alienation through the promise of renewal as God. DeConick begins in ancient Egypt and follows with the rise of Gnosticism in the Middle Ages, the advent of theosophy and other occult movements in the nineteenth and early twentieth centuries, and contemporary New Age spiritual philosophies. As these theories find expression in science-fiction and fantasy films, DeConick sees evidence of Gnosticism's next incarnation. Her work emphasizes the universal, countercultural appeal of a movement that embodies much more than a simple challenge to religious authority.

gnostic bible pdf: The Apocalypse of Abraham George Herbert Box, Joseph Immanuel Landsman, 1918

gnostic bible pdf: Jung and the Lost Gospels Stephan A. Hoeller, 1989-10-01 The Lost Gospels refer to the Dead Sea Scrolls and the Nag Hammadi Library, both discovered in the 1940s. The Nag Hammadi Library consists of writings found by two peasants who unearthed clay jars in 1945 in upper Egypt. These did not appear in English for 32 years, because the right to publish was contended by scholars, politicians, and antique dealers. The Dead Sea Scrolls, discovered in clay jars in Palestine by a goatherder in 1947, weathered similar storms. The first team of analysts were mostly Christian clergy, who weren't anxious to share material that frightened church leaders. As Dr. Hoeller shows, they rightly feared the documents would reveal information that might detract from unique claims of Christianity. Indeed, the Dead Sea Scrolls and Nag Hammadi Library both contradict and complement accepted tenets of the Old and New Testaments.

gnostic bible pdf: Gnostic Philosophy Tobias Churton, 2005-01-25 An extensive examination of the history of gnosticism and how its philosophy has influenced the Western esoteric tradition • Explains how the Gnostic understanding of self-realization is embodied in the esoteric traditions of the Rosicrucians and Freemasons • Explores how gnosticism continues to influence contemporary spirituality • Shows gnosticism to be a philosophical key that helps spiritual seekers remember their higher selves Gnosticism was a contemporary of early Christianity, and its demise can be traced to Christianity's efforts to silence its teachings. The Gnostic message, however, was not destroyed but simply went underground. Starting with the first emergence of Gnosticism, the author shows how its influence extended from the teachings of neo-Platonists and the magical traditions of the Middle Ages to the beliefs and ideas of the Sufis, Jacob Böhme, Carl Jung, Rudolf Steiner, and the Rosicrucians and Freemasons. In the language of spiritual freemasonry, gnosis is the rejected stone necessary for the completion of the Temple, a Temple of a new cosmic understanding that today's heirs to Gnosticism continue to strive to create. The Gnostics believed that the universe embodies a ceaseless contest between opposing principles. Terrestrial life exhibits the struggle between good

and evil, life and death, beauty and ugliness, and enlightenment and ignorance: gnosis and agnosis. The very nature of physical space and time are obstacles to humanity's ability to remember its divine origins and recover its original unity with God. Thus the preeminent gnostic secret is that we are God in potential and the purpose of bona fide gnostic teaching is to return us to our godlike nature. Tobias Churton is a filmmaker and the founding editor of the magazine *Freemasonry Today*. He studied theology at Oxford University and created the award-winning documentary series and accompanying book *The Gnostics*, as well as several other films on Christian doctrine, mysticism, and magical folklore. He lives in England.

gnostic bible pdf: Gnostic Anthropology Samael Aun Weor, 2018-08-03 What is the origin of this humanity on planet Earth? What is the origin of all of the races, of Nature, of all which has been, is, and shall be? There are facts, cosmic and geological events, that are worthwhile to study in these treatises of Gnostic anthropology. There is no doubt that Gnostic, scientific anthropology unveils all veils related with the origin of the human being and the universe. Moving far beyond the limitations of conventional thought, this book presents a view of this planet which is harmonious with all of our most ancient traditions, and indicates the path towards the resolution of our most fundamental problems.

gnostic bible pdf: The Hidden Passion L. Caruana, 2007 This is the tale of the Gnostic Christ, based on the ancient sources. In a compelling narrative, L. Caruana seamlessly weaves over 1500 sayings from the Nag Hammadi texts to recount The Hidden Passion of the Gnostic savior. Wandering round Galilee, increasingly hailed as the Messiah of the Five Seals, the Gnostic savior preaches divine awakening through compassion. But he must still contend with Judas, his dark twin, and Magdalene, his promised bride. At once earthly and spiritual, the Nazarene's love for these two is finally transfigured into a higher, hidden passion. Each page of this novel rings with the authentic message of the lost gospels. By combining numerous narrative fragments from the Nag Hammadi texts, *The Hidden Passion* makes the Gnostic Gospels come alive. Complete with a map, diagram and glossary, this novel elucidates the Gnostic worldview in an eloquent, engaging narrative.

gnostic bible pdf: Q, the Earliest Gospel John S. Kloppenborg, 2008-10-03 Estimated to date back to the very early Jesus movement, the lost Gospel known as Q offers a distinct and remarkable picture of Jesus and his significance--and one that differs markedly from that offered by its contemporary, the apostle Paul. Q presents Jesus as a prophetic critic of unbelief and a sage with the wisdom that can transform. In Q, the true meaning of the kingdom of God is the fulfillment of a just society through the transformation of the human relationships within it. Though this document has never been found, John Kloppenborg offers a succinct account of why scholars maintain it existed in the first place and demonstrates how they have been able to reconstruct its contents and wording from the two later Gospels that used it as a source: Matthew and Luke. Presented here in its entirety, as developed by the International Q Project, this Gospel reveals a very different portrait of Jesus than in much of the later canonical writings, challenging the way we think of Christian origins and the very nature and mission of Jesus Christ.

gnostic bible pdf: A Separate God Simone Pétrement, 1990

gnostic bible pdf: A Gnostic Book of Hours June Singer, 2003 From the Nag Hammadi Library with the different times of day and days of the week. She reveals for us the macrocosm of human experience in the microcosm of the passing hours and days. Reverent introspection in the moment yields recognition of the sacredness and eternity of who we are and what our lives mean. Book jacket.

gnostic bible pdf: The Key Rune Odgaard, 2011-03 It is not the time of the creation in itself that disturbs us, nor is it the so-called fall or the time when mankind wandered the world between light and darkness. What disturbs us is what we suspect transpired in the time before time. Magister Amarantus Sodalitas Sanctum Seth Classical Gnosticism points to a path, which is not a path, but rather a path between the paths. It is a story told at the strike of the thirteenth hour on the mystical dial of the wise; from a mental position between truth and falsehood, reality and dream, in a spiritual place that unites all things in a point without a centre. The tradition, to which this book refers is

based on Biblical stories of creation, the nature of God, how man came to live on earth, and how we may recapture what humanity lost. This tradition has a systematic enquiring approach to redemption. It thus relies on our own understanding and our own experiences to grasp it. This is the path called Gnosticism; Sethian Gnosticism.
