- Understanding "God Is" by James Cleveland
- Basic Chords and Progressions
- Advanced Chord Variations and Techniques
- Tips for Playing "God Is" on Piano and Guitar
- Incorporating "God Is" into Worship and Performance

Understanding "God Is" by James Cleveland

"God Is" is a timeless gospel song composed by James Cleveland, whose contributions to gospel music have earned him the title "The King of Gospel." This song highlights the omnipresence and omnipotence of God through its uplifting lyrics and dynamic musical arrangement. Understanding the background of the song enriches a musician's ability to convey its spiritual message effectively.

Background and Influence

James Cleveland wrote "God Is" during a period when gospel music was evolving to incorporate more contemporary sounds while retaining traditional spiritual themes. The song has since been embraced by churches worldwide and featured in numerous gospel albums and performances. Its structure combines traditional gospel harmonies with modern chord progressions, making it both accessible and inspiring for musicians.

Musical Structure

The musical structure of "God Is" is designed to evoke emotional responses through its chord changes and rhythmic patterns. Typically arranged in a moderate tempo, the song employs call-and-response elements, allowing for expressive vocal embellishments. Understanding the structure helps in mastering the chord transitions and timing.

Basic Chords and Progressions

For musicians beginning to learn "God Is," familiarizing oneself with the basic chords is essential. The song primarily revolves around major and minor chords that establish its uplifting and soulful character. These chords form the foundation upon which more complex arrangements can be built.

Primary Chords Used

The primary chords in "God Is" by James Cleveland typically include the following:

- C Major (C)
- F Major (F)
- G Major (G)
- A Minor (Am)
- D Minor (Dm)

These chords create a harmonic base that supports the melody and lyrics. The progression often moves between these chords in a pattern that emphasizes the song's spiritual tone.

Typical Chord Progression

A common progression for "God Is" might look like this:

- C - F - C - G
- Am - Dm - G - C

This progression is repeated throughout the song, allowing for both verses and chorus sections to maintain a consistent musical flow. Mastery of these progressions is crucial for accompanying singers and instrumentalists.

Advanced Chord Variations and Techniques

Experienced musicians often incorporate advanced chords and playing techniques to add depth and emotion to "God Is." These variations include seventh chords, suspended chords, and passing tones that enrich the harmonic texture.

Seventh and Extended Chords

Adding seventh chords such as Cmaj7, Fmaj7, and G7 can provide a richer sound. For example, replacing a standard C Major chord with Cmaj7 adds a subtle complexity that enhances the gospel feel. Likewise, G7 introduces tension that resolves back to the tonic chord.

Use of Suspended and Passing Chords

Suspended chords (sus2 and sus4) are used to create a sense of anticipation and release. For instance, using Csus4 before resolving to C Major adds a soulful effect. Passing chords, such as D7 between G and C, introduce smooth transitions that keep the listener engaged.

Chord Embellishments and Rhythmic Patterns

Rhythmic variations, including syncopation and arpeggiation, are also important for conveying the song's emotional intensity. Musicians may use broken chords or rhythmic stabs to complement vocal lines and elevate the overall performance.

Tips for Playing "God Is" on Piano and Guitar

Playing "God Is" effectively on piano or guitar requires attention to chord voicing, rhythm, and dynamics. Here are some practical tips to help musicians achieve a polished and expressive rendition of the song.

Piano Techniques

On piano, focus on smooth chord transitions and hand coordination. Use the left hand to play bass notes or root notes of chords while the right hand handles chord voicings and melodic embellishments. Employ sustain pedal judiciously to blend chords without muddying the sound.

Guitar Techniques

For guitar players, mastering chord shapes and strumming patterns is key. Use open chords for a fuller sound and practice switching between chords seamlessly. Fingerpicking can add a delicate texture, while rhythmic strumming emphasizes the gospel groove.

Practice Strategies

Effective practice includes breaking the song into sections, starting slowly, and gradually increasing tempo. Recording practice sessions and playing along with the original track can improve timing and expression. Collaborating with vocalists or other musicians also enhances ensemble cohesion.

Incorporating "God Is" into Worship and Performance

"God Is" by James Cleveland is frequently used in worship settings and gospel performances due to its powerful message and musical versatility. Understanding how to integrate the song into different contexts can enhance its impact.

Adapting for Choirs and Groups

When performed by choirs, "God Is" can be arranged with harmonies that emphasize the song's spiritual depth. Directors may assign different vocal parts to highlight the call-and-response sections or incorporate dynamic contrasts to engage the congregation.

Solo and Band Arrangements

Solo performers can adapt the song by using simplified chord progressions and focusing on vocal expression. Bands might include keyboards, bass, drums, and horns to create a full, energetic sound that supports congregational participation.

Setlist Placement and Mood Setting

Choosing the appropriate moment to perform "God Is" is important for worship flow. It works well as an opening song to inspire or as a reflective piece during moments of prayer and meditation. Its uplifting message makes it suitable for various liturgical occasions.

- Understand the background and structure of "God Is" by James Cleveland
- Learn the basic chords and progressions that form the foundation
- Explore advanced chord variations for a richer sound
- Apply practical tips for piano and guitar performance
- Incorporate the song effectively into worship and performance settings

Frequently Asked Questions

What are the basic chords for 'God Is' by James Cleveland?

The basic chords for 'God Is' by James Cleveland typically include G, C, D, and Em, but variations may occur depending on the arrangement.

Where can I find the chord progression for 'God Is' by James Cleveland?

You can find the chord progression for 'God Is' by James Cleveland on music sheet websites, guitar tab sites, or by watching tutorial videos on platforms like YouTube.

god is chords james cleveland: Gospel Riffs God Would Love To Hear for Piano/Keyboards
Andrew D. Gordon, *Gospel Riffs God Would Love To Hear for Piano/Keyboards* by Andrew Gordon is a compendium of 33 Contemporary Gospel riffs for piano and keyboard players to learn the art of Gospel stylings. There are also arrangements of some traditional Gospel songs including Amazing Grace and When The Saints Go Marching In showing how to incorporate the riffs in the book into

these well known Gospel songs. Play in the styles of Ray Charles, Dr. John, Billy Preston, Leon Russell, and Andre Crouch and see how Blues, Jazz and other contemporary styles are associated with the Gospel sound. Customer Comment About This Book: Gospel Riffs God Would Love To Hear I love Gospel music, and so far with Andrew Gordon's books I haven't been disappointed. This book was no exception. And even though I thought Andrew couldn't have gotten any better in his books he did. The book finishes with two songs (When The Saints Go Marching In and Amazing Grace) that provide of understanding of how to create an arrangement from just chords and a melody (using techniques from the books riffs). Wow, this music instruction at its best for a very, very reasonable price. Don't waste your money on anything else. I bought this book a few months ago, and it really does keep you learning. I always want to learn the next song. I would definately recommend this book to anyone who has played 5 years or more. It might be a while until you can play some of the songs up to speed, but it is well worth the work.

god is chords james cleveland: I Remember Gospel Minister Gene D. Viale, Gene Viale, 2010 Gene, you are going to go places you never dreamt of seeing and you will minister to people you never could imagine you would reach. Don't be afraid. I will be your seal of approval and, as long as you yield to My will, I will be with you. This was the word given to an unlikely recipient, a self conscious young boy who was awaiting such a word to bring direction to his future. That prophetic message would begin a journey which has spanned over forty years and taken him from storefront churches and concert halls in the sixties, as part of one of America's first integrated Gospel groups, to ministry opportunities (to this day) both in the United States and abroad. Within the pages of this book, Gene, chronicles that journey in a frank, intimate and inspiring manner. He shares as an encouragement to his readers, the way God took a willing ordinary vessel and used it in unimaginable ways.

god is chords james cleveland: The Directory of American 45 R.p.m. Records Ken Clee, 1997

god is chords james cleveland: Can't Nobody Do Me Like Jesus! Robert L. Stone, 2020-12-03 Folklorist Robert L. Stone presents a rare collection of high-quality documentary photos of the sacred steel guitar musical tradition and the community that supports it. The introductory text and extended photo captions in Can't Nobody Do Me Like Jesus! Photographs from the Sacred Steel Community offer the reader an intimate view of this unique tradition of passionately played music that is beloved among fans of American roots music and admired by folklorists, ethnomusicologists, and other scholars. In 1992, a friend in Hollywood, Florida, introduced Stone to African American musicians who played the electric steel guitar in the African American Holiness-Pentecostal churches House of God and Church of the Living God. With the passion, skill, and unique voice they brought to the instruments, these musicians profoundly impressed Stone. He produced an album for the Florida Folklife Program, which Arhoolie Records licensed and released worldwide. It created a roots music sensation. In 1996, Stone began to document the tradition beyond Florida. He took the photos in this book from 1992 to 2008 in Georgia, the Carolinas, Tennessee, Mississippi, New York, Pennsylvania, Michigan, and Florida, and at concerts in Italy. The images capture musicians as they play for worship services before spirit-filled believers singing, dancing, shouting, praying, and testifying. Stone gives the viewer much to witness, always presenting his passionate subjects with dignity. His sensitive portrayal of this community attests to the ongoing importance of musical traditions in African American life and worship.

god is chords james cleveland: Peace Be Still Robert Marovich, 2021-12-14 A Choice Outstanding Academic Title for 2022 In September of 1963, Reverend Lawrence Roberts and the Angelic Choir of the First Baptist Church of Nutley, New Jersey, teamed with rising gospel star James Cleveland to record Peace Be Still. The LP and its haunting title track became a phenomenon. Robert M. Marovich draws on extensive oral interviews and archival research to chart the history of Peace Be Still and the people who created it. Emerging from an established gospel music milieu, Peace Be Still spent several years as the bestselling gospel album of all time. As such, it forged a template for live recordings of services that transformed the gospel music business and Black worship. Marovich also delves into the music's connection to fans and churchgoers, its enormous

popularity then and now, and the influence of the Civil Rights Movement on the music's message and reception. The first in-depth history of a foundational recording, *Peace Be Still* shines a spotlight on the people and times that created a gospel music touchstone.

god is chords james cleveland: When Sunday Comes Claudrena N. Harold, 2020-11-16 Gospel music evolved in often surprising directions during the post-Civil Rights era. Claudrena N. Harold's in-depth look at late-century gospel focuses on musicians like Yolanda Adams, Andraé Crouch, the Clark Sisters, Al Green, Take 6, and the Winans, and on the network of black record shops, churches, and businesses that nurtured the music. Harold details the creative shifts, sonic innovations, theological tensions, and political assertions that transformed the music, and revisits the debates within the community over groundbreaking recordings and gospel's incorporation of rhythm and blues, funk, hip-hop, and other popular forms. At the same time, she details how sociopolitical and cultural developments like the Black Power Movement and the emergence of the Christian Right shaped both the art and attitudes of African American performers. Weaving insightful analysis into a collective biography of gospel icons, *When Sunday Comes* explores the music's essential place as an outlet for African Americans to express their spiritual and cultural selves.

god is chords james cleveland: A City Called Heaven Robert M. Marovich, 2015-03-15 In *A City Called Heaven*, Robert M. Marovich follows gospel music from early hymns and camp meetings through its growth into the sanctified soundtrack of the city's mainline black Protestant churches. Marovich mines print media, ephemera, and hours of interviews with artists, ministers, and historians--as well as relatives and friends of gospel pioneers--to recover forgotten singers, musicians, songwriters, and industry leaders. He also examines the entrepreneurial spirit that fueled gospel music's rise to popularity and granted social mobility to a number of its practitioners. As Marovich shows, the music expressed a yearning for freedom from earthly pains, racial prejudice, and life's hardships. Yet it also helped give voice to a people--and lift a nation. *A City Called Heaven* celebrates a sound too mighty and too joyous for even church walls to hold.

god is chords james cleveland: **Second Sunday** Michele Andrea Bowen, 2008-10-31 This story is set in St. Louis in the 1970s. The 100th year anniversary celebration of Gethsemane Missionary Baptist Church is approaching and the pastor has died. How will the church pull itself back together and find a new pastor in time to prepare for the church centennial, let alone survive one more day? It seems as though everyone in the church has an idea about who the new pastor needs to be and what direction he should be going. In the tradition of Gloria Naylor's *Women of Brewster Place*, Bowen weaves the hilarious stories of several church members as they plan, plot, and connive to have their choice installed as the next pastor before the anniversary celebration. *Second Sunday* refers to one of the main worship Sundays in small traditional Baptist churches. In the book, it is the day of the scheduled centennial celebration.

god is chords james cleveland: The Cambridge Companion to Blues and Gospel Music Allan Moore, 2002 From Robert Johnson to Aretha Franklin, Mahalia Jackson to John Lee Hooker, blues and gospel artists figure heavily in the mythology of twentieth-century culture. The styles in which they sang have proved hugely influential to generations of popular singers, from the wholesale adoptions of singers like Robert Cray or James Brown, to the subtler vocal appropriations of Mariah Carey. Their own music, and how it operates, is not, however, always seen as valid in its own right. This book provides an overview of both these genres, which worked together to provide an expression of twentieth-century black US experience. Their histories are unfolded and questioned; representative songs and lyrical imagery are analysed; perspectives are offered from the standpoint of the voice, the guitar, the piano, and also that of the working musician. The book concludes with a discussion of the impact the genres have had on mainstream musical culture.

god is chords james cleveland: Encyclopedia of Religion in America Charles H. Lippy, Peter W. Williams, 2010-06-01 A multidisciplinary examination of religion in American life Encyclopedia of Religion in America examines how religious history and practices are woven into the political, social, cultural, and historical landscape of North America. This authoritative four-volume reference work explains the origins, development, adaptation, influence, and interrelations of the many faiths practiced, including major world religions, new religious sects, cults, and religious movements that originated or had an influence in the United States. Edited by well-known experts in the field, the Encyclopedia covers all the significant religious denominations and movements that have originated or flourished in North America, from the beginning of European settlement to the present day. The broad multidisciplinary coverage includes the religious life of indigenous peoples, specific aspects of religious life, and the relationship of political, social, economic, and cultural spheres. Topics include: Religion as an influential force in the U.S. Methods of worship Religion and politics Homosexuality and religion African American religion Arts and architecture Church-state issues Education Environment and ecology Ethnicity Evangelicals Faiths Gay and lesbian issues Historical overviews Immigration Media (new and old) Megachurches Movements and denominations New religious movements Popular religion and culture Race and racism Religious thought Religious Right Rites Role of women Terrorism and war Encyclopedia of Religion in America is an essential resource for students and scholars researching issues in a wide variety of social science disciplines, from American history to cultural studies, political science, gender studies, psychology of religion, and more. It reflects new scholarly research and interpretation that have emerged over the last two decades, as well as significant new areas of study, such as post-9/11 America, the role of gays and lesbians in church, gender, and the role of the evangelicals in American political life.

god is chords james cleveland: The Preacher King Richard Lischer, 2020 The Preacher King investigates Martin Luther King Jr.'s religious development from a precocious preacher's kid in segregated Atlanta to the most influential America preacher and orator of the twentieth century. To give the most accurate and intimate portrait possible, Richard Lischer draws almost exclusively on King's unpublished sermons and speeches, as well as tape recordings, personal interviews, and even police surveillance reports. By returning to the raw sources, Lischer recaptures King's truest preaching voice and, consequently, something of the real King himself. He shows how as the son, grandson, and great-grandson of preachers, King early on absorbed the poetic cadences, traditions, and power of the pulpit, more profoundly influenced by his fellow African-American preachers than by Gandhi and the classical philosophers. Lischer also reveals a later phase of King's development that few of his biographers or critics have addressed: the prophetic rage with which he condemned American religious and political hypocrisy. During the last three years of his life, Lischer shows, King accused his country of genocide, warned of long hot summers in the ghettos, and called for a radical redistribution of wealth. 25 years after its initial publication, The Preacher King remains a critical study that captures the crucial aspect of Martin Luther King Jr.'s identity. Human, complex, and passionate, King was the consummate American preacher who never quit trying to reshape the moral and political character of the nation.

god is chords james cleveland: Rockin' in Time David P. Szatmary, 1991 A concise yet comprehensive account of the origins and evolution of rock music, emphasizing its interaction with

social change and cultural trends. The narrative begins with ``the birth of the blues" and proceeds to discuss the major (and mention the minor) performers and to identify the significant styles. These include Fifties rockabilly, folk/protest, the British Invasion, acid rock, punk/New Wave, and Eighties revivalism. Using a lively, anecdotal approach and pertinent quotes, the author examines the appropriate political, economic, technological, or psychological context of each topic, e.g., the relationship between Dylan's music and JFK's New Frontier. A primary focus throughout is on the contributions of blacks and the role of racism. Paul Feehan, Univ. of Miami Lib., Coral Gables, Fla. - Library Journal.
