humpty dumpty book pdf: *A Brief History of Oversharing* Shawn Hitchens, 2017-09-05 From the author of *The Light Streamed Beneath*, a collection of hilarious and heartfelt autobiographical essays about accepting our quirks & flaws. Comedian Shawn Hitchens explores his irreverent nature in this debut collection of essays. Hitchens doesn't shy away from his failures or celebrate his mild successes—he sacrifices them for an audience's amusement. He roasts his younger self, the effeminate ginger-haired kid with a competitive streak. The ups and downs of being a sperm donor to a lesbian couple. Then the fiery redhead professes his love for actress Shelley Long, declares his hatred of musical theatre, and recounts a summer spent in Provincetown working as a drag queen. Nothing is sacred. His first major break-up, how his mother plotted the murder of the family cat, his difficult relationship with his father, becoming an unintentional spokesperson for all redheads, and ~~many more~~ many more. Blunt, awkward, emotional, ribald, this anthology of humiliation culminates in a greater understanding of love, work, and family. Like the final scene in a *Murder She Wrote* episode, *A Brief History of Oversharing* promises everyone the a-ha! moment Oprah tells us to experience. Paired with bourbon, Scottish wool, and Humpty Dumpty Party Mix, this journey is best heard through a lens of schadenfreude. Praise for *A Brief History of Oversharing* "I am so glad I am not Shawn Hitchens, but I sure wish I could write like him. *A Brief History of Oversharing* is hilarious and heartwarming. Reading it is like sharing a warm bath with the man himself. Hitchens has a gift for telling outwardly repulsive stories in a way that actually draws people in. He doesn't gloss over hard times, but he does counterbalance them with a self-deprecating, snarky humor that

trades tears for laughter. He's not kidding when he says he's oversharing, but somehow he makes the mix of raw emotion and salty hilarity work." —Foreword Reviews

humpty dumpty book pdf: Humpty Dumpty In Oakland Philip K Dick, 2015-07-09 Set in the San Francisco Bay area in the late 1950s, *Humpty Dumpty in Oakland* is a tragicomedy of misunderstandings among used car dealers and real-estate salesmen: the small-time, struggling individuals for whom Philip K. Dick always reserved his greatest sympathy. Jim Fergesson, an elderly garage owner with a heart condition, is about to sell up and retire; Al Miller is a somewhat feckless mechanic who sublets part of Jim's lot and finds his livelihood threatened by the decision to sell; Chris Harman is a record company owner who for years has relied on Fergesson to maintain his cars. When Harman hears of Fergesson's impending retirement he tips him off to what he says is a cast-iron business proposition: a development in nearby Marin County with an opening for a garage. Al Miller, though, is convinced that Harman is a crook, out to fleece Fergesson of his life's savings. As much as he resents Fergesson he can't bear to see that happen and - denying to himself all the time what he is doing - he sets out to thwart Harman.
